J.O. Committee Meeting Agenda

1. Developmental Coach of the Year Award

The committee discussed the process for Developmental Coach of the Year, with Stars & Stripes as well as the majority of the season being cancelled. It was agreed that due to these factors, this award would not be presented in 2020.

Motion to recommend to the Program Committee to not award the Developmental Coach of the Year for the 2019-2020 season.

- **Motion: Jared**
- **Second: Mary**
- **Vote: unanimous**

2. Community Feedback

A proposal was received because the routines are no longer changing this year, that a change be made to the Level 8 and Level 9 trampoline requirements to give flexibility to athletes to choose between barani ballout and cody, per the new routines.

The committee discussed the pros and cons and decided that no change would be made for the upcoming season.

3. Mobility scores

The committee discussed the mobility scores for the current season. It was agreed that these are still reasonable and achievable, and should be left as written.

4. Mobility process

The committee discussed the draft video submission process that the Elite Committee is working on and discussed whether this should apply to J.O. also. It was decided that due to the larger number of

mobility opportunities for J.O., a video submission process would not be required for J.O. mobility. It was noted that should the COVID situation change over the fall, this would be revisited.

Meeting adjourned at 8:20pm.
