Dusty started the discussion about the possibility of having to mix a randomly drawn number of gymnasts from the JO Sessions (1 and 2) into the JE Session 3 in order to better manage the event.

It seemed to be the general opinion that mixing would have to be an extreme last resort, and that we would have the numbers available to us, and the predictable consequences, so that we could make a decision at that time as to if we should implement a mixing solution.

Motion to adjourn.

Motion: Roger Baldwin
Second: Bob Witmer

Meeting adjourned.

Respectfully submitted,
Roger Baldwin
