Introduction

USA Gymnastics Purpose and Code of Ethical Conduct

The purpose of the National Women’s Program of the USA Gymnastics is to promote, serve, and administer the official gymnastics program for girls and women of all levels of ability throughout the United States. This shall be done by:

A. Carrying out the purposes and objectives of USA Gymnastics.
B. Providing for the expansion and improvement of gymnastics program through the training and certification of judges and the education of qualified instructors to conduct appropriate gymnastics programs.
C. Organizing competitions for girls and women of all ability at local, state, regional, and national events.
D. Providing for the technical organization and development of specific guidelines, rules and policies, and providing a network of communication necessary for the implementation of these objectives.

Interpretation of this publication is the expressed duty and responsibility of the Women’s Program Committee and the President of USA Gymnastics.

USA Gymnastics Code of Ethical Conduct

I. Introduction

The mission of USA Gymnastics is to encourage participation and the pursuit of excellence in all aspects of gymnastics. USA Gymnastics grants the privilege of membership to individuals and organizations committed to that mission. USA Gymnastics may, therefore, withdraw the privilege of membership or discipline a member where USA Gymnastics determines that an individual or organization’s conduct is inconsistent with the mission of USA Gymnastics or the best interest of the sport and those who participate in it.

To better serve the interests of those who participate in gymnastics, USA Gymnastics has adopted the Code, which follows. This Code is not intended to establish a set of rules that will, by inclusion or exclusion, prescribe the appropriate behavior for members in every aspect of their participation in the sport. Rather, the Code offers general principles to guide the conduct, and the judicious appraisal of conduct, of all USA Gymnastics members (individuals, organizations and clubs/businesses, which are collectively referred to as “Members” and individually as a “Member”) in situations that have ethical implications.

This Code cannot further ethical conduct in the sport of gymnastics; that can only come from the personal commitment of the participants in the sport to behave ethically. This Code is offered instead to guide and to affirm the commitment of all Members to safeguard the best interests of the sport by acting ethically at all times.

II. Elements of the Code

A. Participant Relationships.
Members of USA Gymnastics are charged with the responsibility for contributing to an environment that makes participation in the sport a positive and rewarding experience. To achieve that result, each professional and club/business Member has a special obligation to make decisions based on the best interest of the athlete. It is inconsistent with this obligation for any Member to:

1. Fail to follow the safety guidelines established by USA Gymnastics, or otherwise knowingly subject a participant to unreasonable physical or emotional risk.
2. Engage in conduct that is unfair including, in particular, attempting to injure, disable or intentionally interfere with the preparation of a competitor.
3. Engage in conduct toward another participant in the sport that is abusive. USA Gymnastics recognizes that the process for training and motivating athletes varies with each coach and each athlete, but it is nevertheless incumbent on everyone involved in the sport to support the development and use of motivational and training methods that avoid conduct that is, or is likely to be perceived as being, abusive.
4. Attempt to intimidate, embarrass or improperly influence any individual responsible for judging or administering a competition.

B. Non-Discrimination.
Any USA Gymnastics activity or event should be open to any Member properly qualified under the rules of that activity or event. It is inconsistent with this obligation for any Member to:

Professional Members of USA Gymnastics must protect the integrity of the sport and the interests of the athletes they serve by avoiding sexual relationships with athletes except where the capacity and quality of the athlete’s consent to enter that relationship is beyond question.

III. Enforcement of Code
Compliance with this Code depends primarily upon understanding and voluntary compliance, secondarily upon reinforcement by peers, and, when necessary, upon enforcement through disciplinary action.
Introduction

Any Member [‘Complainant’] who believes that another Member of USA Gymnastics has failed to meet such Member’s obligations under this Code is, under all but the most egregious circumstances, encouraged to first address that concern directly to that Member. If that action does not result in a satisfactory resolution, the Complainant may file a written complaint with the President, program director or other appropriate staff member of USA Gymnastics. That complaint must be signed and state specifically the nature of the alleged misconduct.

Upon review and consideration of the complaint, which may include written notice to both parties and an opportunity for response, and, where appropriate, additional discussions with the parties; the President or his/her designee may:

USA Gymnastics Safe Sport Policy

The Safe Sport Policy, formerly known as the Participant Welfare Policy, is part of USA Gymnastics’ safe sport initiatives and incorporates the authority and jurisdiction of the U.S. Center for Safe Sport. USA Gymnastics policies and procedures related to misconduct are presently under review, and updates to this policy may be necessary in the near future. Available online at usagym.org/SafeSport, changes are effective immediately unless otherwise noted in the policy.

Consistent with the mission of USA Gymnastics,¹ the welfare of gymnastics participants, especially minors, is of paramount concern. When any member - gymnast, participant, coach, official, volunteer or staff member - is subjected to abuse or misconduct, it undermines the mission of USA Gymnastics and is inconsistent with the best interests of the sport of gymnastics and of the gymnasts USA Gymnastics serves.

**USA Gymnastics is committed to promoting a safe environment for its members, gymnasts, participants, coaches, officials, volunteers and staff in all gymnastics disciplines.** USA Gymnastics has developed and adopted this policy to set forth the efforts it will undertake to promote a safe gymnastics environment, both solely and in partnership with other necessary parties, including member clubs, parents, gymnasts, the gymnastics community, and the U.S. Center for SafeSport (‘Center’).

**Gymnastics participants must promote a safe, misconduct-free environment for members, gymnasts, participants, coaches, officials, volunteers and staff in all gymnastics disciplines.** As such, a "Covered Individual" (as defined below) in accordance with the requirements of the U.S. Center for SafeSport:

a. is responsible for knowing the information, policies and procedures outlined:
   - the Center’s SafeSport Code for the U.S. Olympic and Paralympic Movement (‘Code’ or ‘SafeSport Code’) and its related policies;
   - USA Gymnastics’ rules, policies, Bylaws, and Code of Ethical Conduct;

b. shall refrain from engaging in or willfully tolerating any of the forms of Misconduct and Prohibited Conduct described in the Center’s SafeSport Code and USA Gymnastics Safe Sport Policy;

c. is subject to the Center’s jurisdiction and must comply with the Center’s policies, procedures, and SafeSport Code, including with respect to reporting suspected misconduct and violations of Proactive Policies (as defined below); and

d. is subject to USA Gymnastics’ jurisdiction and must comply with USA Gymnastics’ rules, policies, Bylaws, and Code of Ethical Conduct, including with respect to reporting suspected misconduct and violations of Proactive Policies.

A “Covered Individual” is:

a. Any individual who currently is, or was at the time of a possible SafeSport Code Violation, within the governance or disciplinary jurisdiction of USA Gymnastics or who is seeking to be within the governance or disciplinary jurisdiction of USA Gymnastics (e.g., through application for membership), including:
   - Current members [professional, jr. professional, instructor, athlete, introductory athlete]
   - Applicants for membership
   - Individuals who were members of USA Gymnastics at the time of any suspected Misconduct or Prohibited Conduct described in the Center’s SafeSport Code or USA Gymnastics Safe Sport Policy
   - USA Gymnastics staff and Board members

---

¹ The mission of USA Gymnastics is to encourage participation and the pursuit of excellence in all aspects of gymnastics.
b. Any individual who is an Athlete or Non-Athlete Participant that USA Gymnastics formally authorizes, approves or appoints to a position of authority over Athletes or to have frequent contact with Athletes, such as persons compensated and/or appointed by USA Gymnastics to perform services at sanctioned activities run by USA Gymnastics National Office or its State and Regional Committees, such as camps, competitions, and educational events, including for example:

- Events staff - Individuals with access to the field of play
- Medical personnel
- Chaperones
- National Team Training Center support staff
- Any other contracted individual working with or around athletes

A “Covered Adult” is a Covered Individual who is 18 years of age or older.

An “unrelated Covered Adult” is a Covered Individual who is not an immediate family member of the gymnast.

A “Covered Minor” is a Covered Individual who is under the age of 18.

An “Athlete” is an athlete member of USA Gymnastics.

A “Non-Athlete Participant” is any of the following members of USA Gymnastics: coach, team staff, medical or paramedical personnel, administrator, official, or other athlete-support personnel, employee, or volunteer who participates in amateur sports programs offered or sanctioned by USA Gymnastics or the U.S. Olympic Committee.

**Part I. Misconduct and Prohibited Conduct.**

USA Gymnastics has agreed to comply with the safe sport policies of the U.S. Center for SafeSport ("Center") and has incorporated into this Safe Sport Policy the provisions of the *SafeSport Code for the U.S. Olympic and Paralympic Movement* ("Code" or "SafeSport Code") by reference. The Center may update its policies at any time and the changes are effective when published. For the most current safe sport rules, policies and procedures, go to [www.safesport.org](http://www.safesport.org).

USA Gymnastics has adopted the definitions of misconduct and prohibited conduct from the Center’s SafeSport Code as follows.

A. **Sexual Misconduct.**

*Sexual Misconduct is within the exclusive authority of the Center.*

A Covered Individual shall not engage in Sexual Misconduct as defined in the SafeSport Code.

B. **Other Safe Sport Misconduct.**

*Other Safe Sport Misconduct – Physical Misconduct, Bullying, Hazing, Harassment, or Emotional/Verbal Misconduct – is within the authority of USA Gymnastics. Upon USA Gymnastics’ request, the Center may, in its discretion, accept a matter involving Other Safe Sport Misconduct.*

A Covered Individual shall not engage in Prohibited Conduct, including Physical Misconduct, Bullying, Hazing, Harassment or Emotional/Verbal Misconduct as defined in the SafeSport Code. USA Gymnastics recognizes the process for training and motivating gymnasts varies with each coach and each gymnast. Nevertheless, it is incumbent on everyone involved in the sport to support the development and use of motivational training methods that avoid conduct that is, or is likely to be perceived, as being abusive.

C. **Misconduct Related to the Resolution Process.**

*Misconduct related to the resolution process is within the authority of USA Gymnastics and/or the Center.*
Introduction

The following behavior by a Covered Individual may be considered misconduct as defined in the SafeSport Code: Abuse of Process, Failure to Report, Intentionally Making a False Report, or Retaliation. Any such conduct, including after the resolution of a matter is final, is a violation of this policy and/or the Center’s SafeSport Code.

D. Proactive Policies Protecting Against Sexual Misconduct.
   Except as set forth in Part II, violations of the Proactive Policies described herein are within the authority of Member Clubs.

USA Gymnastics has adopted the recommendation of the Center to establish Proactive Policies Protecting Against Sexual Misconduct (‘Proactive Policies’) tailored specifically to the sport of gymnastics that (i) set standards for professional boundaries, (ii) minimize the appearance of impropriety and have the effect of preventing boundary violations and (iii) prohibit grooming tactics.

USA Gymnastics Member Clubs must adopt USA Gymnastics’ Proactive Policies outlined below. In addition, Member Clubs are strongly encouraged to adopt more comprehensive Proactive Policies tailored specifically to their club.

1. One-on-one interactions.
   • An unrelated Covered Adult shall not be alone with a Minor (a) in a private setting, and (b) in any place that is inappropriate to the professional relationship (i.e., a social setting outside the training or competitive environment). A gymnastics activity conducted within the view and/or earshot of another adult is not considered a one-on-one interaction if it presents a meaningful opportunity for interruption.
   • Gymnasts may not reside with an unrelated Covered Adult, nor may a Covered Adult reside with a gymnast’s family.

2. Travel.
   • When traveling, an unrelated Covered Adult shall not be alone with a Minor.
   • For overnight travel, assign gymnasts to hotel rooms with age-appropriate, same-sex teammates.
   • Do not allow an unrelated adult to share or be alone in a sleeping room with gymnasts.

3. Social Media and Electronic Communications.
   • All e-mails, texts, and posts must be transparent, professional and related solely to gymnastics activities or events. Covered Adults may not have out-of-program contact with gymnasts on social media. (For example, general communication regarding a gymnastics activity or event via a club’s social media account is acceptable, but private communication via a coach’s and/or an athlete’s personal social media account is not acceptable.)
   • Covered Adults must distribute electronic and mobile communications to minor gymnasts openly and publicly; for example, with a copy to the parent(s)/guardian(s) and/or to the entire team transmitted simultaneously.
   • Parents and guardians have the right to request that (a) their child not be contacted in any form of electronic communications, or (b) certain information about their child that they designate not be distributed in any form of electronic communications. All such requests will be honored.

4. Photography/Videography.
   • Photographs or videos may only be taken (a) in public view; (b) if they observe generally accepted standards of decency; and (c) are both appropriate for and in the best interest of the gymnast.
   • Examples of photos that should be edited or deleted:
     ➢ Open straddle positions
     ➢ Any image where the genital area is prominent
     ➢ Images with misplaced apparel or where undergarments are showing
     ➢ Suggestive or provocative poses
   • Without a parent’s [or legal guardian’s] consent in the case of a Minor gymnast, or a gymnast’s
consent in the case of an adult gymnast: (a) gymnasts may not be photographed or filmed; and (b) no images of gymnasts may be posted publicly or privately. If consent is given, it may be revoked at any time.

5. Locker Rooms/Changing Areas.
   • Interactions between Covered Adults and gymnasts should not occur in any room where there is a reasonable expectation of privacy such as the locker room, restroom or changing area. A second adult should be present for any necessary interaction between an adult and a gymnast in any such room.
   • The use of recording devices of any kind in any such room is strictly prohibited.

   Gift-giving or providing special favors or privileges to individual gymnasts is prohibited.

7. Massage/Icing/Taping.
   • Any rubdown or massage performed on a gymnast by any unrelated Covered Adult must be conducted in open/public locations and must never be done with only a gymnast and unrelated Covered Adult in the room.
   • Icing and taping must be conducted in open/public locations and must never be done with only a gymnast and unrelated Covered Adult in the room.
   • Icing and taping near the intimate areas of the body is not permitted by any unrelated Covered Adult—unless it is done by a licensed medical professional—and must never be done with only a gymnast and unrelated Covered Adult in the room.

8. Stretching and Other Physical Contact.
   Covered Adults should take care to prevent any compromising positions while stretching or closely interacting with gymnasts and must avoid:
   • Laying or sitting on top of the gymnast
   • Facing the gymnast while he/she is in a static straddle position
   • Lap sitting
   • Pats on the bottom
   Physical contact that is reasonably intended to coach, teach or demonstrate a gymnastics skill or to prevent or lessen injury (e.g., spotting, catching) is permissible. Infrequent, non-intentional physical contact, particularly contact that arises out of an error or a misjudgment on the part of the gymnast, participant or coach, does not violate this policy.

Part II. Reporting, Jurisdiction and Processing Complaints.

A. Reporting Suspected Abuse to Legal Authorities.
   1. USA Gymnastics will report suspected child abuse or neglect (including Sexual Misconduct) to the proper authorities in all instances and without exception, unless it is aware that authorities have already been notified.
   2. Covered Adults must report suspected child abuse or neglect (including Sexual Misconduct) to the appropriate legal authorities, which is separate from notification to the Center, USA Gymnastics, or a Member Club as outlined below. For state-by-state reporting information, see www.childwelfare.gov.

B. Reporting Sexual Misconduct.

   1. Directly to the Center.
   2. In the event the disclosure is initially made to USA Gymnastics, USA Gymnastics will forward the

C. Reporting Other Safe Sport Misconduct.
Members of USA Gymnastics are required to provide notification of conduct by a Covered Individual that could constitute Other Safe Sport Misconduct:

1. Directly to the Center, if the Center was the entity that had jurisdiction over the original allegation.
2. Directly to USA Gymnastics, if USA Gymnastics was the entity that had jurisdiction over the original allegation.

E. Reporting Violations of Proactive Policies
Members of USA Gymnastics must provide notification of conduct by a Covered Individual that may constitute a violation of Proactive Policies.
1. Directly to the Member Club.
   Member Clubs are required to inform USA Gymnastics when they receive notification of suspected violations of Proactive Policies by Covered Individuals in their clubs, and the resolution of the matter. USA Gymnastics will also notify the Center of any such notification and its resolution.
2. If reporting a suspected violation by a Covered Individual to the Member Club does not result in a satisfactory resolution, the reporting individual may request that USA Gymnastics review the matter. USA Gymnastics will also notify the Center of any such matter and its resolution.
3. Notification to USA Gymnastics DOES NOT satisfy any legal reporting requirements under state or federal law. If the suspected conduct may also be criminal, Covered Adults are required to report to legal authorities.

However, if reporting the suspected violation to the Member Club does not result in a satisfactory resolution, an individual may request that USA Gymnastics review the matter. Additionally, upon the written request of USA Gymnastics, the Center may, in its discretion, accept jurisdiction over alleged violations of Protective Policies.

G. Telephone Inquiries.
At least two USA Gymnastics staff members, one of each gender, shall be trained to receive telephone
inquiries regarding misconduct. The staff members shall:

1. Advise the caller that USA Gymnastics will report suspected child abuse or neglect to the authorities, unless it is aware that the authorities have already been notified.

2. Inform the caller that allegations of Sexual Misconduct must be reported to the Center and provide the caller with the information necessary to notify the Center and/or forward the information the caller has provided directly to the Center on their behalf.

Inform the caller that if the matter has not been referred to the Center, a written and signed complaint must be received for USA Gymnastics to initiate its grievance procedures against a member of USA Gymnastics pursuant to its Code of Ethical Conduct and/or Articles 9 and/or 10 of USA Gymnastics Bylaws, and offer to provide a copy of the relevant documents to the caller.

4. Encourage that the victim(s) seek professional help, if appropriate.

USA Gymnastics is a member of the Federation of International Gymnastics (FIG), the International governing body for gymnastics. As such, USA Gymnastics and all its members are subject to the FIG rules and regulations governing gymnastics exchanges between countries. All exchanges involving foreign athletes are under the jurisdiction of the FIG and the host Federation.

With the increased opportunities for participation in events involving foreign athletes, both in the United States and abroad, USA Gymnastics has the responsibility to inform its Professional members of the FIG regulations governing these activities. The FIG and its member federations have jurisdiction over international events (events involving more than one country’s athletes). Violations of the FIG regulations can result in restrictions of the member federation and/or its athletes. While USA Gymnastics realizes the cultural enrichment that these types of events provide to our members, strict compliance to the FIG Regulations MUST be followed.

The USA Gymnastics National office must be notified of any competitions in the U.S. involving athletes, coaches and/or judges who are non-citizens and also reside in and/or represent a foreign country.

The USA Gymnastics National office must be notified of any U.S. athletes or judges intention to participate in any gymnastics activities in a foreign country.

      - For events in which foreign athletes and coaches participate, a foreign sanction request form and fee of $300 must be sent via mail/fax/e-mail to the Member Services department for processing. For more details, see Chapter 2, Events with Foreign Participation.
   J. Rush Fees
      - Sanction request for in-house processing 7 business days or less than the start date of the event will be assessed a $35 rush fee. Online request will not incur a rush fee.

Chapter 4 - Meet Director Responsibilities

This is a summary of some of the responsibilities of the meet director. The meet director needs to be familiar with all sections of the USA Gymnastics Rules and Policies such as meet packet contents and the specifics for the meet if it is a State or higher meet. Also refer to the Meet Organizational Guidelines, which are posted online at http://usagym.org/PDFs/Women/Rules/Rules%20and%20Policies/w-meetorguide.pdf.

The USA Gymnastics Meet Director shall follow the USA Gymnastics Rules and Policies for all sanctioned events.

I. Pre and During Meet Responsibilities

A. It is the responsibility of the meet director to:

1. Mail the “Request for Sanction Form” a minimum of thirty (30) days prior to the meet to the USA Gymnastics Office, along with the sanction fee for all event requests [one form per event requested].
   - Requests received less than thirty days prior to the event will be assessed a late fee.

2. The Meet Director[s] must also sign any contract required by the outside venue. The Meet Director may be a co-signer or an additional signer; however, a minimum of one signature must be the same on the sanction form and the venue contract.

3. Be present during the entire warm-up and competition. It is permissible to indicate two meets by e-mailing sanctions@usagym.org.

4. Follow all regulations found in the Women’s Program Rules and Policies and all technical regulations from Women’s Technical Committee minutes and the Jr. Olympic Code of Points.

5. Verify that all equipment specifications are correct and the equipment is properly installed.

6. Secure judges, which may be acquired through the designated and approved contractor. Level 1, 2, and 3 competitions may be judged by certified Skill Evaluators or certified officials. Contact your State Administrative Chairman for specific regulations for your state.

7. Verify that gymnasts and coaches have included their Athlete or Professional Membership number on the entry form. (It is the coaches’ responsibility to indicate the correct age division, level and citizenship.)

8. Consider all reasonable safety measures when setting up the competition floor. EXAMPLES:
   - Each competitive area should not overlap with another competitive area.
   - There cannot be any obstructions on the Floor Exercise area.
   - There must be sufficient room for mounting, dismounting and vaulting areas.

9. MEDICAL PERSONNEL/PROCEDURES:
   - For local/sectional meets, the Meet Director MUST provide a first aid kit and ice, as well as an organized plan for dealing with medical emergencies.
   - For State and Regional meets, it is strongly recommended that qualified medical personnel [physician, trainer, physical therapist, nurse, etc.] be available at all times during warm-ups and competition.
   - At Level 9 East/West Championships and Jr. Olympic Level 10 National Championships, medical personnel must be present for all training and competition sessions.
   - It is recommended that a small first-aid kit [containing tape, gauze or Band-Aids] be provided at each event so these items can be accessed quickly.
   - An Incident/Injury Report Form is included in the Sanction packet and should be duplicated for use at the competition. Additional forms are available through Member Services and can also be found on the website under Member Services - Forms.
     1) The Meet Director must complete and sign the forms to the best of their ability before making a copy to return with the Sanction Report Form. The Meet Director will then supply the Incident/Injury Report form to the coach/parent/guardian of the injured athlete.
     2) The medical personnel (if present) may complete the portion of the form documenting the injury before the Meet Director signs it.

B. The meet director must be thoroughly versed in the organization and regulations of gymnastics competitions. Any meet director who violates any regulations of the Rules and Policies will be subject to disciplinary action.

C. Upon receipt of the “Request for Sanction Form” and appropriate fee, the USA Gymnastics Member Services department will make available online a sanction packet which includes the following:
   1. Certificate of Sanction, granting approval. This certificate must be posted during the competition.
   2. Sanction Report Form
   3. Coaches’ sign-in sheet
4. Application for a Certificate of Insurance (for events conducted in an outside facility which requires proof of insurance.) The Meet Director must forward this application directly to the insurance company.

5. Incident and Injury report form, is a document, which must be completed in the event that an athlete is injured. The Meet Director and/or medical personnel must complete the report form. The Meet Director must sign it. A copy of the report form must be given to the coach or parent of the injured athlete before they leave the sanctioned facility. The parent then must submit it to the insurance company. The insurance company will not honor an incident/injury report form that has NOT been signed by the official Meet Director.

D. Request for changes to original Request for Sanction:
   1. To change the name of the Meet Director or the date of the event, submit a request in writing to sanctions@usagym.org (or by Fax: 317-692-5212) prior to the start of the event.
   2. If a Certificate of Sanction is received prior to the change, the Meet Director must make the changes on the certificate. A new certificate will NOT be issued.

E. Ensure that all participating officials and coaches have signed the Sanction Report Form and/or Coaches Sign-in sheet.

F. If an event is canceled, written notification must be submitted to USA Gymnastics Member Services prior to the start date of the event. E-mail: sanctions@usagym.org Fax: 317-692-5212.

G. Awards for state meets and above are ordered by a USA Gymnastics elected officer. For all other meets, it is the responsibility of the Meet Director to order awards as designated in Chapter 7, page 69 and Chapter 9, page 106.

H. Meet directors must provide options to play only digital copies of music (MP3 players, computers, tablets, smart phones, etc.) and are no longer required to provide compact disc players. The electronic devices provided by the coach must have a display screen and must be on airplane mode, when applicable.

II. Meet Director Responsibilities Regarding Judges

A. The USA Gymnastics Meet Director will not pay fees that exceed the USA Gymnastics Judges Compensation Package for payment of judges at any sanctioned competition.
   - Meet Directors/host organizations may give gifts to meet officials. The gift cannot exceed a retail value of $20.

B. If so designated by the State/Regional Administrative Committees, the USA Gymnastics Meet Director MAY utilize the NAWGJ as the contracting body for officials for USA Gymnastics Sanctioned Meets.
   - The Meet Director is required to pay a contractor’s fee of $3.00 per contracted judge to the NAWGJ contractor. A Request for Judges Form that is received by the Contractor within 30 days of the competition will be charged $5.00 per judge.

C. Compensation will be paid directly to the individual judge.

D. In the event that the USA Gymnastics Meet Director fails to comply with the terms of the sanction or the USA Gymnastics Rules and Policies, judges may refuse to perform any judging obligations. However, all/both parties should make every immediate attempt/effort to resolve any disputes, in keeping with the best interest of the athletes involved. No such action should ever be taken that would jeopardize or compromise the safety or wellbeing of the athlete.

E. The Meet Director will be bound by the terms of the individual contract agreed upon for that particular meet.

F. A minimum 30-minute break is required for judges between scheduled sessions.

III. Post-Meet Responsibilities

A. Distribution of Results: Meet results must be distributed to ALL participating clubs. This can be done at the meet site, by mail, or by posting on the Internet. Published results MAY NOT include the gymnast’s date of birth. In addition, the Meet Director MUST mail or e-mail a copy of the Meet Results (All-Around and individual event scores for each level and age division) within 72 hours to:
   1. For Local Meets
      a. State Administrative Committee Chairman, or designated State Administrative Committee representative.
      b. Meet Director of the Pre-Sectional, Sectional or State Meet, depending upon the system of qualification.
   2. For Pre-Sectional Qualifiers or Sectional Meets
      a. State Administrative Committee Chairman, or designated State Administrative Committee representative.
      b. Sectional or State Meet Director, depending upon the system of qualification.
   3. For State, Regional, Eastern/Western, National, and NIT championship meet, see the meet specifics for each type of competition.

B. Reports
   1. Financial Reports: The Meet Director of State and above level meets must send a completed Financial
Chapter 4

Report form within 60 days (or otherwise designated time) to the designated person - see meet specific.

- Report forms can be found at the USA Gymnastics website:
  http://usagym.org/PDFs/Women/Rules/Rules%20and%20Policies/w-meetorgguide.pdf or from the State Administrative Committee Chairman

2. Sanction Reports: Complete and return the Sanction Report Form including the Coaches and Officials Sign-in sheets along with copies of any Incident/Injury Report Forms to the USA Gymnastics Member Services Department and the appropriate Regional/State Administrative Committee Chairman within 72 hours.

- Applicable competition fees must be sent to the State/Regional Administrative Committee Chairman of the host state (based on physical location of the meet). See Chapter 3, Sanctions.
Chapter 5 - Meet Officials

Consistent with the provisions of the Amateur Sports Act of 1978, the United States Olympic Committee has designated USA Gymnastics as the national governing body for the sport of gymnastics in the United States. As reflected in its Articles of Incorporation and its conduct under those Articles, USA Gymnastics' responsibilities for governing the sport of gymnastics include the regulation of matters relating to the training, testing, certification and assignment of judges for gymnastics competition conducted or sanctioned by USA Gymnastics.

Please review the Duties and Responsibilities for Professional Members in Chapter One.

I. Contracting of Officials

In order to ensure properly rated officials at all sanctioned events, officials may be contracted through a designated and approved contractor.

A. State Administrative Committees shall determine their officials’ contractor and/or assignor to be used for meets that are conducted under the organizational jurisdiction of the State Administrative Committee.

B. Regional Administrative Committees shall determine their officials’ contractor.

C. USA Gymnastics criteria for selection of officials must be followed.

D. The Meet Director must complete a “Request for Judges” form and send it to the Contractor, with payment of a maximum of $3.00 for each official contracted, by the deadline designated by the State Administrative Committee.

• If the request is received less than 30 days prior to the competition, the fee is a maximum of $5.00 for each official contracted. Assignments for such late requests will be based on availability, since there may not be a sufficient number of certified officials available. Forms can be found on the USA Gymnastics website or contact the State Administrative Committee Chairman.

E. The USA Gymnastics Judges’ Compensation Package will be used at all sanctioned competitions, with the exception of the judging fees for Xcel competitions that have an entry fee of $35 or less. (Refer to Xcel Judging Guidelines.

F. Meet hosts of Invitational competitions or any meets that are not under the organizational jurisdiction of the State Administrative Committee may use the state-approved contractor or may contract the officials directly using a USA Gymnastics contract.

• The Meet Director may also request specific judges (by name or by ratings) when they submit a “Request for Judges” form to the state approved contractor. The Request for Judges Form is available on the USA Gymnastics website under Women’s Program – Forms – Meet Forms or from the State Administrative Committee Chairman or the NAWGJ State Judging Director.

II. Affiliation of Judges

The regulations regarding affiliation are NOT meant to prevent officials from judging, but to prevent unfair situations for the gymnasts.

A. Affiliation of judges with an individual(s) or gymnastics club:

1. A judge is considered affiliated at a specific meet if he/she is:

   a. An immediate family member* of a:
      1) competing gymnast
      2) coach of a competing club
      • A judge whose immediate family member is a coach at a competing club is affiliated with that club regardless of whether or not the family member is on the floor coaching at a specific meet.
      3) club owner/administrator whose club is competing
      4) Women’s Artistic (J.O. or Xcel) team member of a club competing in the meet.

   Example: A parent of a Level 5 gymnast is judging an Optional competition in which her daughter’s club is competing.

   a) An immediate family member of a Men’s, Rhythmic, Acrobatic Gymnastics, or Tumbling/Trampoline Team member of a competing club is NOT considered to be affiliated.

   b) An immediate family member of any child enrolled in a recreational class of a competing club is NOT considered to be affiliated.

