Development Committee Meeting Agenda

1. **Welcome**
 All attendees were asked to disclose any actual or potential conflicts of interest based on a review of the agenda.
 It was noted that all members present have involvement with development athletes impacted by the decisions made; any motion will be a recommendation to the PC to take the final vote.
2. **Level 9 and 10 Warmup**
 The committee agreed that in the interest of safety that a 1-hour general warmup should be added to the day of competition for level 9 and above.
 It was noted that this item is also on the PC agenda.
 The item was tabled and committee members were asked to submit to Nuno prior to the PC meeting, ideas to provide this while not increasing the overall competition schedule.
3. **Qualifications**
 The committee agreed to investigate numbers qualifying to Nationals, with the hope that there could be another method of qualification to Nationals through placing at Regional Championships.
 Nuno will collect Regional Championships results and report back on how this may increase numbers and any potential impacts to the standard of performance.
4. **Ties**
 The committee reviewed the number of ties. It was agreed that tie breakers should be added. The committee discussed possible methods of calculating tie breakers, including highest E score of the second routine; highest E score of the first routine; highest individual median E score. Nuno will present these ideas at the PC meeting.

Meeting adjourned at 4:30pm.
