Details

- Points will be awarded to the top 20 rank order athletes on each event in descending order (Example: 1st place earns 20 points, 20th place earns 1 point)
- No points will be given for All-Around placement
- Athletes who tie for individual events will be awarded duplicate points with the next point total being skipped. (Example: tie for first – both athletes awarded 20 points, the next highest ranking athlete receives third place points and is awarded 18 points)
- The points awarded for the six events will be totaled for a final point total for each athlete.
- In the case of a tie for the last position, ties will be broken by:
 1. The athletes highest single event points total, if still tied then,
 2. The athletes two highest events points total and so on until all six event totals are considered, if still tied then,
 3. All tied athletes advance.

2. MPC Approved Points System for Senior Division at the U.S. Gymnastics Championships

- Top 10 athletes on each event will receive points from the Preliminary Competition and again from the Finals Competition at the U.S. Championships. The points from each day of competition will be added together to create the athletes Final Points Total.
- Points will be awarded on each event according to the following:

First place	= 11 points	Sixth place	= 5 points
Second place	= 10 points	Seventh place	= 4 points
Third place	= 9 points	Eighth place	= 3 points
Fourth place	= 7 points	Ninth place	= 2 points
Fifth place	= 6 points	Tenth place	= 1 point
- Athletes who tie for individual events will be awarded duplicate points with the next point total being skipped. (Example: tie for individual event third – both athletes awarded 9 points, the next highest ranking athlete receives fifth place points and is awarded 6 points)
- The points awarded for the six events will be totaled for each athlete each day. An athlete's day one and day two competitive points will be totaled for that athlete's Final Points results.