   * Immediate family refers to a parent, step-parent, grandparent, or sibling. In addition, it could include any other person living in the household.

2. A person on the payroll of a competing club.

• A judge who critiques or coaches at a specific gymnastics club on a regular (more than once a month) basis is considered affiliated with that club.
c. A Women’s Artistic (J.O. or Xcel) team member of a club competing in the meet.
   
   • Example: A Level 10 gymnast holds a Compulsory rating and is judging gymnasts from her own 
     club at a Compulsory meet.

d. A Coach of a competing gymnast.

e. A Club Owner of a competing club/gymnast.

f. Any sports science professional that is paid for ongoing services for a competing athlete.
   
   • Example: Athletic Trainer, Physical Therapist, Sports Psychologist

2. Judges affiliated with a club, gymnast or coach participating in the competition MAY be assigned to judge, 
   with the following stipulations:

a. In USA Gymnastics qualifying competitions with panels of two (2) or four (4) judges:
   1) An affiliated judge may be assigned as a Panel judge or as the Meet Referee.
   2) No more than one (1) judge with the same affiliation may be assigned per panel.
   3) An affiliated judge may NOT be assigned as Chief Judge, regardless of accreditation rating.

b. In non-qualifying Open Invitationals with panels of two (2) or four (4) judges:
   1) Affiliated judges may be assigned as a Chief or Panel judge.
   2) If any of the Chief Judges are affiliated, the Meet Director must list the judges (and their 
      affiliation) on the pre-meet information.

c. For meets using one-judge panels, an affiliated judge may be assigned ONLY when there are not 
   enough non-affiliated judges available and only with the approval of the Regional Technical Chairman 
   (RTCC).
   1) If the RTCC is affiliated and must be assigned, approval must come from the State 
      Administrative Committee.
   2) An affiliated judge may be assigned to a one-judge panel for Level 1 and 2.

d. If the club with which the judge is affiliated is not participating in the meet to which the judge has 
   been assigned, he/she is NOT considered affiliated at that meet.
   1) If the meet format has separate team and individual awards per session, then a judge would be 
      affiliated only during the session(s) in which the club/team that he/she is affiliated with is 
      competing.
   2) If there is an overall team award for the same levels at the end of the entire meet, the affiliation 
      rules apply for the entire competition.

III. Criteria for Selection of Judges to Women’s USA Gymnastics Competitions

A. General Policies and Procedures at Jr. Olympic Competitions

1. The Technical Committee establishes the criteria for selection of judges to Jr. Olympic competitions. 
   Infractions should be brought to the attention of the Regional Technical Committee Chairman and/or the 
   National Technical Committee Chairman for appropriate action.

2. All assignment of judges will be made according to the USA Gymnastics Rules and Policies, USA 
   Gymnastics Technical Committee criteria for selection and the philosophy as defined herein.

3. The State Administrative Committee selects the Meet Referee and the officials for State Championships. 
   Chief Judge and Panel Judge assignments to specific events at State and Regional Championships are the 
   responsibility of the State or Regional Administrative Committees. It is strongly recommended that the 
   State Administrative Committee and the Regional Administrative Committee ask the assigned Meet 
   Referee to make the Individual Event Assignments. At local, pre-sectional and sectional meets, the 
   assigning official may make the event assignments. Criteria for assignment of judges must be followed.
   • When designating the Chief Judge positions for sanctioned competitions, rating and longevity do not 
     necessarily determine assignment as Chief Judge. Reference the chart later in this chapter for 
     minimum rating required.

4. Level 9 Eastern/Western Championships and Level 10 Jr. Olympic National Championships assignments 
   will be made by the National Technical Committee Chairman, in consultation with the Jr. Olympic 
   Technical Director after reviewing the regional recommendations as well as financial considerations.
   a. The Regional Technical Committee Chairman must submit their Regional Administrative Committee’s 
      recommendations in rank order (or groups in rank order) to the National Technical Committee 
      Chairman (with a copy to the Women’s Jr. Olympic Technical Director) no later than November 1.
   b. Rotation of officials is not required, but may be considered.

5. The Regional Administrative Committee selects the officials for the Regional Jr. Olympic competitions, 
   with the approval of the RTCC, and in consultation with the Regional Administrative Committee Chairman.
   a. The State Administrative Committee must submit their recommendations in rank order (or groups in 
      rank order) to the RTCC.
   b. Rotation of officials is not required, but may be considered.
   c. The Regional Technical Committee Chairman, if unavailable, selects the Meet Referee, in 
      consultation with the Regional Administrative Committee Chairman.
6. Geographical representation is not required, but may be considered in all selection of officials. (See specific competitions.)

7. It is permissible to assign judges from adjacent or neighboring states and/or regions, if necessary, in order to obtain the desired number and appropriately rated judges at minimal cost.

8. In order to be considered for an assignment, all judges must be:
   a. Current USA Gymnastics Women’s Professional or Junior Professional members. Membership requires a current Safety Certification and, for those individuals who are 18 years and older, a criminal background check and **U110 Safe Sport Certification**.
      • The State Administrative Committee determines the judging criteria for Levels 1-3 and the Xcel Program.
   b. Certified and actively judging at the level of meet to which they are assigned.
      In the event that all local judges with the proper rating have been asked and there are not enough properly rated officials available to judge on a specific date, and the format of that local or sectional meet cannot be adjusted to allow the gymnast to be judged by properly rated officials, the assignor uses the following guidelines to assign the meet:
      1) Notify the Meet Director and give them the option of securing properly rated judges from outside their geographic area (or state).
      2) If the above option is not financially feasible, the assignor must notify and receive approval from the RTCC to assign a judge at the next lower level, giving priority to the following:
         1st – a judge who has taken and passed one part of the accreditation exam for the next level
         2nd – a judge who has taken the next level exam, but has not yet passed either part
      3) It is recommended that any judge assigned to judge a level higher than the rating held should be assigned to Vault.
      4) Compulsory meets: Current optional-rated judges are allowed to judge compulsory Vault **ONLY IF** there are not enough available compulsory-rated judges, provided that the RTCC has given permission.
   c. Maintain USA Gymnastics Continuing Professional Education requirements annually; see chart.
      1) If a judge has not completed his/her CPE requirements by July 31st, he/she CANNOT BE ASSIGNED to any USA Gymnastics sanctioned competition until such time that they submit the completed Annual CPE form.
      2) Some states may experience difficulty in securing enough officials who are current with CPE requirements in order to staff a specific competition. If there is an absolute necessity to assign a judge who is delinquent in completing his/her CPE requirements, the judge may be assigned; however, that judge’s compensation will be reduced by $5.00 per hour.
   d. Priorities for assignors after August 1 of each year:
      1) Assign properly rated judges
         a) First, those who have completed annual CPE requirements.
         b) Second, if not enough of the above are available, assign those who have not yet met their CPE requirements.
      2) Only after all possibilities of the above have been exhausted, may the assignor request permission from the RTCC to allow a judge with one rating lower to be assigned.
   e. Holding a specific rating does not insure a judging assignment. Once the availability of judges has been established, the assignors must consider:
      1) Requests by the Meet Director for specific judges or specific ratings.
      2) The minimum rating required to judge the specific meet.
      3) Geographical location of the meet. Attempts should be made to keep the travel costs at a minimum for the Meet Director.

B. “Judges’ Accreditation” is the name applied to the certification process and the process will be a part of the USA Gymnastics University. The “Continuing Professional Education (CPE)” system will be implemented as listed below:
   1. Annual CPE credits are required to be assigned to judge any USA Gymnastics competition.
   2. The accreditation year is August 1-July 31. Credits earned during the months of June and July may be used for the current or upcoming accreditation year.
   3. CPE credits will be calculated in actual clock hours (hours involved in the activity).
   4. The rating a judge holds on August 1 of each year determines the number of CPE hours required for that accreditation year. Entry level judges attaining their rating after the start of the accreditation year are not required to report CPE hours until the following accreditation year. All CPE hours accumulated during that time may be used to fulfill the CPE requirements.
Chapter 5

Examples:

a. If an individual achieved a Compulsory rating for the first time prior to August 1 of 2017, the CPE requirements are due by May of 2018. If this individual upgrades their rating to 6/7/8 after August 1, 2017, they are only required to fulfill the CPE hours required of a Compulsory rated judge, as that was their rating as of August 1, 2017.

b. If an individual achieved a Compulsory rating for the first time after August 1, 2017, the CPE requirements are not due until May of 2019 since he/she had no rating as of August 1, 2017.

5. USA Gymnastics and NAWGJ elected officers (State, Regional & National Chairman/Directors) are exempt from CPE requirements for the years in which they hold office. Also exempt are USA Gymnastics Women’s Program National office staff and National Coaching staff.

• Above-mentioned elected officers also receive full credit for the 12 required volunteer hours for the USA Brevet and National Judges’ Course eligibility.

6. Annual Required CPE hours are as follows:

<table>

a. CPE Clinic Hours are those hours spent:

1) At a State, Regional, or National organized events, such as Congresses, Clinics, Courses or Symposiums. These events must be publicized in advance and open to all judges in the state, region, or nation as applicable to the event. [Exception: eligibility requirement must be met for judges’ courses.] Judging or coaching sessions will be designated as “approved for CPE.”

• Clinicians also receive Clinic hour credits when teaching at such events. Clinicians at Regional or National educational events receive an additional 2 credit-hours for preparation time for every one hour of lecture.

2) CPE Clinic hours may also be earned for attending LIVE USA Gymnastics webinars that have been approved by the Technical Committee, as well as for completing USA Gymnastics University Online Judges Courses.

• A maximum of one-half of the annual required clinic hours may be earned by online courses per accreditation year.

• If extra hours are accumulated from these online educational opportunities, they may be applied as miscellaneous credits.

3) Judges should retain their CPE clinic forms for documentation, with a copy of the Annual Report Form.

b. All clinics eligible for CPE Clinic credit require pre-approval from the appropriate State or Regional USA Gymnastics and NAWGJ officers by submitting the Clinic Approval Form a minimum of three weeks prior to the clinic. USA Gymnastics and NAWGJ officers must return a copy of the signed Clinic Approval Form to the USA Gymnastics National office. All CPE-approved clinics require a sanction and once submitted to the National office, are posted on the Judges home page, select CPE Clinics.

c. It is the responsibility of each judge to pre-print the CPE Clinic Credit form prior to attendance at a pre-approved clinic session. Judges must present the Clinic CPE Credit form for a signature at the conclusion of the clinic or following each session at multi-track Congresses/Symposiums. Clinical CPE activities are to be recorded on a Clinic CPE credit form, which can be found online under Women’s Program-Judges-Judges’ Accreditation forms.

d. Annual Miscellaneous CPE credit: A maximum number of CPE hours may be acquired for the following miscellaneous activities:

1) Coaching (6 hrs.) to be signed by supervisor or club owner.

2) In-gym observation or in-gym critiquing/consulting with coaches and gymnasts (6 hrs.), to be signed by the coach.

• Attendance at state/regional/national training camps may be used as miscellaneous credit-hours; however, if there is a clinician who is specifically assigned to the judges and has an organized agenda for instruction, it may be used for clinic-hours.
3) Volunteering (4 hr.) at a judging-related activity such as a competition or at a USA Gymnastics Congress or clinic. CPE form must be signed by the event coordinator, Meet Director, or Meet Referee. Two of these four hours can come from service as a USA Gymnastics Committee member or NAWGJ Board member.

4) Video or live practice judging at a level equal to or higher than your current level (3 hrs.) Practice judging will require pre-approval from the SJD and/or USA Gymnastics State Administrative Chair. For pre-approval, simply send an e-mail to the appropriate officer requesting permission. Please note that live Practice Judging will also require pre-approval from the Meet Director. This is done by contacting the Meet Referee for the event, not the Meet Director. The practice judge should come prepared with all judging materials and wear the appropriate judging uniform. Video Practice Judging will be recorded in hours and requires written verification from the supervising judge.

5) Miscellaneous CPE activities are to be recorded on the Miscellaneous CPE Credit form, which can be found online under Women’s Program-Judges-Judges’ Accreditation forms.

7. Continuing Professional Education Tracking:
   a. Each judge is responsible for keeping accurate records of his/her CPE activity, including documentation of attendance at the approved CPE experiences. Documentation should correspond to the hours submitted on the Annual CPE Record form.
   b. The USA Gymnastics State Administrative Chairman will be responsible for designating a USA Gymnastics CPE Coordinator for their state. CPE Coordinators must be proficient in Excel spreadsheets. The CPE Coordinator will maintain a list of all judges in the state, the number of CPE hours they completed each year, and the number of clinical hours they will carry forward to the next year.
   c. Each judge is responsible for recording a summary of their total annual CPE hours by category, recorded on the Annual CPE Record form, and submitting their form to their respective CPE Coordinator by May 31 of each year. The Annual CPE Record form is available online under Women’s Program-Judges-Judges’ Accreditation forms or may be obtained from the state CPE Coordinator.
   d. The CPE Coordinator is responsible for sending a master list of all judges in their state, indicating those who have successfully completed their annual CPE requirements to the JO Technical Director at the USA Gymnastics national office, their respective SJD, RJD, and USA Gymnastics State and Regional Chairman by June 30th of each year.
   e. If a judge does not complete all of their required CPE hours within a given accreditation year, they must apply CPE hours from the successive year to make up for the hours they were lacking. When completed, they must still send the proper documentation to their CPE Coordinator, who then sends an updated list to the National Office and their respective State and Regional officers.

   • Note that CPE hours cannot be used twice, meaning if hours are being used to make up for a deficit in the previous accreditation year, those same hours cannot be applied to the current accreditation year as well.
   f. The National Office will conduct audits each year that will require randomly selected judges to submit actual documentation of their CPE, as reported to the CPE Coordinator, to the USA Gymnastics National office. Any judge who fails to provide documentation of actual CPE hours as reported will be subject to disciplinary actions as stated in Article 9 of the USA Gymnastics Bylaws.
   g. Should a judge exceed the total minimum number of CPE hours required of their rating in an accreditation year, and the excess is in the category of Clinic Hours, they may carry forward the excess Clinic hours up to the maximum number of carry-over clinic hours allowed as designated by their rating. Excess miscellaneous hours may not be carried over.

   Example: A National judge is required to earn a TOTAL of 20 total CPE hours, 10 of which MUST be Clinic hours.
   1) Earns a total of 24 CPE hours: 14 Clinic hours and 10 Miscellaneous hours – There is an excess of 4 clinic hours beyond the required 20 hours, so 4 clinic hours may be carried over.
   2) Earns a total of 20 CPE hours: 12 Clinic hours and 8 Miscellaneous hours for the minimum 20 hours required of that rating. No carry-over of Clinic hours is possible since the total number of required hours for that rating has not been exceeded.

C. Junior Olympic Competitions
   ALL JUDGES FOR THE FOLLOWING COMPETITIONS MUST POSSESS A CURRENT JUDGING CERTIFICATION AT THE LEVEL TO WHICH THEY ARE ASSIGNED. All judges assigned to the Jr. Olympic State, Regional, Eastern/Western and National Championships shall have been actively judging within the corresponding Jr. Olympic Level [Compulsory or Optional] during the competitive season, and shall be current Professional [or Junior Professional] Members of USA Gymnastics with current Safety/Risk Management Certification and, for those who are 18 years and older, a Criminal Background Check and U110 Safe Sport Certification. 1. Judges MUST report to the judges’ meeting/hospitality room 30 minutes prior to the scheduled march-in for local and invitational competitions, unless otherwise specified by the Meet Referee. Judges’ compensation will begin at the scheduled report time. Any official who does not report within five (5) minutes of the scheduled report time will be compensated from the first scheduled march-in time.
2. Reporting time for those competitions requiring video analysis may be up to one (1) hour prior to march-in. The Meet Referee will specify the reporting time.

B. Travel
1. The standard IRS rate will be paid for the entire round-trip mileage for all drivers, including those who drive to meet a carpool. Judges must submit MapQuest-type documentation in order to be reimbursed for mileage.
   • Any increase or decrease in the IRS mileage fee will only be recognized and used when the increase or decrease is a full cent. Less than a full cent increase/decrease will not be recognized. IRS mileage rate changes are announced in December of each year and will be posted on the USA Gymnastics website, with the new rate effective in January.
2. Riders’ fees are not paid.
3. Plane, train or bus travel expenses as stated on the contract shall be paid in full by the Meet Director. The total mileage cost should not exceed the cost of an airline ticket to the same location if the Meet Director requests that the judge purchase their own airfare or other means of travel.
   a. If the judge requests to drive, instead of fly, the Meet Director must determine the cost of the airline ticket and communicate that information to the judge in order for the judge to be aware of the maximum reimbursement.
   b. If the Meet Director requests that the judge purchase their own airfare or other means of travel, the judge must communicate the cost to the Meet Director for approval prior to finalizing travel plans.
4. Mileage to and from the airport, tolls, airport parking, fees for one bag (but not overweight bag charges), taxi or limousine service as stated on the contract shall be paid by the Meet Director. These expenses must be listed on the contract and be approved by the contracting official in order to be compensated by the Meet Director. Only standard and customary expenses with accompanying receipts will be reimbursed in the actual amounts.
5. For competitions that span over two or more days and:
   a. Overnight accommodations are not necessary, round-trip mileage will be paid for each day.
   b. Lodging is provided to the judges by the Meet Director:
      1) If a judge chooses to return home and drive back the second (and successive) days, round-trip mileage will be paid only once, unless pre-arrangements have been made with the contracting official and the Meet Director.
      2) When calculating mileage for meets requiring overnight accommodations, include MapQuest-type documentation of the total miles from home to hotel, to and from competition venue, and return to home.
6. No other expenses [such as baby-sitters, car repairs, car rental, reimbursement for lost salary, or other normal work-related expenses] will be paid.

C. Lodging
1. If a judge must stay overnight prior to, during or following the competition, lodging must be provided and paid for by the Meet Director.
2. The form of accommodation must be specified in the judge’s contract. Accommodations based on double occupancy in a room must provide two beds, which cannot include a sleeper sofa.
3. Whenever there is an early-morning report time and/or a late finish time, it is recommended that the Meet Director provide the option for the judges to stay at a hotel. Distance and/or weather conditions should be considered.

D. Per Diem
1. Meet Directors may either provide judges’ meals or pay per diem, according to type of meet listed below.
   a. Meals provided by the Meet Director should be nutritional and not just concession type food.
   b. Judges with dietary restrictions should bring their own food.
   c. It is inappropriate for a judge to provide his/her family with meals in (or from) the judges’ hospitality area.
2. **Day (Local) Meets**
   a. No per diem will be paid (or meals provided) for competitions that require the judge to be at the meet site for less than 3 hours, unless round trip mileage is 100 miles or more. These rates are determined regardless of departure or arrival time to the judge’s home.
   b. Per Diem compensation should be paid to the judges at a rate of:
      1) $15.00 Diem - When on-site responsibilities are at least 3 hours but less than 8 hours. (Time begins with reporting time to include meetings and competition.)
      2) $30.00 Diem - When on-site responsibilities are 8 hours or more. $15.00 per meal (up to a maximum of $30.00 per day) is assessed for any meals not provided by the Meet Director.
   Clarification: Reimbursement for breakfast is not considered for day (local) meets which the judge travels to and from the meet site in one day.

3. **Overnight Meets**
   All meals not provided by the Meet Director are compensated at a rate of $15.00 per meal, with a maximum of $40.00 per day.

E. **Modifications**
   1. If any conditions on the contract are altered, it is the responsibility of the Meet Director to contact the individual judge[s] and the CONTRACTING OFFICIAL and provide that information to BOTH. Additional days or sessions are considered "non-contractual" and could result in the judge voiding the contract.
      - Additional assigning fees of $1.00 per judge may be charged by the contracting official if called upon to notify the judges of any changes.

F. **Cancellation**
   1. If the contract obligations are not fulfilled by either party because of extenuating circumstances, no mandatory penalties will be applied to either party. Example: Inclement weather [prohibiting travel] or grave illness.
      - When inclement weather exists [weather which delays or prohibits safe travel for the judges], the Meet Director is responsible for the judges’ lodging and meals. Judges will be accommodated with minimal expense and could be lodged in private homes with food provided. Hotel/Motel rooms are compensated ONLY if approved by the Meet Director.
   2. Failure to comply with the contractual agreement will result in the following:
      a. On the Meet Director’s part:
         1) A minimum of 14 days’ notice is required for amendments or cancellation of officials. If cancellation of officials occurs less than fourteen days prior to the meet and the officials are not re-assigned to another competition, the Meet Director is responsible for payment of 2 hours honorarium per judge and any non-refundable expenses incurred.
         2) Regardless of the timing of the cancellation of the meet, if the judge has purchased a non-refundable airline ticket, the meet director is responsible for reimbursing the judge for the “change fee” charged by the airlines to use the ticket for a future flight. In order to receive future credit for the cancelled flight, the judge must contact the airlines PRIOR TO THE SCHEDULED DEPARTURE to cancel the originating flight and must rebook a flight within one year of the DATE OF ISSUE of the original ticket by providing the ticket number. If the ticket is not cancelled prior to the scheduled departure, it becomes null and void.
      b. On the Judges’ Part
         1) If a judge is unable to fulfill a contract due to personal reasons, she is obligated to contact the assignor to determine which officials may still be available and call a proper replacement. If she fails to contact the assignor or does not give a minimum of 14 days’ notice to the assignor and/or the Meet Director, a penalty of 2 hours honorarium and any non-refundable expenses incurred by the Meet Director will be paid to the Meet Director by the judge.
         2) Regardless of the timing of the cancellation on the part of the judge, if the Meet Director has purchased a non-refundable airline ticket, the judge is obligated to contact the airlines PRIOR TO THE SCHEDULED DEPARTURE to cancel the originating flight and to then reimburse the Meet Director for the cost of the ticket. The judge is then able to use the credit (minus a “change fee”) to purchase another airline ticket for themselves within one year from the DATE OF ISSUE of the original ticket by providing the ticket number. If the ticket is not cancelled prior to the scheduled departure, it becomes null and void.
II. Judging Compensation

A. Hourly Meet Fees

1. Judges will be paid an hourly fee, according to their rating, with a minimum payment of three hours per day. For meets with multiple sessions per day, judges are to be provided a 30-minute break time between scheduled sessions. The daily number of paid hours is calculated by subtracting the required break time (number of sessions minus 1 = number of required 30-minute breaks) from the total time at the meet (from start of report time/official's meeting to the completion of all four events for the day).

Examples:

a. Three session meet: Report time for officials’ meeting is at 8:00 AM, march-in/competition begins at 8:30 AM and the last session ends at 8:00 PM. Two 30-minute breaks were provided. Total time from report time to end of competition in the last session that day is 12 hours. Deduct the required one hour of break time (two 30-minute breaks); the judge will be paid for 11 hours. If both break times between sessions were one hour instead of 30 minutes, there would be a total time of 13 hours (report time at 8:00 AM; meet ends at 9:00 PM), deduct 1 hour of required break time and judges would be paid for 12 hours.

b. Four session meet: Report time 8:00 AM; break between sessions 1 & 2 is 30 minutes; break between sessions 2 & 3 is 45 minutes; break between sessions 3 & 4 is 40 minutes. Meet is completely over at 9:20 PM. Total time at meet is 13 hrs. 20 minutes, so round up to 13.5 hours. Subtract 1.5 hrs. for the required break time (3 x 30 min.) for a total of 12 paid hours.

2. If the required break times have not been provided, payment for the day is calculated from the contracted report time to the end of the entire competition for that day.

3. At State, Regional and Nationals competitions which require a video analysis (Base Score) in addition to the judges’ meeting, the paid judging time starts with the scheduled report time, up to one hour prior to the scheduled march-in time.

4. A portion of the hourly rate may be broken into halves, not less. Calculate the total time at the meet, then round off to the nearest half-hour (i.e., a total of 8 hours 15 minutes will be considered as 8 hours; a total of 8 hours 16 minutes will be considered as 8½ hours). Do not round up for each session. Subtract the required break time from the total (or adjusted) time at the meet to determine the number of hours for which to be paid the hourly rate based on rating.

5. The fee scale indicated in this document will be applicable for all USA Gymnastics Sanctioned Events unless otherwise specified in advance by the USA Gymnastics President.

6. This Judges’ Compensation Package is in effect for all USA Gymnastics competitions, as specified, with exception of judging fees for Xcel meets with entry fees of $35 or less.

B. Judges’ Fee Scale for Level 1-2 Competitions

The hourly judging fee for a professional member who is not a rated official and is assigned to judge a sanctioned Level 1-2 competition may be negotiated by the Meet Director. The negotiated fee may not exceed the hourly rate for a Level 4/5 judge. If the State Administrative Committee organizes a statewide Level 1-2 competitive program, the State Administrative Committee may designate an hourly rate for a non-rated Professional member in order to maintain consistency.

C. Championship Meet Fees

Judges shall receive a daily or flat rate, according to ratings. The Daily Rate applies to all meets of more than four hours - up to eight hours of actual judging time. Half-day competitions (up to 4 hours of actual judging time) will use the Half-Day Rate. For JO Regional Meets only, any additional time over eight hours/day will be compensated at the regular hourly rate.

STATE CHAMPIONSHIPS FEES – Judges’ fees for State meets may be negotiated by the State Administrative Committee and the chief official of the contracting organization, but cannot exceed the basic fee schedule.

D. Chief Judge/Meet Referee Payment (Applies to Jr. Olympic meets only)

1. A Meet Referee/Chief Judge shall receive an additional $10.00 per day at the following USA Gymnastics competitions:
   a. State meets with four-judge panels
   b. USA Gymnastics Regional Championships, regardless of the number of judges per panel.
   c. Level 9 East/West Championships and Level 10 National Championships.

2. No dual compensation is given if the Meet Referee also serves as a Chief Judge.

3. The Meet Referee shall be paid the hourly fee for the time during which she/he is conducting official on-site Meet Referee responsibilities.

4. Chief Judge/Meet Referee fees are NOT paid at state meets with two-judge panels, or at any local/sectional meets.
III. Xcel Judging Guidelines

A. Judging Criteria: may be determined by the State Administrative Committee (example, ratings, number of judges per panel etc.).
   1. A Level 7/8 rating is required for Platinum and Diamond divisions.
   2. If there is a lack of qualified judges, the assignor must contact the RTCC for permission to assign a lower rated judge, if necessary.

B. Recommendation: two judge panels.

C. An Affiliated Judge: can be used.

D. Affiliation: there may not be more than one judge per panel with the same affiliation.

Chapter 6 - Xcel Competitive Program

I. Overview
The USA Gymnastics Xcel program was developed as an alternative competitive program offering individual flexibility to coaches and gymnasts. The goal of Xcel is to provide gymnasts of varying abilities and commitment levels the opportunity for a rewarding gymnastics experience.

ATHLETES: MUST HAVE A USA GYMNASTICS INTRODUCTORY OR ATHLETE MEMBERSHIP TO COMPETE AT A SANCTIONED EVENT.

- If a gymnast has never competed in the USA Gymnastics Jr. Olympic Program (Levels 1-10) and wishes to compete in the Xcel Program, she may choose to register as an Introductory Member.
  - If at a later time in the same competitive year she wishes to move to JO Levels 3 or 4, she must upgrade her membership by submitting a regular Athlete Membership application and paying the difference in price.
- If a gymnast already has an Athlete Membership she is not required to change or purchase a new membership for Xcel. However, she must change to her appropriate Xcel division. This can be done online through USA Gymnastics.
- Athletes competing in both Xcel and the JO Program in the same competition year should register as an Athlete member.
- Athletes must have the appropriate Xcel division OR JO level box checked before participating in a sanctioned USA Gymnastics competition.

A gymnast may compete in a maximum of two (2) State meets per competitive year (one per season), either at the same or higher division.

A gymnast is not required to compete in the All-Around. If she chooses not to compete in the AA, she must touch the event(s) she is NOT competing. Her scores may count towards team scores.

The Xcel program includes five competitive divisions – Bronze, Silver, Gold, Platinum, and Diamond.

Xcel competitions are conducted throughout the United States and are organized by the USA Gymnastics State and Regional Administrative Committees. Each state has the jurisdiction to determine its state calendar, according to the needs of its members. An Xcel COMPETITIVE YEAR is defined as the period from August 1 through July 31. A COMPETITIVE SEASON is defined as that period from the first designated qualifying competition through the culminating Championships at each division.

II. Age Requirements, Entry Divisions, and Mobility Scores

A. In the spirit of good sportsmanship, fairness to all athletes and competitive balance, the mobility system within the Xcel Program should be followed in the manner that it was intended:
   1. Before moving up a competitive division, every athlete should show proficiency at her current competitive division.
   2. Once a high level of proficiency is achieved at the athlete’s current competitive division, she should strive to move up to the next competitive division, as long as it is done safely.
   3. For athletes to repeat a competitive division with the intent to gain an advantage over other competitors or teams IS NOT in the spirit of the Xcel Program or youth sports in general.
   4. No mandate scores are permitted at any competitive division.
   5. The Xcel program’s purpose is to provide competitive opportunities for all athletes, regardless of their age, ability level, or training commitment in terms of hours and/or finances.

