SAFE SPORT INFORMATION

Athlete safety and well-being are USA Gymnastics' highest priority, and the USA Gymnastics Safe Sport Policies are among the most powerful tools the organization has for athlete protection.

As a gymnast, you need to be aware the Safe Sport Policy provides important requirements, including:

What the Safe Sport Policy means to professional and instructor members.

1. Prohibiting sexual abuse, physical abuse, emotional/verbal abuse, bullying, hazing and harassment;
2. Requiring mandatory reporting of suspected or known abuse or misconduct;
3. Setting Proactive Policies that forbid one-on-one interaction between adults and minors, identifying other boundary violations and grooming behaviors.

If you have suspicions or knowledge of abuse or misconduct, talk to your parents or a trusted adult or visit usagym.org/safesport or call 1.833.844.SAFE. For more information and updates on safe sport, go to usagym.org/safesport.

USA Gymnastics is committed to building a culture of empowerment that encourages our athletes to speak up, especially about difficult topics, and promotes a safe, positive training environment. We need you, along with the entire gymnastics community, to work with us to make gymnastics stronger, safer and more empowered.

Make A Report

If child abuse is occurring, call 911 immediately. If you suspect or know of child abuse, call local police and child services. Once reported to law enforcement, report it to the U.S. Center for SafeSport.

To report sexual misconduct: If you suspect or have knowledge of sexual misconduct, contact the U.S. Center for SafeSport immediately. Online: safesport.org/report-a-concern. By phone: 720.524.5640.

To report non-sexual misconduct to USA Gymnastics: Report all forms of safe sport non-sexual misconduct (physical misconduct; verbal/emotional misconduct; bullying; hazing; and harassment) to USA Gymnastics. Online: usagym.org/safesport Hotline: 833.844.SAFE (7233) Email: safesport@usagym.org

USA Gymnastics mandates that all members follow state and federal laws governing reporting of child abuse. If you are 18 years of age or older and are subject to USA Gymnastics Safe Sport policy, you are required to report all instances of possible child abuse or neglect to law enforcement and state child services.

Initial here to acknowledge that you have received and read the information the above regarding understanding the USA Gymnastics' Safe Sport Policy.
