2. For all TeamGym competitions, each **athlete** entered shall receive some kind of an **INDIVIDUAL MEMENTO** such as a certificate, ribbon, trophy, t-shirt, etc.
While not required, host Meet Directors may provide some kind of special recognition to each **club** with one or more competition squads attending a TeamGym competition.
3. **Levels 1 and 2** – These **ACHIEVEMENT LEVELS** are designed for the development of skills, style, and cooperation. Therefore, awards are presented to each **athlete** based on their squad's final Team Score.

For Levels 1 and 2, awards **MUST** include Achievement Ribbons (or medallions) for each athlete member of the squad. These achievement awards should **NOT** indicate placement in the printed matter on the award.

For Levels 1 and 2, the following table is valid for determining award ribbons (or medallions) based upon Final Team Score:

4. **Levels 3, 4, 5, 6, 7, 8**
For all TeamGym competitions, Levels 3, 4, 5, 6, 7, and 8, placement awards (based on Final Team Score) shall be presented to a *minimum* of 50% of the **squads** entered in the competition such as plaques or trophies.

B. Tie-Breaking Procedures for Presentation of Awards – Ties in Team Scores

1. The team with the highest team score on a single event receives the award for the tied place.
2. If still tied, then the flip of a coin in the presence of both coaches will break the tie for the award.
3. In case of a tie for last awarded place, both teams are to receive awards. Use the tie breaking procedures to determine which team receives the award that day and send duplicate awards to the members of the other team.

II. TeamGym Invitational and Championships competitions

NOTE: The terminology *TeamGym National Championships*, *TeamGym Nationals*, or other such similar terminology may only be used for the official competition conducted by and/or authorized by USA Gymnastics.

TeamGym competitions, Invitational's, and Championship competitions **MUST** be sanctioned with USA Gymnastics and reported to the GFA Director at the conclusion of the event for publication in the Season Rankings in order for the scores to be recognized to qualify for the USA Gymnastics TeamGym Nationals.

2. Entry fee (individual and/or team) and to whom it is payable.
3. Spectator admission fees.

2. At the National Championships, medical personnel must be present for all training and competition sessions
3. The Meet Director must supply USA Gymnastics Accident Report forms to the medical personnel, who must complete the form and give it to the coach or parent of the injured athlete. An Accident Report Form is included in the Sanction packet and should be duplicated for use at the competition. Additional forms are available through Member Services.

C. Audience/Spectator Regulations

1. Spectators are not allowed to enter the "field of play" competitive area. They must use only the area designated for the public.
2. Spectators are not allowed to use flash photography during the pre-meet warm-ups or competition, as this may endanger the performing athletes. Also see D below regarding commercial use of photography.
3. Spectators shall not disturb the order of the competition, its competitors and its officials. Individuals causing violations shall be asked to leave the competition site.
4. The spectators shall not carry food or drinks into the spectators' area, if so directed
5. Children (offspring) of coaches and/or judges should not be on the competition floor unless performing a specific duty, such as "runner" or "flasher".

No segment of the Event may be photographed, video-taped, filmed or otherwise recorded for the purpose of rebroadcast, retransmission, duplication or sale without the advance written consent of USAG. The Meet Host and/or LOC shall take all reasonable measures necessary to assist in the protection of USA Gymnastics' broadcast rights during the Event.