B. Age Determination and Regulations
   1. All gymnasts must reach the minimum age for the division before competing in any USA Gymnastics sanctioned competition (see chart on the next page).
   Example: Bronze State meet date is Dec. 1; the last Bronze State Qualifier is November 17, the gymnast will turn the minimum age for Bronze (5 yrs. old) on November 28th. She is ineligible to compete in the qualifying meet, and therefore does not have the opportunity to qualify to the Bronze State Championships that season.
   2. For invitationals and qualifying meets below the State Championships, the Meet Director may determine the age divisions and must publish such information in the pre-meet information.
   3. For all meets under the jurisdiction of the State or Regional Administrative Committees, the respective committee may determine the method of determining age divisions. There are two options.
a. Age groups for the season: established by specific ages (i.e., 8-10 yr. olds, 11-12, etc.).
   1) In this case, the age divisions should be determined and published PRIOR to the competitive
      SEASON and the only adjustments that may be made during the season are sub-divisions of the
      age groups.
   2) The gymnast’s age for the competitive season is determined by the date of the final day of
      competition at the culminating championship meet for that level. Exception: The gymnast must
      have reached the minimum age for her level prior to entering any qualifying competition.
   3) The gymnast must compete with the age division as designated for the entire season.
   4) Published results MAY NOT include the gymnast’s date of birth.

b. Age groups for each competition: established by dividing the athletes by actual birth date into
   approximately equal groups according to a pre-determined number of age divisions or by a pre-
   determined maximum number of athletes per age division.
   1) Meet Directors must publish or post online the meet schedule with age divisions as soon as
      possible after the entry deadline.
   2) Published results MAY NOT include the gymnast’s date of birth.

4. If a gymnast competes in the wrong age division, her scores are invalid for the meet [may not be used for
   All-Around, Individual Events or Team awards]; however, the score achieved may be used for division
   mobility.
   • If, due to valid unforeseen circumstances, a gymnast is unable to compete with her designated age
     group, she may compete on another day [or in another session] with the approval of the SACC. She
     will not be eligible for ANY awards. Her score may be used for mobility or qualification purposes [if
     qualification is by score, not placement or percentage in a given age group] to the next meet.

C. Entry into XCEL Divisions
   1. Gymnasts that have no previous competitive experience may enter at Bronze or Silver, at their coach’s
      discretion. The Gold Division is NOT an entry division. The Mobility Score from Silver to Gold is 31.00 AA or
      8.0 IES.
   2. Gymnasts currently competing in the XCEL program must follow the chart above for mobility.
   3. Any athlete who has previously competed in the XCEL, but has been inactive for one or more years, must
      contact their State Administrative Committee Chairman for proper entry regulations. The options are:
      a. Remain at the Division at which they last competed.
      b. Move up one Division if they achieved the mobility score during their last season.
      c. Move down one Division without petitioning.
   4. Any gymnast who has had previous competitive experience in programs outside of USA Gymnastics must
      petition to enter at Gold and above by submitting a formal written request to the State Administrative
      Committee.
   5. Any gymnast who has had previous competitive experience in USA Gymnastics and who is a minimum of
      14 years of age OR is at least a freshman in High School is eligible to petition by submitting a formal
      written request to the State Administrative Committee for entry into Platinum or Diamond. The petition
      must be accompanied by a video that demonstrates her skill level.
      • Athletes (US citizens or Non-US Citizens) who have resided outside the US, have competitive
        experience outside the US, and now reside in the US, are eligible to petition by submitting a formal
        written request to the Regional XCEL Chairman for entry into the XCEL Program at Platinum or
        Diamond. The petition must be accompanied by a video that demonstrates the skill level for which
Chapter 6

she is submitting the petition and proof of residency outside the US. For additional information on foreign athlete participation, please refer to Chapter 2, page 23.

6. Since the Xcel program is an alternative/separate program, IT CANNOT BE USED TO SATISFY MOBILITY REQUIREMENTS IN THE JO PROGRAM.

D. Dropping Back through the Divisions

1. The State Administrative Committee must determine, prior to the beginning of the competitive year, a designated “declaration” date for each division. The highest division in which the athlete competes in a sanctioned competition after the “declaration” date designates her division for the remainder of the current season.

2. If the athlete competed at an Xcel State Championships (or higher) and wishes to drop back through the divisions, her coach must submit a “reason for change” letter.
   a. For Bronze, Silver, and Gold Divisions, the “reason for change” letter is sent to the State Administrative Committee.
   b. For Platinum and Diamond Divisions, the “reason for change” letter is sent to the Regional Technical Committee.

E. A Level 10 JO gymnast may petition for entry into the Xcel program by sending a “reason for change” letter FROM HER COACH to the National Xcel Committee Chairman.

1. All petitions must be received at least two weeks prior to the Xcel State Championships.

2. The National Xcel Committee will review the petition and the Chairman will notify the coach of the acceptance/denial of the petition and will copy the respective State and Regional Administrative Committee Chairmen and the Regional Technical Committee Chairman.

3. Accepted petitioned athletes may not re-enter the JO Program as a Level 10 during the JO competitive year (through JO National Championships of the year in which she competes in the Xcel program).

4. Clarification: An athlete is considered an Xcel athlete when she enters her first USA Gymnastics sanctioned event in an Xcel division.

5. If a JO Level 8 or below athlete wishes to enter the Xcel Program in a Division below the allowable Division, her coach may submit a “reason for change” letter to the State Administrative Committee Chairman for approval. If a JO Level 9 or 10 athlete wishes to enter the Xcel Program in a Division below the allowable Division, her coach may submit a “reason for change” letter to the Regional Technical Committee Chairman for approval.
   • Valid reasons would include injury, illness, or other extenuating circumstances that would have prevented the athlete from continuing to train at the level at which they previously competed.

III. Other Competition Experiences

Competition Experience Policies

A. Individual Event Specialists: the mobility score for advancement to the next division for Individual Event Specialists at Gold is 8.0 per event to move to Platinum, and at Platinum is 8.0 per event to move to Diamond.

B. Athletes who are limited in the number of events in which they can perform due to a permanent physical handicap (verified by a physician) may petition to qualify to higher division by achieving an average score equal to the average of the All-Around qualifying score for that division.

IV. General Procedures for Petitions for USA Gymnastics Xcel Competitions

A. Petitions may be considered for the following reasons:
   • Injury, Illness or family tragedy [e.g., death, natural disaster]

B. If an athlete is injured prior to a qualifying meet, but is capable of competing in one, two or three events, she may compete in the qualifying meet without jeopardizing her right to petition to the next competition.
   • If a gymnast COMPLETES all four events in a qualifying meet, she is not eligible to petition and advance to the next competition.

C. The coach (or club administrator) is responsible for submitting all necessary documentation for the petition on behalf of the petitioning athlete.

D. Entry fees for petitioned athletes should be submitted by the entry deadline. If the petition is denied, the Meet Director must refund the entry fee within three weeks.

F. Specific procedures for State and Regional competitions are in the sections for those events.

4. Any Professional or Jr. Professional member or Introductory Coach is allowed to judge Xcel; however, the State Administrative Committee determines if any additional criteria will be used for state qualifying competitions and State Championships.

5. Results from local meets need to be mailed or e-mailed to the State Administrative Committee Chairman or designated state administrative committee representative and the meet director of the State Championships.

D. State Championships

1. Are under the total jurisdiction of the State Administrative Committee and State Administrative Committee Chairman.
   • The format and number of athletes must be approved by the RXCC and RTCC.

2. May be conducted for all divisions, at the discretion of the SAC.

3. May be conducted in the fall and/or spring for all divisions, at the discretion of the State Administrative Committee.
   • For those divisions that have a Regional competition, the respective State Meet must be scheduled a minimum of three weeks prior to the Regional meet. Any deviation to that guideline must be approved by the Regional Administrative Committee Chairman.

4. The State Administrative Committee determines the number of judges per panel, selects the judges and Meet Referee, and may determine the event assignments. It is recommended that the State Administrative Chairman ask the Meet Referee to make the event assignments.

5. A present Xcel gymnast who competed in the same division the previous year and competed in the previous year’s Regional Championships (and fulfilled the qualification requirements or achieved a score equal to or greater than the current year’s respective State Meet qualifying score) may directly enter the current year’s State Meet in her respective division.

6. Entry forms and fees for Xcel Regional meets must be filed and paid (with a club/company check), unless an electronic entry system is in place, to the USA Gymnastics designated official at the qualifying meet, who will forward them to the Meet Director of the next meet. Entries for Regional meets must be submitted to the designated USA Gymnastics personnel at the respective State Championships. Each club must be prepared to pay for all their qualifiers with one company check per level.

7. PETITIONS TO STATE CHAMPIONSHIPS [ALSO SEE GENERAL RULES FOR PETITIONS - CHAPTER 6 PAGE 49]
   a. NO petitions are allowed if the qualification to the State Meet is by a percent of a percent or a designated number of each age division and not by score.

   b. If a gymnast is unable to compete at the Sectional or any local State-qualifying Meet (or cannot compete in the All-Around at State Meet due to injury or illness prior to or during the State Meet), her coach may petition the State Administrative Committee Chairman to allow the athlete to directly enter the State Championships, if the following requirements are met and documentation is included with the petition form:
      1) If there is a qualifying score: A photocopy of the results of one sanctioned meet from the current season showing a score, which is equal to or greater than the state qualifying score.
         • If the gymnast competed in the same division in the previous season and qualified to the State meet or above, she may petition with the previous year scores from State or above meets.
      2) Written request from the coach.
      3) A Licensed Medical Professional’s written verification of the illness or injury and date of release for return to gymnastics activity.

   c. If an athlete who is unable to compete at any Sectional or local State-qualifying meets in the current season (or cannot compete AA at such events) due to injury or illness and is also lacking scores from last year’s season due to injuries but has previously qualified to and competed in the State or above division competitions at the same level, an injury petition may be considered under special circumstances by the State Administrative Committee Chairman. If necessary, the Regional Technical Committee Chairman and the Regional Xcel Committee Chairman will be consulted. The petition must include:
      1) A copy of meet results from the previous State or Regional competition with scores, which are at least one point higher than the current State qualifying score.
      2) A current video.
      3) Written request from the coach or parent.
      4) A Licensed Medical Professional’s written verification of the illness or injury and date of release for return to gymnastics activity.
d. Petition Deadlines: petitions to the State Meet must be received no later than the Wednesday after the last qualifying meet is held. Petitions must be sent to the State Administrative Committee Chairman by e-mail, Express Mail or FAX.

1) The petitioner will be notified of the approval or denial of the petition by the State Administrative Committee Chairman no later than one week before the competition.
2) The State Administrative Committee Chairman will notify the Meet Director of the approval or denial of the petition no later than one week before the competition.
3) If a petition is accepted but the gymnast is unable to compete, the coach MUST notify the Meet Director and the State Administrative Committee Chairman.

8. USA Gymnastics Xcel Awards for State Championships must be ordered from the national medal company by the State Administrative Committee Chairman, or designee. Awards should be ordered a minimum four (4) weeks before the competition.

9. Results from State Championships need to be mailed or e-mailed to the Regional Administrative, and Technical Committee Chairmen, Regional Meet Director, and the State Chairman of the respective state within 72 hours.

10. The State Meet Director must send a Financial Report to the State Administrative Committee Chairman within 60 days of the completion of the meet.

E. Regional Championships

1. Are under the total jurisdiction of the Regional Administrative Committee.
   a. The format and number of athletes must be approved by the Regional Xcel Committee Chairman and Regional Technical Committee Chairman.
   b. Entry fees for Xcel Regional Championships are determined by the Regional Administrative Committee, and must be approved by the National Administrative Committee Chairman.

2. May be conducted for all Xcel divisions.

3. State team competition may be conducted as a separate competition (with a designated number of athletes qualifying by rank order) or as part of the individual competition in which each state designates which individual’s scores will count toward the State team score.

4. If a state has no qualifiers in a particular division to Regionals, the gymnast with the highest AA from the State Championships (from any of the age divisions) will be invited to compete at the Regional meet, regardless of the score.

5. The Regional Administrative Committee may guarantee up to 120 gymnasts to Regional Championships if there is an insufficient number of athletes who achieved the qualifying score.

6. The Regional Administrative Committee selects the judges and determines the number of judges per panel.

7. If the number of athletes in one age division requires that two sessions of competition be conducted, the Meet Director shall conduct a random draw by team to fill the sessions.

8. Regional Meet Directors must send regional meet information to the State Meet Director, with copies to the Regional Xcel Committee Chairman, Regional Technical Committee Chairman and Regional Administrative Committee Chairman at least one week prior to the State Championship.

9. Entry forms and fees for Regional Championships will be collected by the USA Gymnastics designated official at the State Championships and sent to the Regional Meet Director, unless an electronic entry system is in place.

10. Petitions To Regional Championships [Also See General Rules For Petitions Chapter 6, page 49]
   a. There are NO petitions to Regional Championships if qualification is by a percentage or by specific number.
   b. If a gymnast is unable to compete at the State Meet (or cannot compete in the All-Around at State Meet) due to injury or illness prior to or during the State Meet, her coach may petition the Regional Technical Committee Chairman (or Regional Technical Assistant, if so designated) to allow the athlete to directly enter the Regional Championships, if the following requirements are met and documentation is included with the petition form:
      1) A photocopy of at least one pre-state, sanctioned meet results from the current season [at the division to which they are petitioning] showing a score at least one point (1.00) greater than the regional qualifying score OR
         a) If the gymnast competed in the same division in the previous year’s Xcel Regional Championships and her AA score was at least one point (1.00) greater than the current Regional qualifying score, she may submit her last year’s Regional score as her pre-State meet score.
      2) A Licensed Medical Professional’s written verification of the illness or injury and date of release for return to gymnastics activity.
      3) Written request from the coach.
   c. If an athlete who is unable to compete at the State Championships (or cannot compete AA at State...
Meet) due to injury or illness is also lacking scores from both the current and last year’s season due to injuries but has previously qualified to and competed in Xcel Regionals at the same division, an injury petition for the same division may be considered under special circumstances by the Regional Technical Committee Chairman and the Regional Xcel Committee Chairman. If necessary, the State Administrative Committee Chairman and the National Chairmen (Xcel and Technical Committee) will be consulted. The petition must include:

1. A copy of the meet results must be included with the petition form. The scores from the previous Regional competition must be at least one point higher than the current Regional qualifying score for the division.
2. A current video that is sent to both Regional officers.
3. A Licensed Medical Professional’s written verification of the illness or injury and date of release for return to gymnastics activity.

The Regional Technical Committee Chairman (or her appointee) will handle the petition, in consultation with the Regional Xcel Committee Chairman and the State Administrative Committee Chairman. If an agreement cannot be reached, the Regional Technical Committee Chairman will make the decision.

e. Deadlines for Petitions to Regional Championships:
1) Coaches must notify their Regional Administrative Committee Chairman AND their Regional Technical Committee Chairman by FAX or e-mail NO LATER THAN the Monday following the State Championships of any athletes they intend to petition to their Regional meet.
2) The complete Injury/Illness petition form found online at https://usagym.org/PDFs/Forms/Women/injury2015.pdf, The request in writing from the coach and official results are due the Monday following the State Championships by 5:00pm local time. All other required documents (physician’s note) are due the Wednesday following the State Championships by 5:00pm local time. Also send a copy to the State Administrative Committee Chairman.
3) The Entry form and fees must be sent directly to the Meet Director, specifically marked as “Petition pending”. If the petition is denied, the Regional Technical Committee Chairman will contact the Meet Director, who will refund the entry fee.
4) If the gymnast was injured at the State Championships, the entry fees and form should be given to the USA Gymnastics officer who is designated to collect Regional entries at the State meet, unless an electronic entry system is in place. (Fees will be returned within three weeks if the petition is not accepted.)
5) The petitioner will be notified of the approval or denial of the petition by the Regional Technical Committee Chairman a minimum of one week prior to the Regional meet.
6) The Regional Technical Committee Chairman will notify the Meet Director of the approval or denial of the petition.
7) If a petition is accepted, but the gymnast is unable to compete, the coach must IMMEDIATELY notify both the Meet Director and the respective Regional Technical Committee Chairman.

11. Awards:
USA Gymnastics Xcel Awards for Regional Championships must be ordered from the national medal company by the Regional Administrative Committee Chairman (or designee). Awards should be ordered a minimum four (4) weeks before the competition.

12. Results of Regional Meets must be e-mailed within 72 hours to:
 a. State Administrative Chairmen in that region, the Regional Xcel, Technical, and Administrative Chairman.
 b. The Meet Director must send the Financial Report form within 45 days (or otherwise designated time) to the Regional Administrative Committee Chairman.

**Apparatus Requirements for Xcel Competitions**

**I. General Considerations**

**A.** Athlete safety guidelines, as listed in the *USA Gymnastics Safety Handbook*, should always be considered.

**B.** It is recommended that there be a clearance of 5’ to 6’ from one apparatus to any other. This includes corresponding mat area or any other obstruction, i.e., other apparatus, walls, pillars, etc.

**C.** It is recommended that there be a minimum of a 20-foot ceiling height for all USA Gymnastics sanctioned competitions.

**D.** Equipment specifications, including vault runway thickness, must be published in the pre-meet information.
• Exact bar measurements must be listed on bid forms for sectional and above meets.

E. Bronze, Silver, Gold gymnasts may set the equipment to facilitate the exercise within the standards listed on each event below.

F. All equipment and matting used at a USA Gymnastics-sanctioned competition must be manufactured by a recognized equipment manufacturer.

G. Matting Height Specifications:

1. COMPETITION LANDING MATS FOR VAULT, BARS AND BEAM
   a. One 10-12 cm (4”) competition landing mat is required; a second 10 -12 cm (4”) may be placed on top of the required mat for compulsory and optional competition. If a second 10-12 cm (4”) mat is used for Platinum or Diamond, it must be a minimum of 7’ by 10’.
   b. Maximum height is 24 cm (9”).
   c. 20 cm (8”) competition landing mats are also allowed (but are not required).
      1) For vault, if 20 cm (8”) mats are used, it is recommended that the Meet Director make every effort to also provide one 10-12 cm (4”) competition landing mat.
      2) For Bars and Beam, in order to use a 20 cm (8”) mat, the apparatus must be capable of being raised to the FIG maximum height allowance (High Bar – 246 cm; Beam – 125 cm).
   d. A 3 cm (1¼”) base mat must be used if a 10 cm (4”) competition landing mat is used. When using 12 (4”) – 20 cm (8”) mats, a base mat is not required.
      • The 3 cm (1¼”) base mat may be placed underneath or on top of the competition landing mat.
   e. The area under the apparatus and/or in the landing area must be matted with competition landing mats that are uniform in height.

2. Supplemental Matting (Skill Cushions) For Vault, Bars and Beam (See V. for Floor Exercise matting)
   a. Up to 24 cm (9”) of any combination of supplemental matting [skill cushion(s), throw mat and/or sting mat(s)] is allowed in addition to the maximum allowable competition landing surface of 24 cm (9”).
   b. Whenever a full 20 cm (8”) skill cushion is used, it must be a minimum of 5’ x 10’; however, it is recommended that it be as close as possible to the same dimensions as the competition landing mat.
   c. Whenever a 10 cm (4”) supplemental mat (“throw” mat) is used in Platinum and Diamond it must be a minimum of 7’ by 10’.
   d. Any dimension of sting mat is allowed.

H. Springboard/Mounting Specifications

1. Only unaltered manufactured vaulting boards that meet FIG specifications (22 cm ± 1.5 cm) are approved for USA Gymnastics competitions. The height of the board is measured from the floor to the highest point of the board, including the covering. Exceptions:
   a. Bronze and Silver may use a manufactured “Junior” vaulting board.
   b. Xcel Bronze, Silver, and Gold athletes may use alternative springboard apparatus, provided they are manufactured by a gymnastics equipment manufacturer. The apparatus should resemble the shape of a vault board, with a maximum of 38 cm (15 inches) at the high end and a maximum of 10 cm (4 inches) at the low end. The surface producing the “spring” may be other than the traditional coil springs, such as an air bladder or small trampoline bed.
   c. If an alternative springboard is used at Platinum and Diamond division in a USA Gymnastics sanctioned event, the vault is considered VOID.
   d. All divisions may also use a manufactured mat shaped like a springboard (Mount trainer/mount mat).

2. Plywood is not permitted underneath the board.

3. All Meet Directors must arrange to have boards that accommodate gymnasts of varying weights. Any boards brought in to a competition must be assigned to an event and must be available to all gymnasts in that session for warm-up and competition. The following 3-4 spring configurations for the springboard have been approved and may be utilized in USA Gymnastics sanctioned competitions:
4. A board used to mount Bars or Beam may be placed on the competition landing mat(s) (one or two 10-12 cm [4"] mats or one 20 cm [8"]). The board may also be placed on the allowable competition landing mats plus the supplemental matting of 5-10 cm (sting mat or 4" throw mat type skill cushions).
   a. For Bronze, Silver, Gold divisions: any combination of manufactured mats, skill cushions or padded spotting/skill blocks may be used for mounting purposes.
      • Any manufactured mounting apparatus may be placed on top of the mats.
   b. For Platinum and Diamond: a manufactured mount mat (mount trainer) or folded panel mat may be used instead of a board for mounting purposes.
   c. The board (or mount mat) must be removed as soon as possible after the gymnast has mounted.
   d. For Platinum and Diamond divisions, the board (or mount mat) MAY NOT be placed on a 20 cm [8"] skill cushion for the purpose of mounting.

5. For Xcel, the gymnast may stand (without a board) on one or two 10-12 cm [4"] landing mats or one 20 cm [8"] mat (with or without a 3 cm [1½"] base mat placed under or on top of the competition landing mat).
   a. The gymnast may also stand on an "up to 20 cm (8-inch) skill cushion" (sting, throw mat or 20 cm [8"] skill cushion) that is placed on the competition landing mat(s).
b. For Bronze, Silver, and Gold, any combination of competition landing mats and skill cushions may be used to facilitate the mount.

- When performing the uneven bar mount of glide swing, then back hip pullover (or jump front support mount), the athlete may stand on a panel mat, spotting block, or board placed on the above matting to initiate the jump into the glide swing. This mat/board must be removed as soon as possible after the jump into the glide swing.

I. Make sure all reasonable safety measures are considered. Examples:

1. Each competitive area must have its own physical space and may not overlap with another competitive area.
2. There cannot be any obstructions on the Floor Exercise Area.
3. There must be sufficient room for mounting, dismounting, and vaulting areas.
4. Procedures for the removal of blood and disinfection of the apparatus: A solution of 1 part bleach and 10 parts water (or an Anti-viral spray disinfectant) should be available for the removal/disinfection of blood from the apparatus or matting.

J. Conversion for inches to centimeters:

- \( \frac{3}{4} \) inch = 2 cm
- 4 inches = 10 cm
- 4\( \frac{1}{2} \) inches = 12 cm
- 8 inches = 20 cm
- 9 inches = 24 cm

II. Vault

A. Bronze Vault

1. Mat stack for Bronze Vault 1 and Bronze Vault 2
   a. Bronze apparatus: Mat stack – minimum of 40 cm (16 inches) in height (+ 2.5 cm (1 inch)). Any combination of competition landing mats, skill cushions and/or port-a-pit may be used; however, the top layer of matting MUST be a minimum of a 10 cm (4-inch) skill cushion or the port-a-pit), an inflatable mat may also be used in the configuration of matting; however, the uppermost landing surface must be a minimum of a 10 cm (4-inch) skill cushion. The max height of the mat stack is 135 cm (approximately 53”).
       1) The mat stack may be placed on top of a solid foam pit.
       2) An additional mat (minimum of 10 cm (4’’)) must be placed on the floor behind the mat stack.
       3) All mats used in forming the mat stack must be a minimum of 5’ wide and 10’ long.
       4) An unfolded panel mat may be placed on top of the uppermost surface of the mat stack/resi pit if necessary to provide a more stable landing surface.

B. Silver, Gold, Platinum, and Diamond Vault

1. The vaulting table is required for Silver, Gold, Platinum, and Diamond. The maximum vaulting table height is 135 cm (+ 1 cm). If using a vault table with two uprights, both must be set at the same height. The height is determined by measuring the distance from the floor to the center top of the vault table.
   a. The center top of the vault table is determined by measuring 68 cm from the back of the vault table. Tape of any kind, including athletic tape, may NOT be placed on top of the table at any time during warm-up or competition.
   b. If the vault runway is on a raised platform, the vault table must also be placed on a raised surface of the same height and the measurement of the vault table should be taken from the runway surface to the center top of the vault table, rather than from the floor.
   c. All manufactured models of the vault table (including “retro-fit” tables that are inserted into the uprights of the old horse) are allowed for competition, provided that they are capable of being adjusted to the various height specifications allowed for Xcel athletes. Matting must be used to cover the upright of the vault table as well as to cover any weights placed on the vault base for stability.
   d. Athletes in all divisions may use the vault table at any manufacturer setting.
   e. For Silver Division Vault, the mat stack must be 20 cm (8’’) (+ 5 cm (2’’)) above the height of the table.
       1) The mat stack may be placed on top of a solid foam pit.
       2) An additional mat (minimum of 10 cm (4’’)) must be placed on the floor behind the mat stack.
       3) All mats used in forming the mat stack must be a minimum of 5’ wide and 10’ long.
       4) An unfolded panel mat may be placed on top of the uppermost surface of the mat stack/resi pit if necessary to provide a more stable landing surface.
Chapter 6

C. Runway

1. Measurement is from the front of the vaulting apparatus. The runway should be a clearly defined area that provides a flat, consistent surface, free of cracks, obstructions or seams. The Meet Director must provide a tape measure, which must be extended the length of the runway in order for the gymnasts to find the point at which to start their run. Minimum width of the runway should be the width of the board.

2. Runway specifications:
   a. Lengths:
      1) A 70’ minimum, 80’ maximum runway is allowed for Platinum and Diamond.
      2) A 60’ minimum, 80’ maximum runway is allowed for Bronze, Silver, and Gold.
   b. Thickness: A minimum thickness of 3.5 cm (1 and 3/8 inches) (+.3 cm or 1/8 in.) is required for the vault runway at Platinum and Diamond.
   c. Athletic tape, Velcro strips or small chalk marks may be placed on the vault runway, provided that such markings are removed no later than the end of the rotation. Maximum width of Velcro strip or athletic tape is 5 cm (2”), maximum length is 3 feet.
   d. For the safety of the athlete, the Meet Director must securely fasten the vault runway to the floor with tape or Velcro.

3. A hand placement mat may be placed on the runway (but not on the board) ONLY for vaults that require placing the hands on the runway in front of the board (Round-off or Front handspring entry.) The hand placement mat must be manufactured by a gymnastics equipment manufacturer and cannot exceed 5 cm (2 inches) in height. No other type matting is allowed.
   a. All Meet Directors of Diamond competitions MUST provide a minimum of one manufactured Round-off hand placement mat.
   b. If the Meet Director cannot supply the above-mentioned Round-off hand placement mats, they may allow clubs to bring their own, provided the mat meets the criteria as stated above.
   c. If a Round-off entry hand placement mat is used, it must be placed Velcro-side down on the runway.

D. Use of the “VAULTING BOARD SAFETY ZONE MAT” is REQUIRED for all Front handspring onto the board and Round-off entry vaults executed at Diamond division competitions. The safety zone mat must be placed snugly around the board so that there is no space between the board and the safety zone.
   a. No extra matting is to be placed between the Round-off entry mat (Safety Zone mat) and the vault table.
   b. The Safety Zone mat may be used for all other vaults (not Front Handspring onto the board and Round-off entry vaults) for all Xcel Divisions. In this example, the Safety Zone mat does not have to be placed snugly around the board.

Example of fully matted landing area:

19’ 6” (18’ for Xcel) Runway 60’ min. - 80’ maximum allowed for B,S,G
70’ min. - 80’ maximum for P,D

E. Gold, Platinum, and Diamond Area required to be matted

1. Specifications
   a. 3 cm (1¼ inch) Base mats: If 10 cm (4”) competition landing mats are used, the following 3 cm (1¼”) base mats are required:
      1) A minimum of 6’ by 18’ for Bronze, Silver, and Gold.
      2) A minimum of 8’ x 18’ for Platinum and Diamond.
      3) If 12 cm (4”) or 20 cm (8”) landing mats are used, base mats are not required.
   b. Competition Landing Mats (CLMs):
      1) For Bronze division, refer to section II.A.1. for required matting.
      2) For Silver division, refer to section II.B.1.e. for required matting.
      3) For Gold division, a minimum of a 6’ by 12’ matted area is required.
      4) For Platinum and Diamond, a minimum of an 8’ x 15½’ matted area is required.
c. For Platinum and Diamond, whenever a 10 cm (4") supplemental mat ("throw" mat) is used in addition to the competition landing mat[s], it must be a minimum of 7' by 10'.

d. For USA Gymnastics sanctioned Xcel competitions up to and including the State Championships for all divisions, one (10-12 cm [4"] or 20 cm [8"]) or two (10-12 cm [4"]) competition landing mats (plus the maximum allowable skill cushions) will be allowed to be placed on top of a solid-foam pit provided that this information is stated in the meet information sent to the participating clubs.  
- Landing into a "LOOSE-FOAM PIT" AREA IS NOT ALLOWED FOR COMPETITION, unless the pit area is covered by a stable [wooden or metal] surface. Exception – this is allowable if the landing surface is deemed firm by the Meet Referee and Meet Director prior to the competition.

