### **I. Olympic Test Event Camp**

George explained the method by which the data was acquired using a constant execution score (assumed 9.0 compulsory and 8.0 optional) which allowed evaluation of time of flight and degree of difficulty to be the comparison variables. Routine completion was also considered. Based on objective data the average scoring potential for each athlete was as follows:

- Jeff Gluckstein – 106.219 – 100% Compulsory, 100% Optional
- Logan Dooley - 105.017 – 100% Compulsory, 100% Optional
- Aliaksei Shostack – 104.34 – 80% Compulsory (4/5) 80% Optional (4/5)
- Charlotte Drury – 101.855 – 100% Compulsory, 40% Optional (2/5)
- Shaylee Dunavin - 99.061 – 100% Compulsory, 40% Optional (2/5)
