SAFE SPORT INFORMATION

Athlete safety and well-being are USA Gymnastics' highest priority, and the USA Gymnastics Safe Sport Policy is one of the most powerful tools the organization has for athlete protection.

As the parents and guardians of a minor who is member of USA Gymnastics as an athlete or a junior professional/instructor, you need to be fully aware of the Safe Sport Policy, its mandates and member requirements, as well as understand the roles each of us have in athlete safety.

1. The Safe Sport Policy and what it means for your child.

The Safe Sport Policy requires mandatory reporting, defines different types of misconduct, sets standards to prohibit grooming behavior and prevent inappropriate interaction, and establishes greater accountability.

2. What is now required of your gym in protecting your child.

Your gym must have a policy consistent with the USA Gymnastics Safe Sport Policy and include, at a minimum, a description of conduct that will not be tolerated; Prevention Policies; and a process for receiving and handling complaints regarding conduct violations.

Additionally, a member club is not permitted to hire or associate with anyone on the USA Gymnastics List of Permanently Ineligible Members or a state sex-offender registry.

3. What you, as a parent or guardian, can do in protecting your child.

Accountability is key for USA Gymnastics' safe sport efforts to make a difference. It is appropriate and important for parents to ask essential child protection questions.

Please ask your gym about its policies and become familiar with the USA Gymnastics Safe Sport Policy's Prevention Policies to make certain the gym and its staff are complying.

Please review the Prevention Policies with your child so he/she understands the requirements in place at the gym and/or for his/her coach.

And lastly, **please talk** to your children about the categories of misconduct (including sexual, physical and verbal/emotional abuse, bullying, hazing and harassment) and the prohibited behavior addressed in the Prevention Policies. Let them know they are empowered, and encouraged, to speak up should any misconduct or prohibited behaviors be directed at them or others.

USA Gymnastics is committed to building a culture of empowerment that encourages our athletes to speak up, especially about difficult topics, and promotes a safe, positive training environment. We need you, along with the entire gymnastics community, to work with us to make gymnastics stronger, safer and more empowered.