III. Uneven Bars
A. Specifications
   1. Based on the best interest of the gymnast's safety, it is permissible to adjust the High Bar and/or Low Bar to a height which exceeds (or is lower than) the FIG specifications. Regardless of the measurement, the rails must be adjusted to a position where the spin lock may be fully tightened and meets the manufacturer's recommended safety parameters. 
      a. The distance [spread] between the bars may be set to the preference of the athlete, provided that after such adjustment, the bars remain within the allowances identified by the manufacturer of the apparatus. 
         ▪ For equipment that has a slider mechanism on both bars, it is strongly recommended that the low bar slider remain in the highest position, and that adjustments are made only with the high bars slider. This will expedite changing of bar sets during competition.
      b. A single bar may be used for Bronze competitions, provided that the single bar meets the current low bar specifications. This information must be included in the pre-meet information.
   2. Fiberglass rails with wood covering are required for all sanctioned meets.
   3. No other substance besides chalk and water may be placed on the uneven bar rails.
   4. Round fiberglass rails are allowed at all USA Gymnastics competitions. Diameter: 39 mm ± 1 mm.
      ▪ AAI "soft blue rails" are allowed but must be listed in the pre-meet information.

B. Mount specifications:
   1. Platinum and Diamond: 18' minimum is allowed. (No maximum).
   2. Bronze, Silver, and Gold: 6' minimum is allowed. (No maximum).

C. Area required to be matted:
   1. Xcel: The matted area under bars must be:
      a. a minimum of 6' by 15' for Bronze.
      b. a minimum of 6' by 24' for Silver and Gold.
      c. a minimum of 7½' by 36' for Platinum and Diamond.
   2. For Platinum and Diamond, whenever a 10 cm [4"] supplemental mat ("throw" mat) is used in addition to the competition landing mat[s] for the dismount, it must be a minimum of 7' by 10'.
   3. If a 10 cm [4"] mat (skill cushion) is placed on the competition landing mat[s] for dismount purposes, an additional 10 cm [4"] or 20 cm [8"] skill cushion may be used for the purpose of protection on a release
element; however, the additional skill cushion must be removed immediately after the release element is performed.

4. When a raised surface is needed to spot release moves, it is recommended that a spotting block or folded mat be used; however, there is no penalty for standing on the board, provided that the board (or spotting device) is removed immediately after the release move is performed.
   a. For Xcel competition, a 0.30 deduction will be taken if the spotting device is not removed.

IV. Balance Beam

A. Specifications
   1. Height specifications:
      a. For all sanctioned Xcel events, the beam MUST be adjustable.
      b. All divisions may use the beam at any height, regardless of age division; however, the height must be within a minimum of 100 cm (+ 1 cm) and a maximum of 125 cm (+ 1 cm).
   2. Padded manufactured beams are required at all sanctioned competitions.
   3. Beams with a “spring” mechanism are allowed at Xcel competitions.
   4. It is strongly recommended that padding for the Beam uprights and bases be used, if available from the manufacturer.

B. Mount Specifications
   1. Bronze, Silver, and Gold: 12’ minimum is allowed. (No maximum)
   2. Platinum and Diamond: 18’ minimum is allowed. (No maximum)
   3. It is strongly recommended that the entire mounting area be level.

C. Area required to be matted:
   1. Bronze, Silver, and Gold requires a minimum of 6’ by 12’ matted area at each end of the beam (mats may be placed sideways if the dismount is not off the end), and a minimum of 12’ wide by 15½’ long matted area under the beam.
   2. Platinum and Diamond: requires a minimum of 7½’ by 12’ matted area at each end, and a minimum of 15’ wide by 15½’ long matted area under the beam. An 8’ wide mat for dismount area is recommended.
      • For Platinum and Diamond, whenever a 10 cm (4”) supplemental mat (“throw” mat) is used in addition to the competition landing mat[s] for the dismount, it must be a minimum of 7’ by 10’.

V. Floor Exercise

A. Xcel uses FIG specifications for Bronze, Silver, Gold, Platinum, and Diamond. FIG specifications: 12 meters X 12 meters [39’ 4 7/16” X 39’ 4 7/16’]. The measurement is from the outside of the tape or where the carpet changes color. The floor surface must be a minimum of 3.2 cm thick [1 ¼"] to a maximum of 17.8 cm thick (7”). The top of the mat must be joined into one continuous level surface maximum of 17.8 cm thick (7”).
   1. When the floor exercise carpet has two colors to distinguish the border rather than a solid color with taped boundary lines, it is permissible to place small pieces of tape [of the same color as the floor area carpet] at the inside corners of the boundary to assist the gymnast’s awareness of the boundary.
   2. For Platinum and Diamond competitions held in outside facilities, the outside of the corners must be padded with unfolded panel mats or other such matting or carpet-bonded foam [a minimum of 3.5 cm (1 3/8 inches) high] to protect the gymnast if they go beyond the dimensions of the Floor mat. The matting must extend a minimum of 5 feet out from the edge of the boundary line and extend a minimum of 6 feet from the corner down each side of the Floor Exercise area. The corner padding should be attached [with Velcro or something similar] to the floor, foam or carpet to avoid separating or slipping. An example of the additional matting at one corner is shown below:
B. A tumbling strip may be used for competition for Bronze and Silver Division, provided it is a minimum of 8’ wide and 56’ long. The Meet Director must indicate this in the pre-meet information.

C. If carpeting is used, 3.2 cm (¼”) pile is maximum height recommended.

D. Rebound or spring type floors are required for all Platinum and Diamond competitions. It is strongly recommended that a spring type floor also be used for Bronze, Silver, and Gold.

E. Additional matting:
   1. For all Xcel divisions: Up to two manufactured mats [maximum thickness of 20 cm (8’’)] may be placed separately on the Floor Exercise area. If the skill cushion is 20 cm (8”) in thickness, it must be a minimum of 5’ x 10’. A “sting” mat may also be used on top of or under the 20 cm (8”) mat.
      a. Only one skill cushion or 10 cm (4”) throw mat per tumbling pass may be used, with no more than two mats on the floor exercise area at any one point in time. A sting mat may be placed on top of or under the skill cushion/throw mat(s).
      b. Whenever additional matting is placed on the Floor Exercise area and covers any portion of the boundary line(s), the mat must be clearly marked. It is recommended that athletic tape [provided by the coach] be used to mark the mats. Chalk may be used but should be removed before the next competitor. A towel should be provided by the meet director to facilitate the removal of the chalk markings.

F. When a tumbling “strip” is used in place of a full floor exercise area in the training and/or warm-up gym, it must be constructed of the same materials as the spring floor used in the competition gym and must be a minimum of 8’ wide and 60’ long for Xcel. A minimum of 3’ in length of additional padding [carpet bonded foam or something similar], is required at each end of a 56’ tumble strip that is used for warm-up.
Chapter 7 - Xcel General Meet Information

I. Information Packets

A. Include the following information and notify all eligible teams by mail or e-mail. Information should also be posted on the host club’s website.
   1. Name of meet, division(s) competing and date.
   2. Host Club and Meet Directors contact information.
   3. Entry fee (individual and/or team) and to whom it is payable.
   4. Spectator admission fees.
   5. Site - address, phone and map.
   6. Equipment description: Meet Directors must list all available equipment, including boards. Complete uneven bar measurements (including the full manufacturer’s allowances for height and spread) must be stated in pre-meet information and on bid forms for sectional and above meets. If a tumbling strip will be used for competition for Bronze and Silver divisions, that must be stated in the pre-meet information as well.
   7. Age Divisions, if known in advance; or procedures for determining age divisions
   8. Type of awards and number to be awarded. Also include the day/time of the award ceremonies.
   9. Local hotel and transportation information, if necessary.
   10. Competition schedule
      a. If the number of competitors is a known quantity, then specify the schedule.
      b. If the number of competitors and age divisions is unknown, indicate that a schedule will be sent after all entries have been received. Meet Directors of invitational meet are advised to accept only a predetermined number of athletes to avoid the necessity of conducting competitions during the weekdays, which would require that the athletes miss school.
      c. Consideration should be given to avoid conflicts with major religious holidays or school when scheduling competitions.
   11. Pre-Meet information must specify if one-judge panels will be used.
   12. Pre-Meet information for Invitational meets must indicate the “type” of invitational and regulations regarding team competition.

II. Entry Regulations and Fees

A. All gymnastics performers and demonstrators for entertainment/demonstration purposes must be currently registered as a USA Gymnastics Athlete or Introductory Athlete Member or must be covered under the individual club’s insurance policy. Any such performance must be conducted before the competition or after the entire competition is completed and no evaluation is allowed. No gymnastics performance for “exhibition” is allowed during the competition
   - If any non-gymnastics performers (individual or group) will be participating, the host club is advised to obtain proof of insurance for that individual/group.
B. Event specialists and All-Around athletes may participate in sanctioned USA Gymnastics Xcel competitions.
   1. For all Xcel divisions, individual event specialist competition may be conducted up to and including regional meets, at the discretion of the respective state and regional administrative committees. Individual event specialist competitors may participate and be ranked amongst the all-around competitors; may be counted in the team score; and would receive duplicate awards in the case of a tie for event placement (ties involving Individual Event Specialists are NOT broken).
   2. Athletes who are limited in the number of events in which they can perform due to a permanent physical handicap (verified by a physician) may petition to qualify to higher level meets by achieving an average score equal to the average of the All-Around qualifying score. If the qualification is by number or percentage, such individuals could be added as additional athletes provided they achieve an average score that meets or exceeds the average score achieved by the lowest qualifier.
C. Non-citizens living and training in the United States, who are not current or past National Team members for a foreign country, may participate in all USA Gymnastics sanctioned Xcel events. For additional information regarding foreign athlete participation, refer to Chapter 2, page 23.
D. In any USA Gymnastics-sanctioned competition, each team/club must have at least one (1) active coach on the floor. Every coach on the floor at a sanctioned USA Gymnastics Women’s competition MUST be a USA Gymnastics Women’s Professional or Jr. Professional Member.
E. Entry Fees and Deadlines
   1. Entries must be postmarked a minimum of 14 days (or as per State Administrative Committee guidelines) prior to the first day of competition. A maximum fine of $50.00 per individual entry will be charged to individuals whose entry is received after the deadline or if entry is completed improperly. Entries must include:
a. Competitors and accepted petitioned athletes’ name(s), USA Gymnastics Athlete Member number, birth date, citizenship and age division.
b. The name(s) and USA Gymnastics Professional number and Safety Certification expiration of all participating coaches.
c. ALL FEES PAID IN FULL.
d. An athlete is considered registered/entered in a competition only when her name is listed on the club’s entry form and The Meet Director has received valid payment.

2. The Meet Director may refuse entries if they are received 10 days or less prior to the first day of competition (or as per State Administrative Committee guidelines).
   a. Replacements (with an athlete in the same age division and same competitive division) may be made with no extra fee up to the start of the timed warm-ups.
   b. Meet Directors may not refuse entries from competitors who wish to enter a competition that serves as a Sectional Meet or any competition that serves as a qualifier to State Championships and above.

3. Fees for Xcel pre-sectional qualifiers, sectional, state and regional meets should be determined by the fixed expenses (facility, awards, judging expenses, equipment rental, trainer) and divided by the guaranteed (or approximated) number of competitors.

4. Entry fees for pre-sectional qualifiers, sectional meets and State meets are determined by the State Administrative Committee, with the approval of the Regional Administrative Committee Chairman.
   • Entry Fees for Xcel State Meets:
     Maximum being $75 (Bronze, Silver, Gold)
     Maximum being $85 (Platinum and Diamond)
     Unless approved change by the Regional Administrative Committee Chairman

5. Entry fees for Regional meets are determined by the Regional Administrative Committee.

6. Entry fees are not refundable with less than ten days’ notice prior to the meet.

7. Cancellation Policy - The Meet Director should make the best effort to refund all or part of the entry fee in the event that severe weather or a shortage of judges would cause a cancellation of a competition.

Meet Formats, Number of Competitors, and Warm-up Times

I. Meet Formats and Number of Athletes

A. Types of Competition Formats
   The only acceptable meet formats are listed in this publication. Any ideas for new formats should be submitted to the National Xcel Committee Chairman for consideration and/or approval and possible inclusion in future Rules & Policies.

1. Traditional Formats:
   a. Meets in which the open stretch, timed warm-ups and competition are conducted in one gym, with the timed warm-ups on all four events first, then competition on all four events (30-second touch warm-ups are required).
   b. Meets in which the open stretch and timed warm-ups on all four events are conducted in a warm-up gym, then the gymnasts move to a competition gym in order to compete on all four events. (30-second touch warm-ups are always required when the timed warm-ups are conducted on apparatus other than the competition apparatus.)
      • The apparatus must be identical to the competitive gym, with the exception of the Floor Exercise. If a spring tumbling strip is used instead of a full Floor Exercise area, it must be a minimum of 60’ long and 8’ wide.
   c. When using either of the above formats, if squads consist of 13 or more Bronze, Silver, or Gold gymnasts or 9 or more Platinum or Diamond gymnasts, the squad MAY be divided into two sub-groups for the competition warm-ups (30-second touch.) The first half takes their 30-second touch warm-ups, and then competes; then the second half takes their 30-second touch warm-ups and competes. Touch warm-ups on Beam and Floor may be staggered.
      • Taking the 30-second touch warm-up in this instance is at the discretion of the personal coach and MUST be allowed, if desired.

2. Modified Traditional FORMAT (alternating warm-up and competition):
   Meets in which the open stretch, timed warm-ups and competition are conducted in one gym in which there is only one set of apparatus. The timed warm-ups immediately precede competition on each event (this format eliminates the requirement of a 30-second touch warm-up).
   • When squads consist of 13 or more Bronze, Silver, or Gold gymnasts or 9 or more Platinum or Diamond gymnasts, the squad MAY be divided into two sub-groups. The first half takes their timed warm-ups, and
then competes; then the second half takes their timed warm-ups and competes. Touch warm-ups on beam and floor may be staggered.

3. Non-Traditional Formats:
   a. Meets that have two sets of apparatus (one for competition and a duplicate set for warm-ups) either in the same or in separate gyms and that alternate the warm-ups and competition, one event at a time. [Capitol Cup type format]
      1) Timed warm-ups on the first event for the first four squads (Flight 1) are conducted on the warm-up apparatus, then Flight 1 goes to the competitive equipment to compete on their first event while the next four squads (Flight 2) warm-up their first event. The two flights continue to alternate between warm-ups and competition until all eight squads have completed all four events.
      2) 30-second touch warm-ups are required since timed warm-ups are not conducted on the competition apparatus.
   b. Meets which have two sets of apparatus in one gym and in which the first four squads (Flight 1) have timed warm-ups and competition on one set of apparatus, while the second four squads (Flight 2) have timed warm-ups and competition on the other set of apparatus. [Modified Capitol Cup]
      1) As soon as the squads in Flight 1 finish timed warm-ups on their first event and begin competition, the four squads in Flight 2 begin their timed warm-ups on their first event. Once Flight 1 completes competition on the first event, the judges move to the other set of apparatus to judge Flight 2. The two flights continue to alternate between warm-up and competition until all eight squads have completed all four events.
      2) Since the timed warm-ups are conducted on the competition apparatus immediately preceding the competition on the event, 30-second touch warm-ups are not required.
   c. For both of these non-traditional formats, the total number of athletes assigned to the corresponding Flight A and B squads cannot exceed 20 for Platinum and Diamond, and 24 for Bronze, Silver, and Gold. If there are 9 or more [Platinum and Diamond] or 13 or more [Bronze, Silver, Gold] in one of the squads, they are not allowed to split timed warm-up within their squad.
      • If the number of athletes in any one session is less than 40, the athletes may be divided into six or seven squads, leaving one or two events (either warm-up gym or competition gym) per rotation empty.
   d. When at all possible, the Meet Director at USA Gymnastics sanctioned invitationals should assign teams that are split into two squads in the same flight and on “opposing” events. For example, if Team A is in two squads, Team A is assigned on Vault and Beam or Bars and Floor in the same flight, NOT Vault and Bars or Beam and Floor.
   e. It is acceptable to have a combination of non-traditional and modified non-traditional formats in the same session.
      • Example: Use a warm-up gym and competition gym for UB, BB, and FX but have 2 VT stations in the competition gym.

B. Determining Meet Format and Schedule
   1. Select the type of format based upon number of athletes, number of divisions, number of gymnasiaums and amount of apparatus available.
      • Bronze, Silver, and Gold meets with 73-96 gymnasts in a session and Platinum and Diamond meets with 57-80 gymnasts in a session must use some type of non-traditional format in order to remain within the 5-hour maximum time in the gym.
   2. Gymnasts shall be grouped in sessions (and/or squads) first according to Division.
   3. There is no specific maximum number of judgments PER DAY per panel of judges. The limit to the total number of competitors per day is determined by the number of gymnasts allowed per session based upon which type of format is used, along with the following time constraints. The schedule of the competition must provide for the following:
      a. The 15-30 minute general warm-up may not begin before 8:00 A.M. [General stretch and bar settings].
      b. Must conform to the maximum number of judgments per SESSION per panel of judges [see chart].
      c. The competition must be scheduled to end by 10:00 PM. If the meet continues past 10:00 PM due to extenuating circumstances, the meet director must submit an explanation in writing to the RTCC, with a copy to the SACC (or RACC for Regional meets), as well as to USA Gymnastics Member Services.
         • The Meet Referee must make a note of the time infraction on the Sanction Report Form.
      d. Gymnasts should be on the floor (including warm-ups and competition) no longer than five (5) hours when performing a single set of optional exercises in one (1) session.
         1) Considering the ages of the athletes in Bronze, it is recommended that the session be no longer than 2½ hours in length, including warm-up time.
2) If an athlete competes in two different sessions in one day, she must be provided adequate rest time between sessions.

   e. Judges are to be provided a 30-minute break time between scheduled sessions.

4. REQUESTS TO EXCEED THE ALLOWABLE NUMBER OF JUDGEMENTS PER SESSION WILL NOT BE CONSIDERED.

   a. If the event is a state-qualifying event, additional sessions and/or days must be added.

   b. In the case of an invitational, the Meet Director must either place clubs on a wait list or they must change their format to allow for more than four panels of judges or more than one gym.

5. Allow adequate time for awards ceremonies (depending on the number of age divisions, number of awards to be given, and if a separate awards area is available) between sessions when calculating total time for competition to ensure that no gymnast will compete after 10:00 P.M.

* If a squad has more than one division competing, the timed warm-up will be determined by the combined total number of minutes allowed for each level.
D. COMPETITIVE FORMAT AND DRAW: Procedures after entries have been received.

1. The State Administrative Committee may decide the competitive format and draw procedures for PRE-SECTIONAL AND SECTIONAL MEETS ONLY to allow the draw for sessions to be determined by either age divisions or by club teams.
   - If the draw is conducted by teams, awards are given for all levels and/or age divisions competing in each session.

2. The draw for sessions at State and above Championship competitions is to be determined by age divisions.
   a. The State Administrative Committee determines specific guidelines that determine the order of competition for the age divisions and/or competitive divisions (for example, by random draw or youngest to oldest) for State meets.
   b. Using the pre-determined State guidelines, the Meet Director and State Administrative Committee Chairman, (or other State Administrative Committee Members designated by the SACC), conduct the draw to determine the order in which the age divisions will be conducted.
   c. The format and number of athletes for State and Regional competitions must be approved by the RJOCC and RTCC.
      1) For State/Regional Championships: the maximum number of gymnasts per session may be exceeded by a small percentage for special circumstances, with the approval of the RTCC, RXCC and the RACC for State Meets and by the NTCC and the NXCC for Regional Meets.
      2) It is the Meet Director’s responsibility to contact the appropriate officers (State Meet Directors contact the SACC; Regional Meet Director contact RTCC). The State or Regional officer(s) will then contact the appropriate individuals, as stated above, for final approval.

3. Club team competition format and draw shall be determined by the:
   a. Meet Director for invitationals and local meets.
   b. State Administrative Committee for the Pre-sectionals qualifiers, Sectional and State meets.
   c. Regional Administrative Committee for Regional competitions.

4. Alphabetize teams and assign competitive numbers for each gymnast, designated by age divisions and/or competitive divisions. Each competitive division and/or age division should be designated by a specific number sequence, if possible.
   a. If only achievement awards are given, the gymnasts are not required to compete within designated age divisions.
   b. To assign competitor numbers, first determine all athletes in the same age division, listed alphabetically, first by team, then by last name.

5. Determine the number of gymnasts per session based on type of competition, and allowable number of gymnasts per squad. The number of gymnasts per squad is determined by dividing the total number of gymnasts in the session by four in a traditional format, by five if a "bye" rotation is used, or by 8 in a non-traditional [Capitol Cup] format.  [See Competition Formats]

6. Draw for team placement into necessary number of squads. All members of the same age division and/or competitive division from the same team will be drawn for competitive order in the same squad in the same session.
   a. Priority - keep competitive divisions and/or age divisions in the same session and, if possible, the same squad(s).
   b. If warm-ups are conducted in a separate gym or on a separate set of apparatus in the same gym alternating with competition (non-traditional format), all athletes on the same team MUST be drawn in the same squad(s) within the same flight (in the same gym).
   c. No team [club] should be drawn into more than two squads in any one session, unless the total number of gymnasts from that club exceeds the number of gymnasts that would be drawn into two squads.
      • If there are several age divisions and/or competitive divisions within the same session, teams may be drawn for placement in one or two squads.
   d. The Meet Director should always consider the safety of the athlete first to determine the best format for the competition.

7. Draw for starting events for each squad.

8. Order of Events
   a. FIG Olympic competitive order is Vault, Uneven Bars, Balance Beam, and Floor Exercise.
   b. In the case of only one squad or 4 squads [1 panel or 4 panels of judges], the squad(s) will rotate in Olympic order.
   c. If only 2 events compete simultaneously [2 panels of judges], it is recommended that Vault and Bars run first, followed by Beam and Floor Exercise.
Chapter 7

9. Draw for competitive order by taking the numbers of all gymnasts assigned to that squad and draw randomly. No one gymnast shall compete as the first performer of the competition in more than one event.
   a. If more than one competitive division must be drawn in one squad, all athletes of the same competitive division must compete consecutively. When rotating to the next event, the first competitor of a division would be dropped to the last spot.
   b. In the case of team invitationals in which the order of competition is drawn by team and the coach decides the competitive order of the gymnasts, all teams in the squad would compete gymnasts of one competitive division, then repeat the team order with the next competitive division of gymnasts.

10. To determine the competitive order when rotating to the next event, the number of places to be “dropped” must be applied uniformly per session and is based on \( \frac{1}{4} \) of the number of competitors in the largest squad in that session.
   Example: Two even squads of 12 and two squads of 11 - drop the first three (3) gymnasts in each squad to the end of the competitive order when rotating to the next event. Four odd-number squads of 9 - drop the first two (2) gymnasts to the end of competitive order.
   • In the case of a squad being reduced in numbers due to gymnasts scratching prior to the start of competition, it may be necessary to re-define the start order on each event for that squad only if the original number of dropped places is more than \( \frac{1}{4} \) of the number of gymnasts in that squad.

11. The order of competition [start lists] must be distributed to all coaches and judges and posted at the competition site.

II. Meet Warm-Ups

A. Pre-meet (timed) warm-ups
   1. A 15-30 minute general/open warm-up time is required. The Uneven Bars are available to obtain settings only (Tap Swings). The apparatus is NOT available for warm-up during the general warm-up time. Marking mount distances or practicing run-up onto the board is allowed, The Floor Exercise mat and other matted and open areas may be used for locomotor warm-up activities, such as running, and for skill warm-up that can be performed in a confined space.
   2. Timed warm-ups
      a. Rotations are determined by the following formula:
         1) Bronze Division: Maximum of 30 seconds X number of gymnasts per squad
         Silver Division: 45 seconds X number of gymnasts per squad
         Gold Division: 1 minute X number of gymnasts per squad
         Platinum Division: 1½ min. X number of gymnasts per squad
         Diamond Division: 2 min. X number of gymnasts per squad
         2) The amount of time for Vault and Floor Exercise pre-meet warm-ups is determined by the number of athletes in the largest squad of the session multiplied by the allotted time per gymnast. [see charts below].
         3) If a squad has more than one division competing, the timed warm-up will be determined by the combined total number of minutes allowed for each division (see charts below).

Example 1:

<table>
<thead>
<tr>
<th>Squad</th>
<th># gymnasts</th>
<th>Division</th>
<th>Warm-up Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>10</td>
<td>All Gold</td>
<td>10 min (10 x 1.0)</td>
</tr>
<tr>
<td>B</td>
<td>10</td>
<td>All Gold</td>
<td>10 min (10 x 1.0)</td>
</tr>
<tr>
<td>C</td>
<td>10</td>
<td>All Gold</td>
<td>10 min (10 x 1.0)</td>
</tr>
<tr>
<td>D</td>
<td>10</td>
<td>8 Gold, 2 Platinum</td>
<td>11 min (8 x 1.0 plus 2 x 1.5)</td>
</tr>
</tbody>
</table>

In Example 1, all squads would have 11 minutes (time of the largest squad) for vault and floor.

Example 2:

<table>
<thead>
<tr>
<th>Squad</th>
<th># gymnasts</th>
<th>Division</th>
<th>Warm-up Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>10</td>
<td>All Bronze</td>
<td>5 min (10 x 30 sec.)</td>
</tr>
<tr>
<td>B</td>
<td>10</td>
<td>All Silver</td>
<td>7.5 min (10 x 45 sec.)</td>
</tr>
<tr>
<td>C</td>
<td>10</td>
<td>All Silver</td>
<td>7.5 min (10 x 45 sec.)</td>
</tr>
<tr>
<td>D</td>
<td>10</td>
<td>6 Bronze, 2 Gold, 2 Platinum</td>
<td>8 min (6 x 30 sec. plus 2 x 1.0 plus 2 x 1.5)</td>
</tr>
</tbody>
</table>

In Example 2, all squads would have 8 minutes (time of the largest squad) for vault and floor.

b. Bar settings (adjustments) are NOT included in the warm-up time; however, if a club or group of athletes chooses to block time, the clock will not stop within the block time. At all sanctioned events, only one gymnast
at a time can be on the bars for any part of the warm-up period (this would include timed warm-ups and 30-second touch.)

c. Block time will be allowed on Bars and Beam only at the discretion of each individual coach for teams that have several gymnasts in one squad. Individual gymnasts from different teams may join together to block time, if they so desire.

1) When using a “warm-up/compete” format (one gym and one set of apparatus) with timed warm-ups immediately preceding competition on each event, gymnasts may “block” time.

2) At USA Gymnastics sanctioned competitions that use a draw for individual competitive order, the first athlete to compete MUST warm-up first, whether she chooses to block or to take individual warm-up time. If the first athlete blocks warm-up time with additional athletes in the squad, those athletes will warm-up with the first competing athlete.

d. Block time for timed warm-ups is not allowed on Vault or Floor Exercise.

Note: The entire squad warms up at the same time for Vault and Floor. The amount of time is calculated by multiplying the allowable warm-up time per athlete by the number of athletes in the largest squad in that session.

- At the Bronze division it is recommended that the vault warm-up be divided by the mat configurations used within the squad. For example: the first gymnast to compete uses a 16” mat stack. All gymnasts using this configuration warm-up together [30 seconds per gymnast – guaranteed one vault per gymnast]. At the conclusion of the first group, the warm-up time will stop to allow coaches to set up the next mat configuration. All gymnasts using this mat configuration warm-up together [30 seconds per gymnast – guaranteed one vault per gymnast].

e. Vault Warm-Up Procedures: The time will begin when the gymnast stands on the table to do a skill/jump off the table. If the gymnast does not do a skill/jump off the table, the time will begin when the gymnast begins running toward the table and touches the spring board. Warm-up drills i.e. “Handstand hops” and a “run by” without touching the board is NOT included in the warm-up time and will be allowed as long as performing these drills does not delay the competition. Excessive delay of “warm-up drills” when the timer is ready could result in a deduction.

f. Floor Exercise Warm-up Procedures for meet formats that provide only one floor exercise mat for competition (or one floor and a tumbling strip):

1) For Bronze, Silver, and Gold divisions, squads with 12 or fewer gymnasts: warm-up all 12 gymnasts (time based on division of the gymnasts).

2) For Bronze, Silver, and Gold divisions, squads with 13 or more gymnasts: warm-up half the squad, then compete. Warm-up the second half of the squad, then compete. Time is based on the division of the gymnasts.

3) For Platinum and Diamond divisions, squads of 8 or fewer gymnasts: warm-up all 8 gymnasts, then compete (1 ½ minutes per gymnast for Platinum, 2 minutes per gymnast for Diamond).

4) For Platinum and Diamond divisions, squads of 9 or more gymnasts: warm-up half the squad, then compete. Warm-up the second half of the squad, then compete (1 ½ minutes per gymnast for Platinum, 2 minutes per gymnast for Diamond).

5) For non-traditional formats, the total number of athletes assigned to the corresponding Flight A and B squads cannot exceed 20 for Platinum and Diamond, and 24 for Bronze, Silver, and Gold. If there are 9 or more [Platinum and Diamond] or 13 or more [Bronze, Silver, Gold] in one of the squads, they are not allowed to split timed warm-up within their squad.

6) With any allowable size squad: warm-up athletes between competitive routines.

a) When using this option, the Meet Director MUST assign an adult monitor to regulate the number of athletes warming up at any one point in time and to keep track of the competitive order. It is not a responsibility of the judges.

b) A gymnast is allowed to start warming up when there are only six more competitors ahead of her. This gives each athlete 5 turns on the Floor mat prior to her time to compete and there will be no more than five athletes warming up on the floor at any one point in time.

c) Example with 8 gymnasts per squad: When the first squad in Flight A warms up on Floor, the first six athletes will warm-up together (6 x 2 minutes=12 min.). Once competition begins, the 7th athlete will warm-up while judges evaluate #1 gymnast; after each subsequent routine, another athlete will be added to warm-up.

d) This procedure may also be used for the touch warm-up.

e) If a coach determines that the athletes have not had adequate warm-up time in between routines, he/she can request of the Chief Judge to either have a short block of time for a squad or partial squad to warm-up, or for the judges to slow down to allow for up to 30 seconds between exercises.

g. If an athlete (or team) disregards the timer and exceeds the warm-up time, the timer must report the infraction to the Meet Director or Meet Referee. This would be considered as the warning and any subsequent infraction would result in a 0.20 penalty.
h. Warm-up rotation order
1) Traditional format: Squads start the timed warm-ups on their second competitive event and rotate in Olympic order to finish warm-ups on their first competitive event.
   EXAMPLE: Warm-up order: UB, BB, FX, V
   Competitive order: V, UB, BB, FX
2) When "Bye Squads" are used, timed warm-ups must be in the same order as the competitive rotation.
i. If timed warm-ups are conducted in a separate Warm-up gym, all equipment (warm-up and competition) must be identical (with the exception of Floor Exercise, where a tumbling strip made with the same type springs, foam and carpet as the FX mat may be used in the warm-up gym). Each board must be marked for a specific gym and event.
j. If a gymnast arrives late to a competition due to circumstances beyond her control (traffic delay, weather-related), every effort should be made to allow the athlete to compete. She should be provided a safe and effective warm-up without upsetting the flow of the ongoing event. Provided that she has arrived for her designated session/age division, her scores will be valid for all individual and team rankings.

B. Competition (30-second touch) warm-ups
1. The touch warm-ups are conducted as follows:
   a. Vault: Touch warm-ups are not controlled by time, but rather by a guaranteed maximum number of vaults per gymnast.
      1) Bronze Division: each gymnast is guaranteed a maximum of one (1) touch warm-up vault.
      2) Silver, Gold, and Platinum Divisions: each gymnast is guaranteed a maximum of two (2) touch warm-up vaults.
      3) Diamond Divisions: each gymnast is guaranteed a maximum of three (3) touch warm-up vaults.
      4) Each gymnast is allowed to stand on the vault table and jump (or salto) off ONE TIME ONLY, in addition to their specific number of allowable vaults.
      5) After presenting to the judges, the gymnasts are allowed ONE "runback" from the board before the vault attempts are counted.
   b. Bars: A 30-second warm-up per gymnast is allowed; the setting of the bars is NOT included in the "touch" warm-up time.
   c. Beam: 30-seconds per gymnast.
      • Touch warm-ups on beam only may also be staggered.
        Example: For competitions using the Modified Traditional format, the first three gymnasts warm-up on beam, then athlete #1 competes. Then the 4th gymnast warm-ups while the judges evaluate the score for the first gymnast. After each subsequent routine, the next gymnast in rotation order will warm-up.
   d. Floor Exercise: All gymnasts in the squad (or half the squad in the case of large squads) warm-up simultaneously for a time period determined by multiplying the number of gymnasts by 30 seconds. Example: 5 gymnasts will be given 2½ minutes as a group to warm-up.
      *Note: The Meet Director may choose to use the option of conducting the warm-ups in between the competitors.
2. A touch warm-up on the competitive equipment prior to each event is required for:
   • Any competitions that do not conduct timed warm-ups on the competitive equipment.
   Note: Any meets that are conducted with timed warm-ups directly preceding competition on each event are NOT REQUIRED to have touch warm-ups.
3. For Traditional format meets: In the case of large squads (9 or more Platinum or Diamond gymnasts; 13 or more Bronze, Silver, or Gold gymnasts), the squad MAY be divided into two (2) groups. The first half takes a touch warm-up and then competes; then the second half takes a touch warm-up and competes.
   • The option to alternate competition with the touch warm-ups (staggered touch) may also be used, at the discretion of the Meet Director.
4. The touch warm-ups are not required to be in competitive order.
   a. The first athlete to compete must be given the opportunity to touch first.
   b. Athletes will be allowed to take the touch warm-up in any order to expedite the one-touch warm-up, but each athlete must still be individually timed 30-seconds on Bars and Beam.
   c. On vault, the athletes may warm-up in any order, but each athlete is still guaranteed the division specified maximum number of vaults (Bronze 1 vault; Silver, Gold, and Platinum 2 vaults; Diamond 3 vaults).
   d. If the touch warm-up on Beam is staggered with warm-ups between competitive routines, the touch warm-up must be in competitive order.
5. A gymnast is not required to take the touch warm-up.
Chapter 7

6. In the case of an unavoidable delay in the competition (i.e. electrical power outage, serious injury, etc.), the Chief Judge (and/or Meet Referee and Meet Director) may allow an additional touch warm-up for those athletes who have already taken the 30-second touch but have had to wait an unreasonable amount of time. The safety of the athletes must be the primary concern.

III. Specific Competition Procedures

Included below are rules for Athletes, Coaches, Judges, Meet Personnel and Spectators.

A. There shall be no more than 20 minutes between the end of timed warm-ups and the start of competition (or the 30-second touch competition warm-up).

B. Gymnasts should march from event to event, with the squad presenting itself to the Chief Judge. Exception: Competition formats that include continuous rotation do not require a formal march or presentation to the judges.

C. ONLY competing gymnasts and their coach(es) are allowed onto the competition area, and ONLY during the session in which they are competing.
   1. The only additional people allowed on the competition floor are those directly involved with the running of the event (e.g., trainers, scorers, flashers, runners, etc.).
   2. Coaches should make child care arrangements for their offspring, unless the child is old enough to act in a volunteer capacity at the competition.

D. At the State and Regional competitions, Platinum and Diamond gymnasts must flash the vault number of the vault that she intends to perform.

E. If a gymnast is injured prior to or during the competition, and is unable to compete in all four events, she must touch the apparatus of the event[s] in which she is unable to compete. By receiving a score of zero or higher, she has the right to continue in the competition.
   1. If the gymnast does not present to the Chief Judge and touch the apparatus on the next event[s], she will be considered as withdrawing (scratching) from the meet and thus forfeits her right to continue, but is eligible for awards on the events she competed.
   2. If a gymnast is injured during the competition and is unable to compete in any additional events, she is not required to “touch” the apparatus on the remaining events. She is, however, still eligible to receive awards on any events completed prior to withdrawing (scratching).

F. Scoring
   1. Base score will be established at the judges’ meeting at Sectional and above competitions with the use of the Technical Committee DVD; therefore, no analysis of forerunners is necessary and all events commence at the same time.
   2. It is recommended that each judge must either independently input their score electronically or submit the score in writing on a separate score slip. If only one keypad is available per event, both judges must write their own score and both (or all four) scores should be entered electronically to ensure an accurate average score. At all sanctioned meets, there MUST be a written back-up (in the form of a verification heat sheet) to record the individual judges’ scores, neutral deductions and the final average score. In order to ensure accurate results, both vaults scores should be entered into electronic scoring system, especially at qualifying and championship competitions.
   3. Open scoring is defined as either electronically flashing each judge’s score or by writing each judge’s score on each athlete’s competitor card. The State Administrative Committee determines if open scoring is allowed at Xcel State Championships. The Regional Administrative Committee determines if open scoring is allowed at Xcel Regional Championships.
   4. Start Values are to be flashed for all Divisions at all Competitions:
      a. Procedures for Flashing Start Values:
         1) Each judge should independently determine a Start Value.
         2) The Start Value and the final score should be recorded on the judging slip and sent via the runner to the Chief Judge.
         3) Each judge should flash the Start Value on the Start Value flashing unit as soon as the Chief Judge receives ALL judges’ scores.
         4) Start Values do not have to match. A conference MAY be called to determine if the Start Value needs to be adjusted, either up or down.
         5) If the Start Value is changed as a result of a conference, the adjusted Start Value should be re-flashed.
         6) See Meet Organizational Guidelines, Clerical Committee for additional procedures for the flashing of Start Values. These guidelines can be found on the USA Gymnastics website at https://usagym.org/PDFs/Women/Rules/Rules%20and%20Policies/w-meetorguide.pdf.

5. Judges may score in 0.05 increments at all USA Gymnastics sanctioned competitions.

6. A final score of 4.00 will be awarded for any Vault, Bars, Beam or Floor Exercise routine that would result in a score equal to or less than four points [4.00]. This does not include circumstances that require the event to be voided (score 0.00).
7. Once the final average score is submitted to the scoring system, it may not be changed unless an inquiry is submitted and results in a score change.
   a. A Chief Judge may change a score after submission to the scoring system IF a neutral deduction (such as out of bounds or overtime) was inadvertently not applied. This change must occur prior to the end of the rotation. The coach must be notified of the score change and if possible, the new score should be displayed to the public.
   b. If a judge realizes that a gymnast was mistakenly judged using the incorrect rules for her level, the routine may be re-evaluated using the appropriate rules to determine the correct Start Value and specific compositional deductions, based on the judges’ shorthand. This re-evaluation must occur within 5 minutes of the end of the competition for that session. The judging panel must notify the Meet Referee and the scoring personnel that the re-evaluation is to occur. The coach must be notified immediately of any score change.
   c. If there is a clerical error when entering scores electronically, the score may be officially changed by the end of the session.
   d. Recommendation that, for State Championships and above: In extenuating situations, the Meet Referee has the authority to allow a judging panel to review a routine to verify that Special Requirements were fulfilled. The coach must be notified that a review will occur. No additional deductions are allowed to be taken by a judge after the review if the special requirement(s) in question is (are) awarded.

8. All-Around Score (AA)
   - For all Xcel divisions: All-Around is the total score for the four optional events.

9. Individual Event Finals Score: The format and qualification procedures for the Finals competition are determined by the Meet Director and must be published in advance.
   a. Finals may be conducted at Invitational meets.
   b. The Individual Event score/rankings are determined during the optional All-Around competition.

10. Team Score
   a. The method used to calculate the team score must be described clearly in the meet information for invitational meets.
   b. For USA Gymnastics Pre-Sectional Qualifiers, Sectionals and State club/team competitions, the State Administrative Committee shall determine the method used for determining team score. Some options are:
      1) Limit the number of gymnasts on a team and count all scores. (Example: 6-member team, or 3-member team, all scores count.)
      2) Specify the number of gymnasts on a team and count all scores but one on each event. (Example: 6-member team, 5 scores per event count.)
      3) Allow an unlimited number of gymnasts per team; specify number of scores per event to count.

6. Inquiry Regulations
   1. Coaches are entitled to see all scores of their individual gymnasts. Inquiries may be based only on the following:
      - Awarding of Start Value, specific "falls, neutral deductions or unusual occurrences.
      - A flash from a camera is not a valid reason to allow a gymnast to repeat a routine.
   2. The Meet Director must provide inquiry forms at a place designated at the coaches meeting. The form is available:
      a. on the USA Gymnastics website under Women’s Program at: http://usagym.org/pages/home/pages/forms.html?prog=w#womens
      b. from your State Administrative Committee Chairman
   3. Inquiries must be submitted to the Meet Director or Meet Referee within 5 minutes of the completion of the squad’s competition on that event.
      a. No fee may be charged to submit an inquiry.
      b. Coaches need to be aware that an inquiry allows for a second evaluation, which may result in:
         1) no change in score,
         2) the score being raised, or
         3) the score being lowered.
      c. Exception to the 5-minute to submit inquiry rule:
         If, after the completion of the last event, an athlete’s AA score is a maximum of 0.10 less than the qualifying score to the State (or Regional) Championships, the coach may submit an inquiry for the gymnast’s lowest scoring event in order that the athlete be considered for qualification purposes. Any change of score is official and is included in the final results. This process does NOT apply:
         1) for mobility purposes, or
         2) if qualification to the state or regional meet is by percentage or designated number per age group.
   4. After the Chief Judge has completed the response to the inquiry, the Meet Referee or Meet Director will return the form to the coach. The coach may not approach the judge regarding the inquiry during the competition.
5. No video review is allowed at any Xcel competition during the processing of an inquiry unless the following criteria are met:
   a. At state meets and above, a coach can request video review by the Meet Referee and the highest rated unaffiliated judge (if video is available) in the event that the inquiry involves possibility that the judges missed an element that would affect the Start Value. The video review process may NOT be used to appeal a judgment of degree assessment, i.e. degree of casts, handstands, incomplete turns, direct connection of elements, or leg separation in leaps as well as other like skills.
      1) If the Meet Referee or highest rated judge is affiliated with the athlete in question, the video review will be conducted by the two highest rated unaffiliated judges, or the highest rated unaffiliated judge and a USA Gymnastics officer.
      2) The Meet Referee must inform the judging panel that a video review will be initiated as well as the final decision.
   Examples:
      1) All judges did not record a full turn on BB.
      2) One or more judges recorded a 1/1 twist instead of 2/1 twist on FX.
      3) To verify if the gymnast grasps or touches the bar with one or two hands before falling on a release element.
      4) To verify if the gymnast lands on the feet first on a vault.

6. If administrative procedures (see below) were not properly followed on a submitted inquiry, the coach may petition the Jury of Appeals for a review within 5 minutes of the end of the rotation/competition or the return of the inquiry form whichever occurs later. A video review, if available, may be considered by the Jury of Appeals. Jury decision should occur within 15 minutes after the conclusion of meet and before the awards are presented.

   Procedures for Inquiries:
   a. Properly written inquiry form by the coach.
   b. Inquiry submitted in a timely manner to the Meet Referee or Meet Director.
   c. Inquiry reviewed/answered by the judging panel of the event in question.
   d. Inquiry returned to Meet Referee or Meet Director.
   e. Meet Referee or Meet Director returns inquiry to coach by hand or by a pre-defined inquiry return procedure.

H. Jury of Appeals

1. The Jury of Appeals is needed to resolve problems in certain situations. The Jury of Appeals for local and state meets is comprised of the following individuals:
   a. Meet Director (non-voting, if question relates to his/her gymnast)
   b. Meet Referee (President of the Jury)
   c. Chief Judge of the Event in question
   d. If available, one USA Gymnastics representative (Elected State or higher Committee member or any Regional or National Officer)

2. Methods of settling a case by the Jury:
   a. Discussion
   b. Voting on a decision
   c. Majority vote dictates the final decision

3. Jury of Appeals for Regional competitions shall include the Meet Director (unless affiliated with the inquiry), the Meet Referee, and the USA elected Administrative Officers.

I. Justification for changing a score as a result of a conference, inquiry or Jury of Appeals:
   1. If an error (mathematical, recording, or flashing) exists.
   2. If the average score was computed from scores that were out of range.
   3. If time and/or line violations were administered improperly.
   4. If the Jury of Appeals decides to penalize the gymnast for improper attire or behavior, or the coach for improper behavior.

J. Audience/Spectator Regulations

1. Spectators are not allowed to enter the “field of play” competitive area. They must use only the area designated for the public.
2. Spectators are not allowed to use flash photography during the pre-meet warm-ups or competition, as this may endanger the performing athletes.
3. Spectators shall not disturb the order of the meet, its competitors and its officials. Individuals causing violations shall be asked to leave the competition site.
4. The spectators shall not carry food or drinks into the spectators’ area, if so directed.
5. Children (offspring) of coaches and/or judges should not be on the competition floor unless performing a specific duty, such as “runner” or “score flasher.

K. Participant Regulations
   • The use of cell phones (for talking, texting, etc.) or any type of wireless communication device is prohibited while on the “field of play”. If a call must be made, it should be done outside the field of play.
Chapter 7

Exception: Walkie-talkies for the Meet Director and host club personnel and medical personnel are allowed.

L. Music Regulations

1. Music failures/errors that occur before the athlete has started the routine can be corrected and the correct music restarted.

2. Procedures for music failure during the routine due to technical failure
   a. The gymnast may continue her routine. Upon completion of the routine, gymnast and coach must decide whether to repeat the routine or accept the score that is given. The judges will post no score until that decision is made. No deduction would be taken for the absence of music.
   b. The gymnast may stop her performance immediately and request permission from the Chief Judge to repeat her routine or to continue from the point of interruption. Once permission is given, they would perform again (either from the point of interruption or the entire exercise) after a reasonable amount of rest time. No score would be given for the partial routine.

M. Invitationals

All USA Gymnastics-sanctioned invitationals are governed by the USA Gymnastics Rules and Policies, USA Gymnastics safety guidelines and judging criteria. They may be held at the local, state, regional, national and international club level.

1. TYPES OF INVITATIONALS
   a. Individual or team invitationals which specify certain competitive divisions. Because all rules pertaining to that competitive division are followed, scores at such invitationals may be used to qualify to Sectionals or higher (as determined by the SAC or RAC), may be used in injury petitions and may be used for mobility purposes.
   b. Any Invitational involving athletes from foreign countries must contact the USA Gymnastics Member Services for USA Gymnastics and/or FIG procedures. For more information regarding foreign athlete participation, please refer to Chapter 2 page 23.

2. Rules and Procedures for Invitationals

   a. The Meet Director must publish the following in the pre-meet information:
      1) The age divisions and schedule for awards for each competitive division.
      2) Spectator admission fees and gymnast's entry fees.
      3) Judging Panels (1 judge, 2 judge, 4 judge, Pro Members, etc.)
   b. Teams may determine the competitive order of their gymnasts for each event.
   c. Teams may be comprised of gymnasts from different age divisions and/or different competitive divisions.
   d. Each team may block time for touch warm-up, based on 30 seconds per gymnast for bars, beam and floor exercise. If athletes chose to block time on bars, the clock will not stop for the setting of the bars. Vault touch warm-up is based on a specific number of vaults (1 for Bronze; 2 for Silver, Gold, and Platinum; 3 for Diamond).
   e. For all sanctioned events that have multiple sessions of the same competitive division vying for the same individual awards and team awards, athletes must be judged by the same judging panels. This does not apply to overall team awards with combined competitive divisions of competition.
   f. Non-citizens and foreign athletes are eligible for awards at all invitationals. It is not required to give duplicate awards for non-citizens/foreign athletes. A non-citizen training as a member of a U.S. club may also be included in a Club's Team Score. For information regarding Foreign Athlete (Elite or non-elite) participation in the Jr. Olympic Program, please refer to Chapter 2, page 23.
   g. If All-Star teams (teams comprised of athletes from different clubs/teams) are allowed to compete for team score, the meet director must indicate this in the pre-meet information.
   h. Team Competition at Invitational Meets:
      The Meet Director may determine the format and draw for Club team competition.
      1) A draw will be made to determine which teams will start on each event. If there is more than one team per squad, the teams will draw for order of competition within the squad.
      2) Each team may determine the competitive order of its gymnasts.
      3) The team may be comprised of gymnasts from different age divisions and/or different competitive divisions, depending upon the type of invitational.
         * In the case of team invitationals in which different competitive divisions are competing within the same squad and receiving separate awards, all teams in the squad would compete gymnasts of one competitive division, then repeat the team order with the next competitive division of gymnasts.
   i. Individual Event Finals Competition (at invitationals)
      1) The Meet Director, Technical Director and/or Meet Referee conduct a random draw.
      2) If running one event at a time, competition proceeds in Olympic order.
Chapter 7

3) If two events run simultaneously, it is recommended to conduct Vault and Bars competition first, followed by Beam and Floor Exercise.

4) If two events run simultaneously, and a gymnast is drawn for the same or similar competitive order in both events, she will be dropped down in the rotation for her second event in order to provide adequate warm-up and recovery time.

3. Gymnasts going out of order - Clarification: There is no deduction for athletes competing out of order. At invitational meets that use a competitive start list, the coach may change the order if it would facilitate the use of equipment on the same setting. The Meet Director and the coaches within the squad must approve this. Please refer to Rules & Policies, page 105, N.2.b. & N.2.i.3.e.

Awards

The minimum numbers and/or types of awards that must be distributed are listed below. A meet director may present more awards, but not less, than those listed. Non-citizens living and training in the United States, who are not current or past members of a foreign national team, may participate in all USA Gymnastics sanctioned Xcel events and are eligible for awards. For more information regarding foreign athlete participation, please refer to Chapter 2, page 23.

I. Individual Awards

A. All Xcel Divisions – the meet director is required to give a minimum of 40% of each age division for individual events and in the All-Around.

B. Competition with Individual Event Specialists included

Whenever Individual Event Specialists are included in a competition, the Individual Event Specialists compete and are ranked amongst the All-Around competitors. However, if there is a tie between an Individual Event Specialist and an All-Around athlete, the tie is NOT broken. Both athletes would receive identical awards.

Example for the vault event:
1. First place athlete’s score is 9.40.
2. Next highest score is 9.30, earned by two athletes – one competing in the AA and the other competing as an Individual Event Specialist. This tie is not broken; both gymnasts receive the 2nd place award.
3. The next highest scoring athlete earns a 9.20 and would then receive the 4th place award.

C. If the draw for sessions is by club teams, awards for all age divisions must be presented at each session.

D. A State Administrative Committee Chairman may request that the Regional Administrative Committee Chairman grant a deviation from these minimum recommendations based on financial conditions of the State Meet. The Regional Administrative Committee may choose to deviate from these minimum recommendations based on financial conditions of the Regional meet.

E. If a gymnast competes in the wrong age division, her scores are invalid for the meet (may not be used for All-Around, Individual Events or Team awards); however, the score achieved may be used for level mobility.

II. Team Awards

A. Team awards are to be determined by the State Administrative Committee for Sectionals through State Championships and by the Regional Administrative Committee for Regional Championships.

B. Should be awarded for each division (Bronze, Silver, Gold, Platinum, Diamond). Divisions should not be combined for Team Awards.

C. State Team Competition for Regional Championships:

1. Regional Championships: State Team awards may be presented (at the discretion of the Regional Administrative Committee).
2. Club Team Awards may be presented at the discretion of the Regional Administrative Committee.

III. Award Tie Breaking System

THIS SYSTEM IS TO BE USED WHEN AWARDING TROPHIES OR ENGRAVED MEDALS. It may also be used when awarding ribbons; however, if financial conditions permit, it is strongly recommended that duplicate awards be presented.

A. Recognition of tied gymnasts

1. If there is a tie for first place, BOTH GYMNASTS are champions and should be announced as such, although one will receive the second place award if duplicate awards are not possible.
2. In the case of ties for other places, the gymnasts will be announced as being tied for that rank; however, the tie-breaking procedure determines which gymnast receives the higher award, if duplicate awards are not given.
3. All gymnasts who tie for a place receive an award. When there is a tie for the last place awarded, the tie-breaking procedure is used to determine which gymnast will receive the award that day. Duplicate awards should be sent, within one month, to the remaining tied gymnasts.

B. Distribution of Awards: Example of tie for first place:
Chapter 7

1. Award the first place medal by one of the tie breaking procedures.
2. The second place medal is then presented to the tied gymnast.
3. There is NO second place ranking.
4. The third place medal is then presented to the next gymnast, and so on.

C. Tie-Breaking Procedures for Presentation of Awards

For meets that cannot provide duplicate awards for placement, the tie-breaking system should be used. However, whenever there is a tie, the computer should be programmed to skip the next place (example, Tie for 1st - both gymnasts are recognized as 1st place winners, with one gymnast receiving the gold, the other silver based on the tie-breaking procedure. The next highest scoring gymnast receives the 3rd place award and no 2nd place award is presented.)

1. Ties in the All-Around
   a. The gymnast with the highest individual event score receives the award for the tied place.
   b. If the gymnasts are still tied, then the gymnast with the second highest individual event score receives the award.
   c. If the gymnasts are still tied, then the gymnast with the third highest individual event score receives the award.
   d. If the gymnasts are still tied, then the flip of a coin in the presence of both coaches will break the tie for the award.

2. Ties in the Individual Events
   a. The gymnast with the highest All-Around total receives the award for the tied place.
   b. If the gymnasts are still tied, then the flip of a coin in the presence of both coaches will break the tie for the award.

3. Ties at Individual Event Finals (New Life) at Invitationals
   a. The gymnast with the highest preliminary score on that event receives the award for the tied place.
   b. If still tied, then the gymnast with the highest All-Around score from the preliminary competition receives the award for the tied place.
   c. It is recommended that tied gymnasts receive duplicate awards. Use the above tie-breaking criteria if duplicate awards are not given for financial purposes or if duplicate awards are not available at the competition. The gymnast receiving the lower place award should be sent a duplicate award, if not available at the competition.
   d. In case of a tie for the overall State Team Champion award, both states will be announced as co-champions.

4. Ties in Team Score
   a. The team with the highest team score on a single event receives the award for the tied place.
   b. If still tied, the team with the next highest team score on an event receives the award for the tied place.
   c. If still tied, continue to the next highest of the events.
   d. In case of a tie for last awarded place, both teams are to receive awards. Use the tie breaking procedures to determine which team receives the award that day and send a duplicate award to the members of the other team.

SELECTION OF COMPETITION HOSTS FOR QUALIFYING EVENTS

I. Bidding for a USA Gymnastics Competition

Bid forms for State and Regional meets are available through the State and Regional Administrative Committee Chairman.

A. Xcel Pre-Sectional Qualifiers, Sectional and State level competitions: send a completed bid form to the State Administrative Committee Chairman.

B. Xcel Regional competitions: send a completed bid form to the Regional Administrative Committee Chairman.

II. Criteria for Selection of Competition Hosts

After all the bids are received, they are ranked and the host named. The aim is to provide equal opportunity to all applicants and to grant the event to the optimal host organization. Several factors are considered.

A. The host organization must have successful event organizational experience and the reputation of operating according to the highest of ethical standards.

B. The geographic location of the meet is to be rotated from time to time.

C. The total schedule and location of state and regional meets for that year.

D. The Meet Director MUST be a Professional Member with current Safety Certification and criminal background check, from a member club or registered business, and also must be certified as a Meet Director.

E. The host organization and the meet director must guarantee the best organizational set-up for a quality event, according to the USA Gymnastics Rules and Policies.

F. The host organization must be responsible for any financial loss it may incur.
Chapter 8 - Junior Olympic Competitive Program

I. Overview

The Junior Olympic program was developed with the belief that all athletes, regardless of their potential, must have a solid foundation of basic skills in order to advance safely. The program allows the gymnast to advance at her own pace, competing in more than one level in a year, if she so chooses.

In order to compete in a sanctioned competition, an athlete must be a registered USA Gymnastics Athlete Member or Introductory Athlete Member (Levels 1-2 & Xcel).

A gymnast may compete in a maximum of two [2] State meets per competitive year [one per season], either at the same or higher Level.

The Women’s Junior Olympic Program is divided into three major segments; developmental, compulsory, and optional.

A. The Developmental Levels 1 through 3 may be used as a non-competitive and achievement-oriented program for use within a gym’s pre-team program, or they may be used as an introductory/recreational competitive program. States may offer State Championships for these levels.
   1. In-gym or inter-club testing.
   2. Equipment should accommodate the size of the gymnasts.
   3. Gymnasts must enter at Level 1, but may progress through the events and skills at different levels.
   4. Athletes may not skip any level [exception...Level 6 may be skipped, see below]. They must advance one level at a time by scoring the minimum mobility score at any USA Gymnastics sanctioned competition [Exception: Levels 1-3 do not have a mobility score].
   5. A gymnast may not advance to Level 4 until she has completed the requirements as listed in the Entry & Mobility chart.
   6. Levels 1-3: Some states have an organized Level 1-3 competitive program with sanctioned events.
      • Contact the State Administrative Committee Chairman for information on scheduling, judging criteria, etc.

B. The second part consists of Compulsory Levels 4 and 5. Both of these levels are progressive in nature, building upon the skills required at the previous level. Competitive opportunities are provided up to and including the USA Gymnastics State Championships.

C. The third segment is the Optional Levels 6 -10. Levels 6, 7, 8, and 9 have difficulty restrictions, while Level 10 has no restrictions in the skill choice. Composition is evaluated at Levels 8, 9, and 10. Refer to the Jr. Olympic Code of Points for a complete explanation of Level 6-10 rules.
   1. Levels 6 & 7 have competitive opportunities up to and including State and possibly Regional Championships, depending on the needs of each Region.
   2. Additional competitive opportunities are provided for Levels 8-10, with the Level 10 competitive season culminating at the Jr. Olympic National Championships, Level 9 at the Eastern or Western Championships and Level 8 at the Regional Championships.

A non-competitive educational Jr. Olympic Dance Workout Program [Workouts 1-5] is also available to provide proper dance training for gymnastics. The text, DVDs and CDs can be ordered through the Merchandise Provider or from the USA Gymnastics online store at www.usagym.org.

Junior Olympic competitions are conducted throughout the United States and are organized by the USA Gymnastics State and Regional Administrative Committees. Each state has the jurisdiction to determine its state calendar, according to the needs of its members. A Jr. Olympic COMPETITIVE YEAR is defined as the period from August 1 through July 31. A COMPETITIVE SEASON is defined as that period from the first designated qualifying competition through the culminating Championships at each level.

II. Age Requirements and Mobility Scores

A. In the spirit of good sportsmanship, fairness to all athletes and competitive balance, the mobility system within the Jr. Olympic Program should be followed in the manner that it was intended:
   1. Before moving up a level, every athlete should show proficiency at her current level.
   2. Once a high level of proficiency is achieved at the athlete’s current level, she should strive to move up to the next level, as long as it is done safely.
   3. For athletes to repeat a level with the intent to gain an advantage over other competitors or teams IS NOT in the spirit of the Jr. Olympic Program or youth sports in general.
B. No mandate scores are permitted at any level. The Jr. Olympic program’s purpose is to provide competitive opportunities for all athletes, regardless of their age, ability level, or training commitment in terms of hours and/or finances.

C. Age Determination and Regulations

1. All gymnasts must reach the minimum age for the level before competing in any USA Gymnastics sanctioned competition (see chart on the next page).
   Example: Level 3 State meet date is Dec. 1; the last Level 3 State Qualifier is November 17, the gymnast will turn the minimum age for level 3 (6 yrs. old) on November 28th. She is ineligible to compete in the qualifying meet, and therefore does not have the opportunity to qualify to the Level 3 State Championships that season.

2. For all meets under the jurisdiction of the State or Regional Administrative Committees, the respective committee may determine the method of determining age divisions. There are basically two options:
   a. Age groups for the season: established by specific ages (i.e., 8-10 yr. olds, 11-12, etc.).
      1) In this case, the age divisions should be determined and published PRIOR to the competitive SEASON and the only adjustments that may be made during the season are sub-divisions of the age groups.
         • Exception: At Level 9 or 10 State meet and below, age divisions may be combined if the number of athletes is small.
      2) The gymnast’s age for the competitive season is determined by the date of the final day of competition at the culminating championship meet for that level. Exception: The gymnast must have reached the minimum age for her level prior to entering any qualifying competition.
         • For Levels 9 & 10 State meets and below – age is determined by the date of the last day of the State meet.
      3) The gymnast must compete with the age division as designated for the entire season.
      4) Published results MAY NOT include the gymnast's date of birth.
   b. Age groups for each competition: established by dividing the athletes by actual birth date into approximately equal groups according to a pre-determined number of age divisions or by a pre-determined maximum number of athletes per age division.
      • Meet Directors must publish or post online the meet schedule/age divisions as soon as possible after the entry deadline.

4. Age divisions for the Level 9 East/West and Level 10 Jr. Olympic National Championships will be determined by the National Office.
   a. The State Administrative Chairmen must report the names of all qualifiers to Level 9 and 10 Regional Meet to their Regional Administrative Chairman by the Monday following the State Championships, no later than 5:00pm local time.
   b. The Regional Administrative Committee Chairmen will compile the data for their region and forward it to the Women’s National Jr. Olympic Program Director.
   c. The Women’s Jr. Olympic Program Director will then determine the age divisions by dividing the athletes by birth date into approximately equal groups according to the designated number of prescribed age divisions.
   d. The age divisions will be published on the USA Gymnastics web site and will also be sent directly to all State and Regional Administrative Committee Chairmen.

5. If a gymnast competes in the wrong age division, her scores are invalid for the meet [may not be used for All-Around, Individual Events or Team awards]; however, the score achieved may be used for level mobility.
   a. If, due to valid unforeseen circumstances, a gymnast is unable to compete with her designated age group, she may compete on another day [or in another session] with the approval of the SACC. She will not be eligible for ANY awards. Her score may be used for mobility or qualification purposes [if qualification is by score, not placement or percentage in a given age group] to the next meet.

* See for specifics of dropping back in the next section

D. Dropping Back through the Levels

1. Once a gymnast has competed in a Sectional meet, she may NOT drop back to a lower level in the same competitive season.
   * If no Sectional meet is held, then the State Administrative Committee must determine prior to the beginning of the competitive year, a designated “declaration” date for each level for such purpose. The highest level the athlete competes in a sanctioned competition after the “declaration” date designates her level for the remainder of the current season.

2. If a gymnast does not qualify to the State Championships, she may petition to drop back one Level at the beginning of the next competitive season by submitting a formal written request to:
   a. For Levels 7 and below, the petition is sent to the State Administrative Committee Chairman, and the final decision is determined by the State Administrative Committee.
   b. For Levels 8, 9 & 10, the petition is sent to the Regional Technical Committee Chairman, and the final decision is determined by the Regional Administrative Committee.

3. Once an athlete competes in the State Championships, she is not allowed to drop back.
   Valid reasons would be considered by the State Administrative Committee Chairman (for Levels 7 & below) or the Regional Technical Committee Chairman (for Levels 8, 9 & 10) for dropping back an athlete who has competed in a State Championships. Exception: Mobility is allowed back and forth from Levels 5 and 6 without going through the petitioning process.
   a. These reasons would include injury, illness, or other extenuating circumstances that would have prevented the athlete from continuing to train at the level at which she had previously competed.
   b. If a valid reason does exist, the athlete would be able to drop back only one NUMERICAL level (i.e. competed Level 8, permission to drop back one numerical level to Level 7.)

4. A US Elite gymnast (an athlete who has competed as a Junior or Senior International Elite in a Classic Meet or higher) who wants to enter the JO Program MUST petition to drop back to the JO program, regardless of the year of competition, by sending a “reason for change” letter FROM HER COACH to the National Junior Olympic Committee Chairman. For Information regarding Foreign Athlete (Elite or non-elite) participation in the Jr. Olympic Program, please refer to Chapter 2, page 23.
   a. All petitions must be received at least two weeks prior to the Level 10 State Meet.
b. The National Jr. Olympic Committee will review the petition and the Chairman will notify the coach of the acceptance/denial of the petition and will copy the respective State and Regional Administrative Committee Chairmen and the Regional Technical Committee Chairman.

c. Accepted petitioned athletes may not re-enter the Elite/Pre-Elite Program during the Elite competitive year (through Championships of the year in which she competes Level 10).

d. Clarification: An elite athlete dropping back into the JO program is considered a JO athlete when she enters her first USA Gymnastics sanctioned event as a Level 10 athlete AFTER the petition has been granted.

e. All scores obtained before the petition is granted are INVALID for qualification to State Championships and above in the current season.

5. Any gymnast who competed at the Pre-Elite level (at a Regional or National qualifier and/or Challenge competition) may choose to compete as a Level 10 in the following season, since she is considered as a Pre-Elite athlete. No petition is necessary.

III. Alternative Competition Experience/Entry/Mobility Policies

Alternative Competition Experience Policies

A. Any athlete who has previously competed in the Jr. Olympic Program, but has been inactive for one or more years, must contact their State Administrative Committee Chairman for proper entry regulations. The options are:

1. Remain at the level at which they last competed.
2. Move up one level if they achieved the minimum mobility score during their last season.
3. Move down one numerical level, without petitioning.

B. Athletes whose competitive experience has been in any system (including USA Gymnastics’ Xcel Program) must enter the Junior Olympic Program at Level 4.

C. Any gymnast who has had previous competitive experience in any system (including USA Gymnastics) and who is a minimum of 14 years of age OR is at least a freshman in High School is eligible to petition by submitting a formal written request to the State Administrative Committee for entry into Level 7 and below. The petition must be accompanied by a video that demonstrates her skill level.

   • Refer to Chapter 2, page 23 for Foreign Athlete Participation in the Jr. Olympic Program.

D. States may incorporate sub-divisions within levels (such as first-year competitors and veterans or divisions based on scores achieved) or they may provide a team competition that is conducted separately from the state individual competition.

E. Individual Event Specialists; the mobility score for advancement to the next level for Individual Event Specialists at Levels 7, 8, and 9 is 8.50 per event.

F. Athletes who are limited in the number of events in which they can perform due to a permanent physical handicap (verified by a physician) may petition to qualify to a higher level by achieving an average score equal to the average of the All-Around qualifying score for that level. Submit petitions in a formal written request for Levels 7 and below to the State Administrative Committee Chairman and the final decision is determined by the State Administrative Committee. For Levels 8 and above, petitions are sent to the Regional Administrative Committee Chairman and the final decision is determined by the Regional Administrative Committee.

G. Injury or illness petitions – see IV.

IV. General Procedures for Petitions for USA Gymnastics Jr. Olympic Competitions

A. Petitions may be considered for the following reasons:

   • Injury, Illness or family tragedy (e.g., death, natural disaster)

B. If an athlete is injured prior to a qualifying meet, but is capable of competing in one, two or three events, she may compete in the qualifying meet without jeopardizing her right to petition to the next competition.

   • If a gymnast COMPLETES all four events in a qualifying meet, she is not eligible to petition and advance to the next competition.

C. The coach (or club administrator) is responsible for submitting all necessary documentation for the petition on behalf of the petitioning athlete.

D. Entry fees for petitioned athletes should be submitted by the entry deadline. If the petition is denied, the Meet Director must refund the entry fee within three weeks.

F. Specific procedures for State, Regional, Level 9 East/West Championships, Level 10 National Championships, are in the sections for those events.

- The State Administrative Committee determines the qualifying scores to sectional meets and State Championships for Levels 8 and below.

II. General Regulations

A. The State Administrative Committee determines

1. If and when Pre-Sectional Qualifiers and/or Sectional competition will be conducted.
2. If State Meets at Level 1-3 will be conducted.
3. If sub-divisions within levels will be offered, such as first year competitors and veterans, or if a team competition will be conducted separately from the State individual competition.
4. The qualifying scores for Pre-sectional, Sectional and State meets.
5. If Individual Event Specialist Competition for Levels 6-10 will be conducted at State Championships.
6. The competitive schedule for State Meets and below.
   a. It is recommended that a reasonable period of preparation be provided between seasons, especially between Compulsory and Optional Levels.
   b. May conduct one annual State meet, or one Fall and one Spring State Meet at Levels 7 and below.
B. The Regional Administrative Committee determines:

1. If a Level 8 and below Regional Championships will be conducted.
2. The qualifying procedures, schedule and format of the Level 8 and below Regional Championships.
C. Local Meets

1. Local Meets are not under the organizational responsibilities of the State Administrative Committee; i.e., Meet Directors may set dates, entry fee and gate fee, may contract their officials (using the USA Gymnastics Contract) or by requesting the services of the State's judging contractor, and may conduct Team competition.
   • Includes dual/triangular meets between clubs, inter-squads, and invitationals.
2. May be used for:
   a. mobility only, or
   b. qualification to the Pre-Sectional Qualifier (if conducted), Sectional (if conducted) or State Championships, at the discretion of the State Administrative Committee.
3. May have only one club (team) competing to obtain a Sanction.
4. Must be judged by a minimum of two qualified judges per event.
   a. Exception: One-judge panels are allowed at Compulsory levels 1, 2, 3, 4, and 5
   b. Any local meet that directly qualifies a Level 5 gymnast to a State meet MUST be judged by a two-judge panel.
   c. At Level 1-3, any Professional or Jr. Professional member or Introductory Coach Member (Levels 1-2 & Xcel only) is allowed to judge; however, the State Administrative Committee determines if any additional criteria will be used for state qualifying competitions and State Championships.
5. Results from local meets need to be mailed or e-mailed to the State Administrative Committee Chairman or designated state administrative committee representative and the meet director of the pre-sectional, sectional or state meet.

D. Pre-Sectional/Sectional Qualifiers
1. Pre-sectional meets are those meets, which are designated by the State Administrative Committee as the only meets which can be used to qualify gymnasts to either Sectionals (if held) or State Championships (if held).

2. For Sectional Meets, the State Committee, in conjunction with the Meet Director, will determine by draw the placement of teams within sessions.

3. Must have a minimum of two clubs competing to obtain a sanction.

4. May be used to qualify a specific number of gymnasts to the State Championships.

5. For compulsory competition, must be judged by a minimum of one qualified judge per event.
   - Any Pre-Sectional or Sectional meet that directly qualifies a Level 5 gymnast to a State meet MUST be judged by a two-judge panel.

6. All optional levels must be judged by a minimum of two-judge panel per event.

7. Results from pre-sectional or sectional meets need to be mailed or e-mailed to the State Administrative Committee Chairman or the designated state administrative committee representative and the meet director of the sectional or state meet.

E. State Championships

1. Are under the total jurisdiction of the State Administrative Committee and State Administrative Committee Chairman.
   - The format and number of athletes must be approved by the RJOCC and RTCC.

2. Must be conducted for Levels 4-10 and may be conducted for Levels 1-3 (at the discretion of the SAC).

3. May be conducted in the fall and/or spring for Levels 1-7, at the discretion of the State Administrative Committee. Level 8-10 State meets must be conducted in the spring, according to the Regional and National schedule.
   - For those levels that have a Regional competition, the respective State Meet must be scheduled a minimum of three weeks prior to the Regional meet. Any deviation to that guideline must be approved by the Regional Administrative Committee Chairman.

4. All Levels must be judged by a minimum of two qualified judges per event. The State Administrative Committee determines the number of judges per panel, selects the judges and Meet Referee, and may determine the event assignments. It is recommended by the Jr. Olympic Committee that the State Administrative Committee Chairman ask the Meet Referee to make the event assignments.

5. A present Level 8, 9 or 10 gymnast who competed at the same level the previous year and competed in the previous year’s Regional Championships (and achieved a score equal to or greater than the current year’s respective State Meet qualifying score) may directly enter the current year’s State Meet at her respective Level.

6. Entry Fees and Deadlines

1. The State entry fees may not exceed $75.00 for compulsory and $85.00 for optional levels unless approved by the Regional Administrative Committee Chairman. Entries must be postmarked a minimum of 14 days (or as per State Administrative Committee guidelines) prior to the first day of competition. A maximum fee of $50.00 per individual entry will be charged to individuals whose entry is received after the deadline or if entry is completed improperly. Entries must include:
   a. Competitors and accepted petitioned athletes’ name(s), USA Gymnastics Athlete Member number, birth date, citizenship and age division.
   b. The name(s) and USA Gymnastics Professional number, Safety Certification expiration, Background Check expiration, and U100 certification of all participating coaches.
   c. ALL FEES PAID IN FULL.
   d. An athlete is considered registered/entered in a competition only when her name is listed on the club’s entry form and the Meet Director has received valid payment.
   e. Any athlete who has qualified to a State, Regional, East/West or National Championships will be allowed to participate, provided that they are capable of performing at least one event. In this case, they must present and touch each apparatus in order to receive a score of “zero” at the events in which they are unable to compete. The scores received by this individual may also contribute to the team score.
   f. Entry fees for pre-sectional qualifiers, sectional meets and State meets are determined by the State Administrative Committee, with the approval of the Regional Administrative Committee Chairman.
   g. Entry fees are not refundable with less than ten days’ notice prior to the meet.

7. PETITIONS TO STATE CHAMPIONSHIPS [ALSO SEE GENERAL RULES FOR PETITIONS - CHAPTER 8, PAGE 78.]

   a. NO petitions are allowed if the qualification to the State Meet is by a percent of a percent or a designated number of each age division and not by score.
   b. If a gymnast is unable to compete at the Sectional or any local State-qualifying Meet (or cannot compete in the All-Around at State Meet) due to injury or illness prior to or during the State Meet, her coach may petition the State Administrative Committee Chairman to allow the athlete to directly enter the State Championships, if the following requirements are met and documentation is included with the petition form:

   b. Top 10 All-Around and Individual Event winners for each of the twelve age divisions are determined by the Optional competition. No Individual Event Finals will be held.
      - Ties are not broken; duplicate awards are presented.
   c. **Team Awards:**
      1) All members of the top three (3) winning teams in each age division will receive an award. Team scores are determined by adding the top four (4) scores on each event.
      2) An overall Regional Team Champion will be determined based upon the rankings of the Regional Teams in each age division. Points will accumulate based upon the following team placement per age division:

      | Place | Points |
      |-------|--------|
      | 1st   | 8      |
      | 2nd   | 7      |
      | 3rd   | 6      |
      | 4th   | 5      |
      | 5th   | 4      |
      | 6th   | 3      |
      | 7th   | 3      |
      | 8th   | 1      |

   d. **Jr. Olympic National Team:** The top four AA gymnasts per age division will be designated as the Jr. Olympic National Team and will receive plaques and will be invited to attend a Jr. Olympic National Training Camp. In the case of a tie for fourth place, the tied athletes will qualify to the Jr. Olympic National Team.
      1) If an eligible non-citizen athlete places in the top four (4) AA, she will receive the award for her AA placement; however, she is not eligible to become a member of the US Jr. Olympic National Team.
      2) In this instance, the next US citizen in rank order is placed on the Jr. Olympic National Team.
      3) Refer to Chapter 2, page 23 for eligibility requirements.

7. **Results and Reports**
   a. Results including All-Around, Individual Event and Team scores/ranking will be sent to the Jr. Olympic Program Director.
      - The WJOPD will distribute these results to the Women’s Program sub-committees by e-mail or by posting on the USA Gymnastics website.
   b. The Meet Director must send the Financial Report form within 60 days (or otherwise designated time) to the USA Gymnastics Women’s Jr. Olympic Program Director.

8. The Meet Director of the National Championships shall remain in close contact with the Jr. Olympic Program Director for assistance and guidance.
Chapter 8

Apparatus Requirements Junior Olympic Competitions

I. General Considerations
A. Athlete safety guidelines, as listed in the USA Gymnastics Safety Handbook, should always be considered.
B. It is recommended that there be a clearance of 5' to 6' from one apparatus to any other. This includes corresponding mat areas or any other obstruction, i.e., other apparatus, walls, pillars, etc.
C. It is recommended that there be a minimum of a 20-foot ceiling height for all USA Gymnastics sanctioned competitions.
D. Equipment specifications, including vault runway thickness, must be published in the pre-meet information.
   • Exact bar measurements must be listed on bid forms for sectional and above meets.
E. Levels 1-3 non-competitive gymnasts may set the equipment to facilitate the exercise. Level 1 and 2 meets must follow the same standards used at Level 3.
F. All equipment and matting used at a USA Gymnastics-sanctioned competition must be manufactured by a recognized equipment manufacturer.
G. Matting Height Specifications:
   1. COMPETITION LANDING MATS FOR VAULT, BARS AND BEAM (See V. for Floor Exercise matting)
      a. JR. OLYMPIC:
         1) One 10-12 cm (4") competition landing mat is required; a second 10 -12 cm (4") may be placed on top of the required mat for compulsory and optional competition. If a second 10-12 cm (4") mat is used for Optional Levels 6-10, it must be a minimum of 7' by 10'.
         2) Maximum height is 24 cm (9").
         3) 20 cm (8") competition landing mats are also allowed (but are not required).
            a) For vault, if 20 cm (8") mats are used, it is recommended that the Meet Director make every effort to also provide one 10-12 cm (4") competition landing mat.
            b) For Bars and Beam, in order to use a 20 cm (8") mat, the apparatus must be capable of being raised to the FIG maximum height allowance (High Bar – 246 cm; Beam – 125 cm).
         4) A 3 cm (1 ¼") base mat must be used if a 10 cm (4") competition landing mat is used. When using 12 (4") – 20 cm (8") mats, a base mat is not required.
            • The 3 cm (1 ¼") base mat may be placed underneath or on top of the competition landing mat.
      b. The area under the apparatus and/or in the landing area must be matted with competition landing mats that are uniform in height.
   2. Supplemental Matting [Skill Cushions] For Vault, Bars and Beam (See V. for Floor Exercise matting)
      a. JR. OLYMPIC
         1) Up to 24 cm (9") of any combination of supplemental matting [skill cushion(s), throw mat and/or sting mat(s) is allowed in addition to the maximum allowable competition landing surface of 24 cm (9").
         2) Whenever a full 20 cm (8") skill cushion is used, it must be a minimum of 5' x 10'; however, it is recommended that it be as close as possible to the same dimensions as the competition landing mat.
         3) Whenever a 10 cm (4") supplemental mat ("throw" mat) is used for Levels 6-10, it must be a minimum of 7' by 10'.
         4) Any dimension of sting mat is allowed.

H. Springboard/Mounting Specifications
   1. Only unaltered manufactured vaulting boards that meet FIG specifications (22 cm ± 1.5 cm) are approved for USA Gymnastics competitions. The height of the board is measured from the floor to the highest point of the board, including the covering. Exceptions:
      a. Levels 1-4 may use a manufactured “Junior” vaulting board.
      b. Levels 1 and 2 athletes may use alternative springboard apparatus, provided they are manufactured by a gymnastics equipment manufacturer. If an alternative springboard is used at a Level 3 or higher USA Gymnastics sanctioned event, the vault is considered VOID. The apparatus should resemble the shape of a vault board, with a maximum of 38 cm (15 inches) at the high end and a maximum of 10 cm (4 inches) at the low end. The surface producing the “spring” may be other than the traditional coil springs, such as an air bladder or small trampoline bed.
      c. All levels may also use a manufactured mat shaped like a springboard (Mount trainer/mount mat).
2. Plywood is not permitted underneath the board. [Exception: see Collegiate rules]

3. All Meet Directors must arrange to have boards that accommodate gymnasts of varying weights. Any boards brought in to a competition must be assigned to an event and must be available to all gymnasts in that session for warm-up and competition. The following 3-4 spring configurations for the springboard have been approved and may be utilized in USA Gymnastics sanctioned competitions:

4. Jr. Olympic levels: A board used to mount Bars or Beam may be placed on the competition landing mat(s) [one or two 10-12 cm (4") mats or one 20 cm (8")]. The board may also be placed on the allowable competition landing mats plus the supplemental matting of 5-10 cm (sting mat or 4" throw mat type skill cushions).
   a. At Levels 1 - 5, any manufactured mats, skill cushions or padded spotting/skill blocks may be used for mounting purposes.
   b. At Levels 6-10, a manufactured mount mat or folded panel mat may be used instead of a board for mounting purposes.
   c. The board (or mount mat) must be removed as soon as possible after the gymnast has mounted.
   d. At Levels 1-5, the mount mat [not a board] may be placed on a 20 cm (8") skill cushion for the purpose of mounting.
Chapter 8

e. At levels 6-10, the board (or mount mat) MAY NOT be placed on a 20 cm (8") skill cushion for the purpose of mounting.

5. For Jr. Olympic levels, the gymnast may stand (without a board) on one or two 10 -12 cm (4") landing mats or one 20 cm (8") mat (with or without a 3 cm (1¼") base mat placed under or on top of the competition landing mat.)
   a. The gymnast may also stand on an "up to 20 cm [8-inch] skill cushion" [sting, throw mat or 20 cm (8") skill cushion] that is placed on the competition landing mat(s).
   b. At Levels 1-5, any combination of competition landing mats and skill cushions may be used to facilitate the mount.
      • When performing the Level 3 uneven bar mount of glide swing, then back hip pullover, the athlete may stand on a panel mat, spotting block, or board placed on the above matting to initiate the jump into the glide swing. This mat/board must be removed as soon as possible after the jump into the glide swing.

I. Make sure all reasonable safety measures are considered. Examples:
   1. Each competitive area must have its own physical space and may not overlap with another competitive area.
   2. There cannot be any obstructions on the Floor Exercise Area.
   3. There must be sufficient room for mounting, dismounting, and vaulting areas.
   4. Procedures for the removal of blood and disinfection of the apparatus: A solution of 1 part bleach and 10 parts water (or an Anti-viral spray disinfectant) should be available for the removal/disinfection of blood from the apparatus or matting.

J. Conversion for inches to centimeters:
   Approx. ¾ inch = 2 cm
   4 inches = 10 cm
   4½ inches = 12 cm
   8 inches = 20 cm
   9 inches = 24 cm

II. Vault
   A. Specifications:
      1. Jr. Olympic Program:
         The vaulting table is required for Levels 4-10. The maximum vaulting table height is 135 cm (+ 1 cm). If using a vault table with two uprights, both must be set at the same height. The height is determined by measuring the distance from the floor to the center top of the vault table.
         a. The center top of the vault table is determined by measuring 68 cm from the back of the vault table. Tape of any kind, including athletic tape, may NOT be placed on top of the table at any time during warm-up or competition.
         b. If the vault runway is on a raised platform, the vault table must also be placed on a raised surface of the same height and the measurement of the vault table should be taken from the runway surface to the center top of the vault table, rather than from the floor.
         c. All manufactured models of the vault table (including "retro-fit" tables that are inserted into the uprights of the old horse) are allowed for competition, provided that they are capable of being adjusted to the various height specifications allowed for Jr. Olympic athletes. Matting must be used to cover the upright of the vault table as well as to cover any weights placed on the vault base for stability.
         d. Levels 4-5: All age divisions may use the vault table at any manufacturer setting. Levels 6-10: All age divisions may use the vault table at any height; however, the height must be within a minimum of 100 cm (± 1 cm) and a maximum of 135 cm (± 1 cm).
         e. Level 3 apparatus: Mat stack – minimum of 81 cm (32 inches) in height (± 2.5 cm or 1 inch). Any combination of competition landing mats, skill cushions and/or port-a-pit may be used; however, the top layer of matting MUST be a minimum of a 10 cm (4-inch) skill cushion or the port-a-pit, plus two additional 20 cm (8") skill cushions to allow for 102 cm (40") and 123 cm (48") heights (± 2.5 cm or 1 inch). An inflatable mat may also be used in the configuration of matting; however, the uppermost landing surface must be a minimum of a 10 cm (4-inch) skill cushion.
            1) All age divisions may use any of the three choices of heights.
            2) The mat stack may be placed on top of a solid foam pit.
            3) A tape line must be placed at 81 cm (32") from the front edge of the landing surface (placed so that the far edge of the tape is at 81 cm (32"). The tape line should also extend down the side of the mat.
            4) An additional mat [minimum of 10 cm (4")] must be placed on the floor behind the mat stack.
            5) All mats used in forming the mat stack must be a minimum of 5’ wide and 10’ long.
6) An unfolded panel mat may be placed on top of the uppermost surface of the mat stack/resi pit if necessary to provide a more stable landing surface.

B. Runway Specifications

1. Measurement is from the front of the vaulting table. The runway should be a clearly defined area that provides a flat, consistent surface, free of cracks, obstructions or seams. The Meet Director must provide a tape measure, which must be extended the length of the runway in order for the gymnasts to find the point at which to start their run. Minimum width of the runway should be the width of the board.
   a. Lengths:
      1) A 76' minimum, 82' maximum runway is allowed for Levels 8, 9 and 10.
      2) A 70' minimum, 80' maximum runway is allowed for Level 6 and 7.
      3) A 60' minimum, 80' maximum runway is allowed for Levels 1 - 5.
   b. Thickness: A minimum thickness of 3.5 cm (1 and 3/8 inches) (+ .3 cm or 1/8 in.) is required for the vault runway at all Optional levels (6-10).
   c. Athletic tape, Velcro strips or small chalk marks may be placed on the vault runway, provided that such markings are removed no later than the end of the rotation. Maximum width of Velcro strip or athletic tape is 5 cm (2 in.), maximum length is 3 feet.
   d. For the safety of the athlete, the Meet Director must securely fasten the vault runway to the floor with tape or Velcro.

2. Jr. Olympic: A hand placement mat may be placed on the runway (but not on the board) ONLY for vaults that require placing the hands on the runway in front of the board (Round-off or Front handspring entry.) The hand placement mat must be manufactured by a gymnastics equipment manufacturer and cannot exceed 5 cm (2 inches) in height. No other type matting is allowed.
   a. All Meet Directors of Level 8 and above competitions MUST provide a minimum of one manufactured Round-off hand placement mat.
   b. At East/West & JO National Championships, only the Round-off hand placement mats manufactured by the equipment company that is supplying the apparatus will be allowed. Clubs may not bring their own mats.
   c. If the Meet Director cannot supply the above mentioned Round-off hand placement mats, they may allow clubs to bring their own, provided the mat meets the criteria as stated above.
   d. If a Round-off entry hand placement mat is used, it must be placed Velcro-side down on the runway.

C. Use of the "VAULTING BOARD SAFETY ZONE MAT" is REQUIRED for all Front handspring onto the board and Round-off entry vaults executed at the Jr. Olympic Levels 8, 9 and 10. The safety zone mat must be placed snugly around the board so that there is no space between the board and the safety zone.
   a. No extra matting is to be placed between the Round-off entry mat (Safety Zone mat) and the vault table.
   b. The Safety Zone mat may be used for all other vaults (not Front Handspring onto the board and Round-off entry vaults) at all Jr. Olympic levels. In this example, the Safety Zone mat does not have to be placed snugly around the board.

Example of fully matted landing area:

![Example of fully matted landing area](image)

18' for JO 60' min. allowed for JO Lev. 1-5
70' min. - 80' maximum for JO Lev. 6-7
76' min. – 82' maximum for JO Lev. 8-10

D. Area required to be matted:

1. Jr. Olympic
   a. 3 cm (1¼ inch) Base mats: If 10 cm (4") competition landing mats are used, the following 3 cm (1¼") base mats are required:
      1) A minimum of 6' by 18' for Levels 4/5.
      2) A minimum of 8' x 18' for Level 6/7/8/9/10.
      3) If 12 cm (4¾") or 20 cm (8") landing mats are used, base mats are not required.
   b. Competition Landing Mats (CLMs):
      1) For Levels 1-3, refer to the Jr. Olympic Compulsory book for required matting at each level.
      2) For Levels 4-5, a minimum of a 6' by 12' matted area is required.
3) For Levels 6-10, a minimum of an 8’ x 15½’ matted area is required.

c. For Levels 6-10, whenever a 10 cm (4”) supplemental mat (“throw” mat) is used in addition to the competition landing mat(s), it must be a minimum of 7’ by 10’.

d. For USA Gymnastics sanctioned Jr. Olympic competitions up to and including the State Championships for all levels, one [10-12 cm (4”) or 20 cm (8’)] or two [10-12 cm (4’)] competition landing mats [plus the maximum allowable skill cushions] will be allowed to be placed on top of a solid-foam pit provided that this information is stated in the meet information sent to the participating clubs.

- Landing into a “LOOSE-FOAM PIT” AREA IS NOT ALLOWED FOR COMPETITION, unless the pit area is covered by a stable (wooden or metal) surface. Exception - this is allowable if the landing surface is deemed firm by the Meet Referee and Meet Director prior to the competition.

III. Uneven Bars

A. Specifications

1. Jr. Olympic specifications:
   a. Based on the best interest of the gymnast’s safety, it is permissible to adjust the High Bar and/or Low Bar to a height which exceeds (or is lower than) the FIG specifications. Regardless of the measurement, the rails must be adjusted only to a position that locks-in with a dual locking mechanism that meets the manufacturer’s recommended safety parameters.
   b. The distance [spread] between the bars may be set to the preference of the athlete, provided that after such adjustment, the bars remain within the allowances identified by the manufacturer of the apparatus.
      - For equipment that has a slider mechanism on both bars, it is strongly recommended that the low bar slider remain in the highest position, and that adjustments are made only with the high bar slider. This will expedite changing of bar sets during competition.
   c. A single bar may be used for Levels 1, 2 and 3 competitions; provided that the single bar meets the current Low bar specifications.

2. Fiberglass rails with wood covering are required for all sanctioned meets.

3. No other substance besides chalk and water may be placed on the uneven bar rails.

4. Round fiberglass rails are allowed at all USA Gymnastics competitions. Diameter: 39 mm ± 1 mm.
   - AAI “soft blue rails” are allowed at JO competitions, but must be listed in the pre-meet information.

B. Mount Specifications:

1. Levels 6-10: 18’ minimum is allowed. (No maximum).

2. Levels 1-5: 6’ minimum is allowed. (No maximum).

C. Area required to be matted:

1. Jr. Olympic: The matted area under bars must be:
   a. a minimum of 6’ by 15’ for Levels 1-3.
   b. a minimum of 6’ by 24’ for Levels 4 & 5.
   c. a minimum of 7½’ by 36’ for Levels 6-10.

2. Mount distance minimums:
   a. Levels 1-5 – 6’ minimum (no maximum)
   b. Levels 6-10 – 18’ minimum (no maximum)

3. For Levels 6-10, whenever a 10 cm (4”) supplemental mat (“throw” mat) is used in addition to the competition landing mat(s) for the dismount, it must be a minimum of 7’ by 10’.
4. If a 10 cm (4") mat (skill cushion) is placed on the competition landing mat(s) for dismount purposes, an additional 10 cm (4") or 20 cm (8") skill cushion may be used for the purpose of protection on a release element; however, the additional skill cushion must be removed immediately after the release element is performed.

5. When a raised surface is needed to spot release moves, it is recommended that a spotting block or folded mat be used; however, there is no penalty for standing on the board, provided that the board (or spotting device) is removed immediately after the release move is performed.
   - For Jr. Olympic competition, a 0.30 deduction will be taken if the spotting device is not removed.

IV. Balance Beam
A. Jr. Olympic height specifications:
   a. For all sanctioned Jr. Olympic events, the beam MUST be adjustable.
   b. All Levels may use the beam at any height, regardless of age division; however, the height must be within a minimum of 100 cm (+ 1 cm) and a maximum of 125 cm (+ 1 cm).
   c. Padded manufactured beams are required at all sanctioned competitions.
   d. Beams with a “spring” mechanism are allowed at Jr. Olympic competitions.
   e. It is strongly recommended that padding for the Beam uprights and bases be used, if available from the manufacturer.

B. Mount Specifications
   1. Levels 6-10: 18’ minimum is allowed. (No maximum)
   2. Levels 3-5: 12’ minimum is allowed. (No maximum)
   3. It is strongly recommended that the entire mounting area be level.

C. Area required to be matted:
   1. Jr. Olympic
      a. Levels 6-10: requires a minimum of 7½ by 12’ matted area at each end, and a minimum of 15’ wide by 15½’ long matted area under the beam. An 8’ wide mat for dismount area is recommended for Levels 7 and above.
      - For Levels 6-10, whenever a 10 cm (4") supplemental mat ("throw" mat) is used in addition to the competition landing mat(s) for the dismount, it must be a minimum of 7’ by 10’.
      b. Levels 1 - 5 requires a minimum of 6’ by 12’ matted area at each end of the beam (mats may be placed sideways since the dismount is not off the end), and a minimum of 12’ wide by 15½’ long matted area under the beam.

V. Floor Exercise
A. Jr. Olympic uses FIG specifications for Levels 6 – 10. FIG specifications: 12 meters X 12 meters (39' 4 7/16" X 39' 4 7/16"). The measurement is from the outside of the tape or where the carpet changes color. The floor surface must be a minimum of ¼" thick (3.2 cm) to a maximum of 7" thick (17.8 cm). The top of the mat must be joined into one continuous level surface.
   1. When the floor exercise carpet has two colors to distinguish the border rather that a solid color with taped boundary lines, it is permissible to place small pieces of tape of the same color as the floor area carpet at the inside corners of the boundary to assist the gymnast’s awareness of the boundary.
   2. For level 7 – 10 competitions held in outside facilities, the outside of the corners must be padded with unfolded panel mats or other such matting or carpet-bonded foam (a minimum of 3.5 cm [1 3/4] inches high) to protect the gymnast if they go beyond the dimensions of the Floor mat. The matting must extend a minimum of 5 feet out from the edge of the boundary line and extend a minimum of 6 feet from the corner down each side of the Floor Exercise area. The corner padding should be attached (with Velcro or something similar) to the floor, foam or carpet to avoid separating or slipping. An example of the additional matting at one corner is shown below:
B. Levels 3 and 4 may use a 36’ X 36’ area. Levels 1-3 may use a tumbling strip area provided it is a minimum of 8’ wide and 56’ long. If only a strip is available, the Meet Director must indicate this in the pre-meet information.

C. If carpeting is used, ¼” [3.2 cm] pile is maximum height recommended.

D. Rebound or spring type floors are required for all JO Levels 8-10 competitions. It is strongly recommended that a spring type floor also be used at Level 7 and below.

E. Additional matting:
   1. Whenever additional matting is placed on the Floor Exercise area and covers any portion of the boundary line(s), the mat must be clearly marked. It is recommended that athletic tape (provided by the coach) be used to mark the mats. Chalk may be used but should be removed before the next competitor. A towel should be provided by the meet director to facilitate the removal of the chalk markings.
   2. Jr. Olympic - all levels: Up to two manufactured mats (maximum thickness of 20 cm [8’]) may be placed separately on the Floor Exercise area. If the skill cushion is 20 cm (8”) in thickness, it must be a minimum of 5’ x 10’. A “sting” mat may also be used on top of or under the 20 cm (8”) mat.
      a. Only one skill cushion or 10 cm (4”) throw mat per tumbling pass may be used, with no more than two mats on the floor exercise area at any one point in time. A sting mat may be placed on top of or under the skill cushion/throw mat(s).
      b. Whenever additional matting is placed on the Floor Exercise area and covers any portion of the boundary line(s), the mat must be clearly marked with tape or chalk to indicate the actual boundary line(s).

F. When a tumbling “strip” is used in place of a full floor exercise area in the training and/or warm-up gym, it must be constructed of the same materials as the spring floor used in the competition gym and must be a minimum of 8’ wide and 60’ long for Jr. Olympic and Elite. A minimum of 3’ in length of additional padding (carpet bonded foam or something similar), is required at each end of a 56’ tumble strip that is used for warm-up.

8. Local hotel and transportation information, if necessary.
9. Competition schedule
   a. If the number of competitors is a known quantity, then specify the schedule.
   b. If the number of competitors and age divisions is unknown, indicate that a schedule will be sent after all entries have been received. Meet Directors of invitationals are advised to accept only a pre-determined number of athletes to avoid the necessity of conducting competitions during the weekdays.
   c. Consideration should be given to avoid conflicts with major religious holidays or school when scheduling competitions.
10. Compulsory Levels 1 - 5 and Xcel competitions - Pre-Meet information must specify if one-judge panels will be used.
11. Pre-Meet information for Invitational meets must indicate the “type” of invitational and regulations regarding team competition.

II. Entry Regulations and Fees

A. All gymnastics performers and demonstrators for entertainment/demonstration purposes must be currently registered as a USA Gymnastics Athlete/Introductory Athlete Member and must be covered under the individual club’s insurance policy.
   • If any non-gymnastics performers (individual or group) will be participating, the host club is advised to obtain proof of insurance for that individual/group.

B. All-Around competition is required for qualification to Sectional and above meets at all levels. Exceptions:
   1. For Levels 6-10, individual event specialist competition may be conducted up to and including regional meets, at the discretion of the respective state and regional administrative committees. Individual event specialist competitors may compete and be ranked amongst the all-around competitors; may be counted in the team score; and would receive duplicate awards in the case of a tie for event placement (ties involving Individual Event Specialists are NOT broken).
   2. Athletes who are limited in the number of events in which they can perform due to a permanent physical handicap (verified by a physician) may petition to qualify to higher level meets by achieving an average score equal to the average of the All-Around qualifying score. If the qualification is by number or percentage, such individuals could be added as additional athletes provided they achieve an average score that meets or exceeds the average score achieved by the lowest qualifier.

C. Any athlete who has qualified to a State, Regional, East/West or National Championships will be allowed to participate, provided that they are capable of performing at least one event. In this case, they must present and touch each apparatus in order to receive a score of “zero” at the events in which they are unable to compete. The scores received by this individual may also contribute to the team score.

D. Non-citizens living and training in the United States, who are not current or past National Team members for a foreign country, may participate in all USA Gymnastics sanctioned Jr. Olympic events. For Information regarding Foreign Athlete (Elite or non-elite) participation in the Jr. Olympic Program, please refer to Chapter 2, page 23.

E. In any USA Gymnastics sanctioned competition, each team/club must have at least one (1) active coach on the floor. Every coach on the floor at a sanctioned USA Gymnastics Women’s competition MUST be a USA Gymnastics Women’s
Chapter 9

Professional or Jr. Professional Member. Jr. Professional members must be accompanied by a Professional Member in order to be on the field of play (competition area) as a coach.

F. Entry Fees and Deadlines

1. It is recommended that competition entries are received AND a competition schedule published at least 4-6 weeks prior to the first day of competition. Entries should include:
   a. Competitors name(s), USA Gymnastics Athlete Member number, birth date, citizenship and age division.
   b. The name(s) and USA Gymnastics Professional number, Safety Certification expiration, Background Check expiration, and U100 certification of all participating coaches.
   c. ALL FEES PAID IN FULL.
   d. An athlete is considered registered/entered in a competition only when her name is listed on the club’s entry form and the Meet Director has received valid payment.

2. Meet Directors may not refuse entries from competitors who wish to enter a competition that serves as a Sectional Meet or any competition that serves as a qualifier to State Championships and above.
   • Exception: If the competition fills to maximum participant capacity, the Meet Director may consider accepting additional entries if/when space becomes available.

3. Cancellation Policy - The Meet Director should make the best effort to refund all or part of the entry fee in the event that severe weather or a shortage of judges would cause a cancellation of a competition.

Meet Formats, Number of Competitors, and Warm-up Times

I. Meet Formats and Number of Athletes

A. Types of Competition Formats

The only acceptable meet formats are listed in this publication. Any ideas for new formats should be submitted to the National JO Committee Chairman for consideration and/or approval and possible inclusion in future Rules & Policies.

1. Traditional Formats:
   a. Meets in which the open stretch, timed warm-ups and competition are conducted in one gym, with the timed warm-ups on all four events first, then competition on all four events (30-second touch warm-ups are required under certain conditions- see Competition Warm-up Procedures).
   b. Meets in which the open stretch and timed warm-ups on all four events are conducted in a warm-up gym, then the gymnasts move to a competition gym in order to compete on all four events. (30-second touch warm-ups are always required when the timed warm-ups are conducted on apparatus other than the competition apparatus.)
      • The apparatus must be identical to the competitive gym, with the exception of the Floor Exercise. If a spring tumbling strip is used instead of a full Floor Exercise area, it must be a minimum of 60’ long and 8’ wide.
   c. When using either of the above formats, if squads consist of 13 or more Compulsory gymnasts or 9 or more Optional gymnasts, the squad MAY be divided into two sub-groups for the competition warm-ups (30-second touch.) The first half takes their 30-second touch warm-ups, and then competes; then the second half takes their 30-second touch warm-ups and competes. Touch warm-ups on Beam and Floor may be staggered.
      • Taking the 30-second touch warm-up in this instance is at the discretion of the personal coach and MUST be allowed, if desired.

2. Modified Traditional FORMAT (alternating warm-up and competition):

Meets in which the open stretch, timed warm-ups and competition are conducted in one gym in which there is only one set of apparatus. The timed warm-ups immediately precede competition on each event [this format eliminates the requirement of a 30-second touch warm-up].
   • When squads consist of 13 or more Compulsory gymnasts or 9 or more Optional gymnasts, the squad MAY be divided into two sub-groups. The first half takes their timed warm-ups, and then competes; then the second half takes their timed warm-ups and competes. Touch warm-ups on beam and floor may be staggered.
   • Modified Traditional FORMAT #2 (alternating warm-up and competition): Meets in which the open stretch, timed warm-ups and competition are conducted in one gym in which there is one Vault, one set of bars, two balance beams, and one floor exercise mat in the competition gym. No warm-up gym. Timed warm-ups immediately preceding competition on each event with continuous rotations. The judges move from the “A” beam to the “B” beam for competition.) Timed warm-ups immediately preceding competition on that event. The timed warm-ups immediately precede competition on each event (this format eliminates the requirement of a 30-second touch warm-up).
• When squads consist of 13 or more Compulsory gymnasts or 9 or more Optional gymnasts, the squad MAY be divided into two sub-groups. The first half takes their timed warm-ups, and then competes; then the second half takes their timed warm-ups and competes. Touch warm-ups on beam and floor may be staggered.

4. Non-Traditional Formats:
   a. Meets that have two sets of apparatus (one for competition and a duplicate set for warm-ups) either in the same or in separate gyms and that alternate the warm-ups and competition, one event at a time. [Capitol Cup type format]
      1) Timed warm-ups on the first event for the first four squads (Flight 1) are conducted on the warm-up apparatus, then Flight 1 goes to the competitive equipment to compete on their first event while the next four squads (Flight 2) warm-up their first event. The two flights continue to alternate between warm-ups and competition until all eight squads have completed all four events.
      2) 30-second touch warm-ups are required since timed warm-ups are not conducted on the competition apparatus.

   b. Meets which have two sets of apparatus in one gym and in which the first four squads (Flight 1) have timed warm-ups and competition on one set of apparatus, while the second four squads (Flight 2) have timed warm-ups and competition on the other set of apparatus. (Modified Capitol Cup)
      1) As soon as the squads in Flight 1 finish timed warm-ups on their first event and begin competition, the four squads in Flight 2 begin their timed warm-ups on their first event. Once Flight 1 completes competition on the first event, the judges move to the other set of apparatus to judge Flight 2. The two flights continue to alternate between warm-up and competition until all eight squads have completed all four events.
      2) Since the timed warm-ups are conducted on the competition apparatus immediately preceding the competition on the event, 30-second touch warm-ups are not required.

   c. For both of these non-traditional formats, the total number of athletes assigned to the corresponding Flight A and B squads cannot exceed 16 for Levels 8-10, 20 for combined Levels 6 and 7 only, and 24 for Levels 1-5. If there are 9 or more (Levels 8-10), 11 or more (Levels 6-7 combined only), or 13 or more (Levels 1-5) in one of the squads, they are not allowed to split timed warm-up within their squad. It is also recommended that there be no less than five gymnasts per squad.
      ▪ If the number of athletes in any one session is less than 40, the athletes may be divided into six or seven squads, leaving one or two events (either warm-up gym or competition gym) per rotation empty.

   d. If a separate gym is used as a warm-up gym, the apparatus must be identical to the competitive gym, with the exception of the Floor Exercise. If a spring tumbling strip is used instead of a full Floor Exercise area, it must be a minimum of 60' long and 8' wide.

   e. When at all possible, the Meet Director at USA Gymnastics sanctioned invitational meets should assign teams that are split into two squads in the same flight and on “opposing” events. For example, if Team A is in two squads, Team A is assigned on Vault and Beam or Bars and Floor in the same flight, NOT Vault and Bars or Beam and Floor.

   f. It is acceptable to have a combination of non-traditional and modified non-traditional formats in the same session.
      ▪ Example: Use a warm-up gym and competition gym for UB, BB, and FX but have 2 VT stations in the competition gym.

B. Determining Meet Format and Schedule
   1. Select the type of format based upon number of athletes, number of levels, number of gymnasiaums and amount of apparatus available.
      ▪ Compulsory meets with 73-96 gymnasts in a session, Level 6 and 7 only meets with 57-80 gymnasts in a session, and Optional meets with 57-64 gymnasts in a session must use some type of non-traditional format in order to remain within the 5-hour maximum time in the gym.
   2. Gymnasts shall be grouped in sessions (and/or squads) first according to Level.
   3. There is no specific maximum number of judgments PER DAY per panel of judges. The limit to the total number of competitors per day is determined by the number of gymnasts allowed per session based upon which type of format is used, along with the following time restraints. The schedule of the competition must provide for the following:
      a. The 15-30 minute general warm-up may not begin before 8:00 A.M. [General stretch and bar settings].
      b. Must conform to the maximum number of judgments per SESSION per panel of judges [see chart].
      c. The competition must be scheduled to end by 10:00 PM. If the meet continues past 10:00 PM due to extenuating circumstances, the meet director must submit an explanation in writing to the RTCC, with a copy to the SACC (or RACC for Regional meets), as well as to USA Gymnastics Member Services.
         ▪ The Meet Referee must make a note of the time infraction on the Sanction Report Form.
      d. Gymnasts should be on the floor (includes warm-ups and competition) no longer than five (5) hours when performing a single set of compulsory or optional exercises in one (1) session.
1) Considering the ages of the athletes in Levels 1-3, it is recommended that the session be no longer than 2½ hours in length, including warm-up time.
2) If an athlete competes in two different sessions in one day, she must be provided adequate rest time between sessions.

e. Judges are to be provided a 30-minute break time between scheduled sessions.

4. REQUESTS TO EXCEED THE ALLOWABLE NUMBER OF JUDGMENTS PER SESSION WILL NOT BE CONSIDERED.
   a. If the event is a state qualifying event, additional sessions and/or days must be added.
   b. In the case of an invitational, the Meet Director must either place clubs on a wait list or they must change their format to allow for more than four panels of judges or more than one gym.

5. Allow adequate time for awards ceremonies (depending on the number of age divisions, number of awards to be given, and if a separate awards area is available) between sessions when calculating total time for competition to ensure that no gymnast will compete after 10:00 P.M.

C. Scheduling Guidelines

</table>

* If a squad has more than one level competing, the timed warm-up will be determined by the combined total number of minutes allowed for each level.
D. COMPETITIVE FORMAT AND DRAW: Procedures after entries have been received.

1. The State Administrative Committee may decide the competitive format and draw procedures for PRE-SECTIONAL AND SECTIONAL MEETS ONLY to allow the draw for sessions to be determined by either age divisions or by teams.
   • If the draw is conducted by teams, awards are given for all levels and/or age divisions competing in each session.
2. The draw for sessions at State and above Championship competitions is to be determined by age divisions.
   a. The State Administrative Committee determines specific guidelines that determine the order of competition for the age divisions and/or levels (for example, by random draw or youngest to oldest) for State meets.
   b. Using the pre-determined State guidelines, the Meet Director and State Administrative Committee Chairman, or other State Administrative Committee Members designated by the SACC, conduct the draw to determine the order in which the age divisions will be conducted.
   c. The format and number of athletes for State and Regional competitions must be approved by the RJOCC and RTCC.
      1) For State/Regional Championships: the maximum number of gymnasts per session may be exceeded by a small percentage for special circumstances, with the approval of the RTCC, RJOCC and the RACC for State Meets and by the NTCC and the NJOCC for Regional Meets.
      2) It is the Meet Director’s responsibility to contact the appropriate officers (State Meet Directors contact the SACC; Regional Meet Director contact RTCC). The State or Regional officer(s) will then contact the appropriate individuals, as stated above, for final approval.
3. Club team competition format and draw shall be determined by the:
   a. Meet Director for invitationals and local meets.
   b. State Administrative Committee for the Pre-sectional qualifiers, Sectional and State meets.
4. Alphabetize teams and assign competitive numbers for each gymnast, designated by age divisions and/or Levels. Each level and/or age division should be designated by a specific number sequence, if possible.
   a. If only achievement awards are given for Level 5 or below, the gymnasts are not required to compete within designated age divisions.
   b. To assign competitor numbers, first determine all athletes in the same age division, listed alphabetically, first by team, then by last name.
5. Determine the number of gymnasts per session based on type of competition, and allowable number of gymnasts per squad. The number of gymnasts per squad is determined by dividing the total number of gymnasts in the session by four in a traditional format, by five if a “bye” rotation is used, or by 8 in a non-traditional (Capitol Cup) format. [See Competition Formats]
6. Draw for team placement into necessary number of squads. All members of the same age division and/or level from the same team will be drawn for competitive order in the same squad in the same session.
   a. Priority - keep levels and/or age divisions in the same session and, if possible, the same squad(s).
   b. If warm-ups are conducted in a separate gym or on a separate set of apparatus in the same gym alternating with competition [non-traditional format], all athletes on the same team MUST be drawn in the same squad(s) within the same flight (in the same gym).
   c. No team [club] should be drawn into more than two squads in any one session, unless the total number of gymnasts from that club exceeds the number of gymnasts that would be drawn into two squads.
      • If there are several age divisions and/or levels within the same session, teams may be drawn for placement in one or two squads.
   d. The Meet Director should always consider the safety of the athlete first to determine the best format for the competition.
7. Draw for starting events for each squad.
8. Order of Events
   a. FIG Olympic competitive order is Vault, Uneven Bars, Balance Beam, and Floor Exercise.
   b. In the case of only one squad or 4 squads (1 panel or 4 panels of judges), the squad(s) will rotate in Olympic order.
   c. If only 2 events compete simultaneously [2 panels of judges], it is recommended that Vault and Bars run first, followed by Beam and Floor Exercise.
9. Draw for competitive order by taking the numbers of all gymnasts assigned to that squad and draw randomly. No one gymnast shall compete as the first performer of the competition in more than one event.
   a. If more than one level must be drawn in one squad, all athletes of the same level must compete consecutively. When rotating to the next event, the first competitor of a level would be dropped to the last spot.
   b. In the case of team invitationals in which the order of competition is drawn by team and the coach decides the competitive order of the gymnasts, all teams in the squad would compete gymnasts of one level, then repeat the team order with the next level of gymnasts.
Chapter 9

10. To determine the competitive order when rotating to the next event, the number of places to be “dropped” must be applied uniformly per session and is based on \( \frac{1}{4} \) of the number of competitors in the largest squad in that session.

Example: Two even squads of 12 and two squads of 11 - drop the first three (3) gymnasts in each squad to the end of the competitive order when rotating to the next event. Four odd-number squads of 9 - drop the first two (2) gymnasts to the end of competitive order.

- In the case of a squad being reduced in numbers due to gymnasts scratching prior to the start of competition, it may be necessary to re-define the start order on each event for that squad only if the original number of dropped places is more than \( \frac{1}{4} \) of the number of gymnasts in that squad.

11. The order of competition [start lists] must be distributed to all coaches and judges and posted at the competition site.

II. Meet Warm-Ups

A. Pre-meet (timed) warm-ups

1. A 15-30 minute general/open warm-up time is required. The Uneven Bars are available to obtain settings only (Tap Swings). The apparatus is NOT available for warm-up during the general warm-up time. Marking mount distances or practicing run-up onto the board is allowed. The Floor Exercise mat and other matted and open areas may be used for locomotor warm-up activities, such as running, and for skill warm-up that can be performed in a confined space. Line drills on Floor involving simple elements are allowed; however, tumbling on the diagonal is not allowed.

2. Timed warm-ups
   a. Rotations are determined by the following formula:
      1) Compulsories: Levels 1-2: Maximum of 30-seconds X number of gymnasts per squad
         Level 3: 45 seconds X number of gymnasts per squad
         Levels 4-5: 1 minute X number of gymnasts per squad
      2) Optionals: 1 ½ min. X number of gymnasts per squad (for traditional format meets & ALL Level 6 & 7 only meets, regardless of format)
         2 min. X number of gymnasts per squad (for modified traditional format meets and all non-traditional format meets)
         • For Levels 9,10 at State Championships and above, 2.5 minutes x number of gymnasts per squad on UNEVEN BARS ONLY (for modified traditional format meets and all non-traditional format meets)
      3) The amount of time for Vault and Floor Exercise pre-meet warm-ups is determined by the number of athletes in the largest squad of the session multiplied by the allotted time per gymnast (see charts below).
      4) If a squad has more than one level competing, the timed warm-up will be determined by the combined total number of minutes allowed for each level (see charts below).

Example 1:

<table>
<thead>
<tr>
<th>Squad</th>
<th># gymnasts</th>
<th>Level</th>
<th>Warm-up Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>10</td>
<td>All Level 6/7</td>
<td>15 min (10 x 1.5)</td>
</tr>
<tr>
<td>B</td>
<td>10</td>
<td>All Level 6/7</td>
<td>15 min (10 x 1.5)</td>
</tr>
<tr>
<td>C</td>
<td>10</td>
<td>All Level 6/7</td>
<td>15 min (10 x 1.5)</td>
</tr>
<tr>
<td>D</td>
<td>10</td>
<td>8 at Level 6/7; 2 at Level 8</td>
<td>16 min (8 x 1.5 plus 2 x 2 min)</td>
</tr>
</tbody>
</table>

In Example 1, all squads would have 16 minutes (time of the largest squad) for vault and floor.

Example 2:

<table>
<thead>
<tr>
<th>Squad</th>
<th># gymnasts</th>
<th>Level</th>
<th>Warm-up Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>8</td>
<td>All Level 6</td>
<td>12 min (8 x 1.5)</td>
</tr>
<tr>
<td>B</td>
<td>8</td>
<td>All Level 7</td>
<td>12 min (8 x 1.5)</td>
</tr>
<tr>
<td>C</td>
<td>10</td>
<td>All Level 6</td>
<td>15 min (10 x 1.5)</td>
</tr>
<tr>
<td>D</td>
<td>8</td>
<td>6 Level 7, 2 Level 8</td>
<td>13 min (6 x 1.5 plus 2 x 2.0)</td>
</tr>
</tbody>
</table>

In Example 2, all squads would have 15 minutes (time of the largest squad) for vault and floor.

b. Bar settings (adjustments) are NOT included in the warm-up time; however, if a club or group of athletes chooses to block time, the clock will not stop within the block time. At all sanctioned events, only one gymnast at a time can be on the bars for any part of the warm-up period (this would include timed warm-ups and 30-second touch.)

c. Block time will be allowed on Bars and Beam only at the discretion of each individual coach for teams that have several gymnasts in one squad. Individual gymnasts from different teams may join together to block time, if they so desire.

1) When using a “warm-up/compete” format (one gym and one set of apparatus) with timed warm-ups immediately preceding competition on each event, gymnasts may “block” time.
Chapter 9

2) At USA Gymnastics sanctioned competitions that use a draw for individual competitive order, the first athlete to compete MUST warm-up first, whether she chooses to block or to take individual warm-up time. If the first athlete blocks warm-up time with additional athletes in the squad, those athletes will warm-up with the first competing athlete.

d. Block time for timed warm-ups is not allowed on Vault or Floor Exercise.

Note: The entire squad warms up at the same time for Vault and Floor. The amount of time is calculated by multiplying the allowable warm-up time per athlete by the number of athletes in the largest squad in that session.

e. Vault Warm-Up Procedures: The time will begin when the gymnast stands on the table to do a skill/jump off the table. If the gymnast does not do a skill/jump off the table, the time will begin when the gymnast begins running toward the table and touches the spring board. Warm-up drills i.e. “Handstand hops” and a “run by” without touching the board is NOT included in the warm-up time and will be allowed as long as performing these drills does not delay the competition. Excessive delay of “warm-up drills” when the timer is ready could result in a deduction.

f. Floor Exercise Warm-up Procedures for meet formats that provide only one floor exercise mat for competition (or one floor and a tumbling strip):

1) With squad of 8 or fewer Optional gymnasts: warm-up all 8 gymnasts [1½ min. each for traditional; 2 min. for non-traditional formats], then compete.

2) For non-traditional formats, the total number of athletes assigned to the corresponding Flight A and B squads cannot exceed 16 for Levels 8-10, 20 for combined Levels 6 and 7 only, and 24 for Levels 1-5. If there are 9 or more (Levels 8-10), 11 or more (Levels 6-7 combined only), or 13 or more (Levels 1-5) in one of the squads, they are not allowed to split timed warm-up within their squad.

3) With any allowable size squad: warm-up athletes between competitive routines.

a) When using this option, the Meet Director MUST assign an adult monitor to regulate the number of athletes warming up at any one point in time and to keep track of the competitive order. It is not a responsibility of the judges.

b) A gymnast is allowed to start warming up when there are only six more competitors ahead of her. This gives each athlete 5 turns on the Floor mat prior to her time to compete and there will be no more than five athletes warming up on the floor at any one point in time.

c) Example with 8 gymnasts per squad: When the first squad in Flight A warms up on Floor, the first six athletes will warm-up together (6 x 2 minutes = 12 min.). Once competition begins, the 7th athlete will warm-up while judges evaluate #1 gymnast; after each subsequent routine, another athlete will be added to warm-up.

d) This procedure may also be used for the touch warm-up.

e) For Compulsory Levels 1-5, in a modified non-traditional format, athletes may warm-up between floor routines as a group, corresponding with the squad numbers above (f.2). The group is not limited to six athletes, as required by Levels 6-10. If the coach feels not enough warm-up time has been given, he/she may ask the Chief Judge for a reasonable amount of additional time.

f) If a coach determines that the athletes have not had adequate warm-up time in between routines, he/she can request of the Chief Judge to either have a short block of time for a squad or partial squad to warm-up, or for the judges to slow down to allow for up to 30 seconds between exercises, especially for Levels 4 and below.

g) If an athlete (or team) disregards the timer and exceeds the warm-up time, the timer must report the infraction to the Meet Director or Meet Referee. This would be considered as the warning and any subsequent infraction would result in a 0.20 penalty.

h. Warm-up rotation order

1) Traditional format: Squads start the timed warm-ups on their second competitive event and rotate in Olympic order to finish warm-ups on their first competitive event.

EXAMPLE: Warm-up order: UB, BB, FX, V

Competitive order: V, UB, BB, FX

2) When “Bye Squads” are used, timed warm-ups must be in the same order as the competitive rotation.

i. If timed warm-ups are conducted in a separate Warm-up gym, all equipment (warm-up and competition) must be identical (with the exception of Floor Exercise, where a tumbling strip made with the same type springs, foam and carpet as the FX mat may be used in the warm-up gym). Each board must be marked for a specific gym and event.

j. If a gymnast arrives late to a competition due to circumstances beyond her control (traffic delay, weather-related), every effort should be made to allow the athlete to compete. She should be provided a safe and effective warm-up without upsetting the flow of the ongoing event. Provided that she has arrived for her designated session/age division, her scores will be valid for all individual and team rankings.
Chapter 9

B. Competition (30-second touch) warm-ups

1. The touch warm-ups are conducted as follows:
   a. Vault: Touch warm-ups are not controlled by time, but rather by a guaranteed maximum number of vaults per gymnast.
      1) Level 1-7 competitions: each gymnast is guaranteed a maximum of two (2) touch warm-up vaults.
      2) Level 8-10 Competitions: each gymnast is guaranteed a maximum of three (3) touch warm-up vaults.
      3) Each gymnast is allowed to stand on the vault table and jump (or salto) off ONE TIME ONLY, in addition to their specific number of allowable vaults.
      4) After presenting to the judges, the gymnasts are allowed ONE “runback” from the board before the vault attempts are counted.
   b. Bars: A 30-second warm-up per gymnast is allowed; the setting of the bars is NOT included in the “touch” warm-up time.
   c. Beam: 30-seconds per gymnast.
      • Touch warm-ups on beam only may also be staggered.
      Example: For competitions using the Modified Traditional format, the first three gymnasts warm-up on beam, then athlete #1 compete. Then the 4th gymnast warm-ups while the judges evaluate the score for the first gymnast. After each subsequent routine, the next gymnast in rotation order will warm up.
   d. Floor Exercise: All gymnasts in the squad (or half the squad in the case of large squads) warm up simultaneously for a time period determined by multiplying the number of gymnasts by 30 seconds. Example: 5 gymnasts will be given 2½ minutes as a group to warm-up.
      • Note: The Meet Director may choose to use the option of conducting the warm-ups in between the competitors.

2. A touch warm-up on the competitive equipment prior to each event is required for:
   a. Any competitions that do not conduct timed warm-ups on the competitive equipment.
      Note: Any meets (Compulsory or Optional) that are conducted with timed warm-ups directly preceding competition on each event are NOT REQUIRED to have touch warm-ups.
   b. State and above competitions, regardless of the number of gymnasts per squad. Exception: Compulsory level meets are not required to have 30-second touch warm-ups if squads do not have more than ten (10) gymnasts.
   c. Compulsory Level 4 and 5 competition with sixteen (16) or more gymnasts per squad.
      • Levels 1-3 are not required to have touch warm-ups.
   d. All optional competitions (regardless of the number of gymnasts per squad).

3. For Traditional format meets: In the case of large squads (9 or more Optional; 13 or more Compulsory), the squad MAY be divided into two (2) groups. The first half takes a touch warm-up and then competes; then the second half takes a touch warm-up and competes.
   • The option to alternate competition with the touch warm-ups (staggered touch) may also be used, at the discretion of the Meet Director.

4. The touch warm-ups are not required to be in competitive order.
   a. The first athlete to compete must be given the opportunity to touch first.
   b. Athletes will be allowed to take the touch warm-up in any order to expedite the one-touch warm-up, but each athlete must still be individually timed 30-seconds on Bars and Beam.
   c. On vault, the athletes may warm-up in any order, but each athlete is still guaranteed a maximum of 2 vaults (Level 1-7) or 3 vaults (Level 8-10).
   d. If the one-touch warm-up on Beam is staggered with warm-ups between competitive routines, the one touch warm-up must be in competitive order.

5. A gymnast is not required to take the touch warm-up.

6. In the case of an unavoidable delay in the competition (i.e. electrical power outage, serious injury, etc.), the Chief Judge (and/or Meet Referee and Meet Director) may allow an additional touch warm-up for those athletes who have already taken the 30-second touch but have had to wait an unreasonable amount of time. The safety of the athletes must be the primary concern.

III. Specific Competition Procedures

Included below are rules from the JO Code of Points for Athletes, Coaches, Judges, Meet Personnel and Spectators.

A. There shall be no more than 20 minutes between the end of timed warm-ups and the start of competition (or the 30-second touch competition warm-up).

B. Gymnasts should march from event to event, with the squad presenting itself to the Chief Judge. Exception: Competition formats that include continuous rotation do not require a formal march or presentation to the judges.

C. ONLY competing gymnasts and their coach(es) are allowed onto the competition area, and ONLY during the session in which they are competing.
1. The only additional people allowed on the competition floor are those directly involved with the running of the event (e.g., trainers, scorers, flashers, runners, etc.).

2. Coaches should make child care arrangements for their offspring, unless the child is old enough to act in a volunteer capacity at the competition.

D. At Level 9 East/West and Level 10 National Championships, the gymnast MUST wear her competitive number during the competition, unless she is performing a back spin on beam or floor, in which case the coach must show the number to the judges. At JO Nationals, high school aged athletes are encouraged to wear their competitive number during the training day as well, in order to assist collegiate coaches in identifying the athletes.

1. If the gymnast refuses to wear the number, a warning would be issued to the coach of the gymnast. If she fails to wear the number at subsequent events, a deduction for inappropriate attire would be applied.

2. At all other meets at which competitor number bibs are provided, the numbers may be worn or displayed.

E. At the State, Regional, East/West and National optional competitions, the gymnast must flash the vault number of the vault that she intends to perform.

F. If a gymnast is injured prior to or during the competition, but is unable to compete in all four events, she must touch the apparatus of the event(s) in which she is unable to compete. By receiving a score of zero or higher, she has the right to continue in the competition.

1. If the gymnast does not present to the Chief Judge and touch the apparatus on the next event(s), she will be considered as withdrawing (scratching) from the meet and thus forfeits her right to continue, but is eligible for awards on the events she competed.

2. If a gymnast is injured during the competition and is unable to compete in any additional events, she is not required to "touch" the apparatus on the remaining events. She is, however, still eligible to receive awards on any events completed prior to withdrawing (scratching).

G. Scoring

1. Base score will be established at the judges’ meeting at Sectional and above competitions with the use of the Technical Committee DVD; therefore, no analysis of forerunners is necessary and all events commence at the same time.

2. It is recommended that each judge must either independently input their score electronically or submit the score in writing on a separate score slip. If only one keypad is available per event, both judges must write their own score and both (or all four) scores should be entered electronically to ensure an accurate average score. At all sanctioned meets, there MUST be a written back-up [in the form of a verification heat sheet] to record the individual judges’ scores, neutral deductions and the final average score. In order to ensure accurate results, both vaults scores should be entered into electronic scoring system, especially at qualifying and championship competitions.

3. Open scoring is defined as either electronically flashing each judge’s score or by writing each judge’s score on each athlete’s competitor card. Open Scoring is:
   a. Required at Jr. Olympic Nationals and Level 9 Eastern/Western Championships.
   b. Allowed at Regional meets (determined by the Regional Administrative Committee).
   c. Allowed at Optional State Meets (determined by State Administrative Committee).
   d. Allowed at Optional Invitationals, at the discretion of the Meet Director.
   e. Not allowed at any compulsory meet, including compulsory State Championships.
   f. Procedures for Open Scoring
      1) Each judge should independently determine his/her score.
      2) Each judge should record the Start Value and final score on the judging slip and send it to the Chief Judge via the runner. If using electronic entry, only the score is entered.
      3) After the Chief Judge receives all judges’ scores, each individual judge’s score is then flashed on the score-flashing unit.
      4) If the score is changed as a result of a conference, the adjusted score should be re-flashed as a “Corrected Score”.

   g. Refer to the Meet Organizational Guidelines – Clerical Committee for additional procedures for use of Open Scoring. These guidelines can be found on the USA Gymnastics website at: http://usagym.org/PDFs/Women/Rules/Rules%20and%20Policies/w-meetorgguide.pdf.

4. Start Values for Optional (Levels 6 - 10) Competitions
   a. Start Values are required to be either flashed or written on the competitor’s card at ALL Level 6, 7, 8, 9 and 10 competitions.
   b. The State Administrative Committee may determine if the communication of Start Values is required (or allowed) at Xcel meets.
   c. Procedures for Flashing Start Values:
      1) Each judge should independently determine a Start Value.
2) The Start Value and the final score should be recorded on the judging slip and sent via the runner to the Chief Judge.
3) Each judge should flash the Start Value on the Start Value flashing unit as soon as the Chief Judge receives ALL judges’ scores.
4) Start Values do not have to match. A conference MAY be called to determine if the Start Value needs to be adjusted, either up or down.
5) If the Start Value is changed as a result of a conference, the adjusted Start Value should be re-flashed.
5. Judges may score in 0.05 increments at all USA Gymnastics sanctioned competitions.
6. A final score of 1.00 will be awarded for any Compulsory or Optional Bars, Beam or Floor Exercise routine that would result in a score equal to or less than one point (1.00).
7. Once the final average score is submitted to the scoring system, it may not be changed unless an inquiry is submitted and results in a score change.
   a. A Chief Judge may change a score after submission to the scoring system IF a neutral deduction (such as out of bounds or overtime) was inadvertently not applied. This change must occur prior to the end of the rotation. The coach must be notified of the score change and if possible, the new score should be displayed to the public.
   b. If a judge realizes that a gymnast was mistakenly judged using the incorrect rules for her level, the routine may be re-evaluated using the appropriate rules to determine the correct Start Value and specific compositional deductions, based on the judges’ shorthand. This re-evaluation must occur within 5 minutes of the end of the competition for that session. The judging panel must notify the Meet Referee and the scoring personnel that the re-evaluation is to occur. The coach must be notified immediately of any score change.
   c. If there is a clerical error when entering scores electronically, the score may be officially changed by the end of the session.
   d. Recommendation that, for State Championships and above: In extenuating situations, the Meet Referee has the authority to allow a judging panel to review a routine to verify that Special Requirements were fulfilled. The coach must be notified that a review will occur. No additional deductions are allowed to be taken by a judge after the review if the special requirement(s) in question is (are) awarded.
8. All-Around Score (AA)
   a. Compulsory All-Around is the total score for the four compulsory events.
   b. Optional All-Around is the total score for the four optional events.
9. Individual Event Finals Score: The format and qualification procedures for the Finals competition are determined by the Meet Director and must be published in advance.
   a. Finals may be conducted at Invitational meets.
   b. There are no Individual Event Finals conducted in any USA Gymnastics Jr. Olympic Program Championship competition.
   c. The Individual Event score/rankings are determined during the optional All-Around competition.
10. Team Score
   a. The method used to calculate the team score must be described clearly in the meet information for invitational meets.
   b. For USA Gymnastics Jr. Olympic Pre-Sectional Qualifiers, Sectionals and State club/team competitions, the State Administrative Committee shall determine the method used for determining team score. Some options are:
      1) Limit the number of gymnasts on a team and count all scores. (Example: 6-member team, or 3-member team, all scores count.)
      2) Specify the number of gymnasts on a team and count all scores but one on each event. (Example: 6-member team, 5 scores per event count.)
      3) Allow an unlimited number of gymnasts per team; specify number of scores per event to count.
H. Inquiry Regulations
1. Coaches are entitled to see all scores of their individual gymnasts. Inquiries may be based only on the following:
   a. Compulsories - Incorrect elements, evaluation of major elements, falls, neutral deductions or unusual occurrences.
   b. Optionals - Awarding of Start Value, specific “flat” compositional deductions, falls, neutral deductions or unusual occurrences.
      • A flash from a camera is not a valid reason to allow a gymnast to repeat a routine.
2. The Meet Director must provide inquiry forms at a place designated at the coaches meeting. The form is available:
a. on the USA Gymnastics website under Women’s Program at:  
http://usagym.org/pages/home/pages/forms.html?prog=w#womens
b. from your State Administrative Committee Chairman

3. Inquiries must be submitted to the Meet Director or Meet Referee within 5 minutes of the completion of the squad’s competition on that event.
   a. No fee may be charged to submit an inquiry.
   b. Coaches need to be aware that an inquiry allows for a second evaluation, which may result in:
      1) no change in score,
      2) the score being raised, or
      3) the score being lowered.
   c. Exception to the 5-minute to submit inquiry rule:
      If, after the completion of the last event, an athlete’s AA score is a maximum of 0.10 less than the qualifying score to the State (or Regional) Championships, the coach may submit an inquiry for the gymnast’s lowest scoring event in order that the athlete be considered for qualification purposes. Any change of score is official and is included in the final results. This process does NOT apply:
      1) for mobility purposes, or
      2) if qualification to the state or regional meet is by percentage or designated number per age group.

4. After the Chief Judge has completed the response to the inquiry, the Meet Referee or Meet Director will return the form to the coach. The coach may not approach the judge regarding the inquiry during the competition.

5. No video review is allowed at any Junior Olympic competition during the processing of an inquiry unless the following criteria are met:
   a. At state meets and above, a coach can request video review by the Meet Referee and the highest rated unaffiliated judge (if video is available) in the event that the inquiry involves possibility that the judges missed an element that would affect the Start Value. The video review process may NOT be used to appeal a judgment of degree assessment, i.e. degree of casts, handstands, incomplete turns, direct connection of elements, or leg separation in leaps as well as other like skills.
      1) If the Meet Referee or highest rated judge is affiliated with the athlete in question, the video review will be conducted by the two highest rated unaffiliated judges, or the highest rated unaffiliated judge and a USA Gymnastics officer.
      2) The Meet Referee must inform the judging panel that a video review will be initiated as well as the final decision.
      Examples:
      1) All judges did not record a full turn on BB.
      2) One or more judges recorded a 2/1 twist instead of 3/1 twist on FX.
      3) To verify if the gymnast grasps or touches the bar with one or two hands before falling on a release element.
      4) To verify if the gymnast lands on the feet first on a vault.

6. If administrative procedures (see below) were not properly followed on a submitted inquiry, the coach may petition the Jury of Appeals for a review within 5 minutes of the end of the rotation/competition or the return of the inquiry form whichever occurs later. A video review, if available, may be considered by the Jury of Appeals. Jury decision should occur within 15 minutes after the conclusion of meet and before the awards are presented.

   Procedures for Inquiries:
   a. Properly written inquiry form by the coach.
   b. Inquiry submitted in a timely manner to the Meet Referee or Meet Director.
   c. Inquiry reviewed/answered by the judging panel of the event in question.
   d. Inquiry returned to Meet Referee or Meet Director.
   e. Meet Referee or Meet Director returns inquiry to coach by hand or by a pre-defined inquiry return procedure.

I. Jury of Appeals
1. The Jury of Appeals is needed to resolve problems in certain situations [see the Jr. Olympic Code of Points]. The Jury of Appeals for local and state meets is comprised of the following individuals:
   a. Meet Director (non-voting, if question relates to his/her gymnast)
   b. Meet Referee (President of the Jury)
   c. Chief Judge of the Event in question
   d. If available, one USA Gymnastics representative (Elected State or higher Committee member or any Regional or National Officer)

2. Methods of settling a case by the Jury:
   a. Discussion
   b. Voting on a decision
   c. Majority vote dictates the final decision
Chapter 9

3. Jury of Appeals for Regional and above competitions shall include the Meet Director (unless affiliated with the inquiry), the Meet Referee, and the USA elected Administrative Officers.

J. Justification for changing a score as a result of a conference, inquiry or Jury of Appeals:
   1. If an error (mathematical, recording, or flashing) exists.
   2. If the average score was computed from scores that were out of range.
   3. If time and/or line violations were administered improperly.
   4. If the Jury of Appeals decides to penalize the gymnast for improper attire or behavior, or the coach for improper behavior.
   5. If the video review panel determines that an incorrect evaluation has been made.

K. Audience/Spectator Regulations
   1. Spectators are not allowed to enter the "field of play" competitive area. They must use only the area designated for the public.
   2. Spectators are not allowed to use flash photography during the pre-meet warm-ups or competition, as this may endanger the performing athletes.
   3. Spectators shall not disturb the order of the meet, its competitors and its officials. Individuals causing violations shall be asked to leave the competition site.
   4. The spectators shall not carry food or drinks into the spectators' area, if so directed.
   5. Children (offspring) of coaches and/or judges should not be on the competition floor unless performing a specific duty, such as "runner" or "score flasher".

L. Participant Regulations
   The use of cell phones (for talking, texting, etc.) or any type of wireless communication device is prohibited while on the "field of play". If a call must be made, it should be done outside the field of play.
   Exception: Walkie-talkies for the Meet Director and host club personnel and medical personnel are allowed.

M. Music Regulations
   1. Music failures/errors that occur before the athlete has started the routine can be corrected and the correct music restarted.
   2. Procedures for music failure during the routine due to technical failure:
      a. The gymnast may continue her routine. Upon completion of the routine, gymnast and coach must decide whether to repeat the routine or accept the score that is given. The judges will post no score until that decision is made. No deduction would be taken for the absence of music.
      b. The gymnast may stop her performance immediately and request permission from the Chief Judge to repeat her routine or to continue from the point of interruption. Once permission is given, the gymnast would perform again (either from the point of interruption or the entire exercise) after a reasonable amount of rest time. No score would be given for the partial routine.
   3. There are no grounds for a coach or gymnast to request to repeat a compulsory exercise routine if the wrong version of the same level floor music plays. (i.e., coach/music personnel inadvertently plays Flute version instead of Piano version.)

N. Invitationals
   All USA Gymnastics-sanctioned Invitationals are governed by the USA Gymnastics Rules and Policies, USA Gymnastics safety guidelines and judging criteria. They may be held at the local, state, regional, national and international club level.
   1. TYPES OF INVITATIONALS
      a. Individual or team Invitationals (Compulsory or Optional) which specify certain Level(s). Because all rules pertaining to that Level are followed, scores at such invitationals may be used to qualify to Sectionals, may be used in injury petitions and may be used for mobility purposes.
      b. Individual or Team OPEN OPTIONAL Invitationals are competitions involving more than one level of gymnast, all being judged under one set of rules (for example, Elites, Level 10 and possibly Level 9's competing under Level 10 rules). Level 9 and 10 gymnasts ONLY may use the scores achieved at Open Optional Invitationals to qualify (up to State), for petition purposes, and/or for mobility.
      c. Any Invitational involving athletes from foreign countries or USA “Elite” National Team members must contact the USA Gymnastics Member Services for USA Gymnastics and/or FIG procedures.
   2. Rules and Procedures for Invitationals
      The following deviations from USA Gymnastics Local, Sectional, and State Qualifying procedures will be allowed at any invitational:
      a. The Meet Director must publish the following in the pre-meet information:
         1) The age divisions and schedule for awards for each division.
         2) Spectator admission fees and gymnast’s entry fees.
      b. Teams may determine the competitive order of their gymnasts for each event.
      c. Teams may be comprised of gymnasts from different age divisions and/or different Levels.
      d. When using a meet format that requires a touch warm-up, each team may block time for touch warm-up, based on 30 seconds per gymnast for bars, beam and floor exercise. If athletes choose to block time on bars, the clock
will not stop for the setting of the bars. Vault touch warm-up is based on a specific number of vaults [2 for up to Level 7 and 3 for Levels 8-10].

e. For all sanctioned events that have multiple sessions of the same level vying for the same individual awards and team awards, athletes must be judged by the same judging panels. This does not apply to overall team awards with combined levels of competition.

f. Non-citizens and foreign athletes are eligible for awards at all Invitationals. It is not required to give duplicate awards for non-citizens/foreign athletes. A non-citizen training as a member of a U.S. club may also be included in a Club’s Team Score. For Information regarding Foreign Athlete [Elite or non-elite] participation in the Jr. Olympic Program, please refer to Chapter 2, page 23.

g. Open scoring and flashing of Start Values is allowed at Optional Invitationals, at the discretion of the Meet Director, provided that the guidelines found on page 106 are followed.

h. If All-Star teams (teams comprised of athletes from different clubs/teams) are allowed to compete for team score, the meet director must indicate this in the pre-meet information.

i. Team Competition at Invitational Meets:
The Meet Director may determine the format and draw for Club team competition.
1) A draw will be made to determine which teams will start on each event. If there is more than one team per squad, the teams will draw for order of competition within the squad.
2) Each team may determine the competitive order of its gymnasts.
3) The team may be comprised of gymnasts from different age divisions and/or different levels, depending upon the type of invitational.
   • In the case of team invitationals in which different levels are competing within the same squad and receiving separate awards, all teams in the squad would compete gymnasts of one level, then repeat the team order with the next level of gymnasts.
4) If All-Star teams (comprised of athletes from different clubs) are allowed to compete for team score, this must be indicated in pre-meet information.

j. Individual Event Finals Competition (at Invitationals)
1) The Meet Director, Technical Director and/or Meet Referee conduct a random draw.
2) If running one event at a time, competition proceeds in Olympic order.
3) If two events run simultaneously, it is recommended to conduct Vault and Bars competition first, followed by Beam and Floor Exercise.
4) If two events run simultaneously, and a gymnast is drawn for the same or similar competitive order in both events, she will be dropped down in the rotation for her second event in order to provide adequate warm-up and recovery time.

3. Gymnasts going out of order - Clarification: There is no deduction for athletes competing out of order. At invitational meets that use a competitive start list, the coach may change the order if it would facilitate the use of equipment on the same setting. The Meet Director and the coaches within the squad must approve this. Please refer to Rules & Policies, page 109, N.2.b. & N.2.i.1).2).

Awards

The minimum numbers and/or types of awards that must be distributed are listed below. A meet director may present more awards, but not less, than those listed. Non-citizens living and training in the United States, who are not current or past members of a foreign national team, may participate in all USA Gymnastics sanctioned Jr. Olympic events and are eligible for awards. At Jr. Olympic Nationals [Level 10], if a non-citizen places in the top four (4) AA, she will receive the award for her AA placement; however, she is not eligible to become a member of the US Jr. Olympic National Team. In this instance, the next US citizen in rank order will be placed on the JO National Team. For Information regarding Foreign Athlete [Elite or non-elite] participation in the Jr. Olympic Program, please refer to Chapter 2, page 23.

I. Individual Awards

A. Levels 1, 2, 3, 4
1. The State Administrative Committee determines whether achievement awards only, placement awards only, or a combination of both, are given.
   a. If Achievement awards are given, the State Administrative Committee will determine the guidelines for scores.
   b. If Placement awards only are given, Level 4 will follow the guidelines for Level 5 and above.

B. Levels 5, 6, 7, 8, 9, and 10
1. If only one gymnast is entered in an age division, she receives the 1st place All-Around medal only.
2. If 2-10 gymnasts are entered in an age division:
Chapter 9

a. Award 1st and 2nd All-Around for 2 gymnasts
b. Award 1-3 All-Around for 3-5 gymnasts
c. Award 1-4 All-Around for 6-10 gymnasts
d. Award 1st place in each event

3. If 11-20 gymnasts are entered in an age division:
a. Award 1-6 All-Around places
b. Award 1-3 event places

4. If 21-50 gymnasts are entered in an age division:
a. Award 1-6 All-Around places
b. Award 1-6 event places

5. If 51 or more gymnasts are entered in an age division:
a. Award 1-10 All-Around places
b. Award 1-10 event places

C. Competition with Individual Event Specialists included

Whenever Individual Event Specialists are included in a competition, the Individual Event Specialists compete and are ranked amongst the All-Around competitors. However, if there is a tie between an Individual Event Specialist and an All-Around athlete, the tie is NOT broken. Both athletes would receive identical awards.

Example for the vault event:
1. First place athlete’s score is 9.40.
2. Next highest score is 9.30, earned by two athletes - one competing in the AA and the other competing as an Individual Event Specialist. This tie is not broken; both gymnasts receive the 2nd place award.
3. The next highest scoring athlete earns a 9.20 and would then receive the 4th place award.

D. If the draw for sessions is by club teams, awards for all age divisions must be presented at each session.

E. A State Administrative Committee Chairman may request that the Regional Administrative Committee Chairman grant a deviation from these minimum recommendations based on financial conditions of the State Meet. The Regional Administrative Committee may choose to deviate from these minimum recommendations based on financial conditions of the Regional meet.

F. If a gymnast competes in the wrong age division, her scores are invalid for the meet (may not be used for All-Around, Individual Events or Team awards); however, the score achieved may be used for level mobility.

G. Duplicate awards will be given in the case of a tie at the Level 9 Eastern/Western Championships and Level 10 Jr. Olympic National Championships.

II. Team Awards

A. Team awards are to be determined by the State Administrative Committee.

B. Club team competition at Regional, East/West and National competitions is not allowed.

C. State and/or Regional Team competition

1. Level 8 and 9 Regional Championships: State Team awards may be presented (at the discretion of the Regional Administrative Committee).

2. Level 9 Eastern/Western Championships:
   a. Regional team awards are presented to all members of the top regional team.
   b. An overall Regional Team Champion will be determined based upon the rankings of the Regional Teams in each age division. Points will accumulate based upon the following team placement per age division:
      1st place team  4 pts.
      2nd place team  3 pts.
      3rd place team  2 pts.
      4th place team  1 pt.

   a. Regional Team Awards are presented to all members of the top three teams in all eight age divisions.
   b. An overall Regional Team Champion will be determined based upon the rankings of the Regional Teams in each age division. Points will accumulate based upon the following team placement per age division:
      1st place team 8 points  5th place  4 points
      2nd place  7 points  6th place  3 points
      3rd place  6 points  7th place  2 points
      4th place  5 points  8th place  1 point
   c. The top four gymnasts per age division will receive a Jr. Olympic National Team plaque.

III. Award Tie Breaking System

THIS SYSTEM IS TO BE USED WHEN AWARDING TROPHIES OR ENGRAVED MEDALS. It may also be used when awarding ribbons; however, if financial conditions permit, it is strongly recommended that duplicate awards be presented.
A. Recognition of tied gymnasts
1. If there is a tie for first place, BOTH GYMNASTS are champions and should be announced as such, although one will receive the second place award if duplicate awards are not possible.
2. In the case of ties for other places, the gymnasts will be announced as being tied for that rank; however, the tie-breaking procedure determines which gymnast receives the higher award, if duplicate awards are not given.
3. All gymnasts who tie for a place receive an award. When there is a tie for the last place awarded, the tie-breaking procedure is used to determine which gymnast will receive the award that day. Duplicate awards should be sent, within one month, to the remaining tied gymnasts.

B. Distribution of Awards: Example of tie for first place:
1. Award the first place medal by one of the tie breaking procedures.
2. The second place medal is then presented to the tied gymnast.
3. There is NO second place ranking.
4. The third place medal is then presented to the next gymnast, and so on.

C. Tie-Breaking Procedures for Presentation of Awards
For meets that cannot provide duplicate awards for placement, the tie-breaking system should be used. However, whenever there is a tie, the computer should be programmed to skip the next place (example, Tie for 1st - both gymnasts are recognized as 1st place winners, with one gymnast receiving the gold, the other silver based on the tie-breaking procedure. The next highest scoring gymnast receives the 3rd place award and no 2nd place award is presented.)
1. Ties in the All-Around (Compulsory or Optional)
   a. The gymnast with the highest individual event score receives the award for the tied place.
   b. If the gymnasts are still tied, then the gymnast with the second highest individual event score receives the award.
   c. If the gymnasts are still tied, then the gymnast with the third highest individual event score receives the award.
   d. If the gymnasts are still tied, then the flip of a coin in the presence of both coaches will break the tie for the award.
   e. At Level 9 Eastern/Western Championships, Level 10 National Championships, Elite Challenge, and Classic competitions, athletes tied in the All-Around will receive duplicate awards. However, for the purpose of presenting awards, use the above criteria, if necessary. The gymnast receiving the lower place award will be sent a duplicate award, if not available at the competition.
   f. At Level 10 National Championships, if there is a tie for fourth place All-Around, both (all) tied athletes will qualify to the Jr. Olympic National Team.
2. Ties in the Individual Events - Compulsory Only or Optional Only
   a. The gymnast with the highest All-Around total receives the award for the tied place.
   b. If the gymnasts are still tied, then the flip of a coin in the presence of both coaches will break the tie for the award.
   c. At Level 9 Eastern/Western Championships, Level 10 National Championships, Elite Challenge, and Classic competitions, athletes tied in an individual event will receive duplicate awards. However, for the purpose of presenting awards, use the above criteria, if necessary. The gymnast receiving the lower place award will be sent a duplicate award, if not available at the competition.
3. Ties at Individual Event Finals (New Life) at Invitationals
   a. The gymnast with the highest preliminary score on that event receives the award for the tied place.
   b. If still tied, then the gymnast with the highest All-Around score from the preliminary competition receives the award for the tied place.
   c. It is recommended that tied gymnasts receive duplicate awards. Use the above tie-breaking criteria if duplicate awards are not given for financial purposes or if duplicate awards are not available at the competition. The gymnast receiving the lower place award should be sent a duplicate award, if not available at the competition.
4. Ties in Team Score - Compulsory Only or Optional Only
   a. The team with the highest team score on a single event receives the award for the tied place.
   b. If still tied, the team with the next highest team score on an event receives the award for the tied place.
   c. If still tied, continue to the next highest of the events.
   d. If there is a tie for Regional team score at Level 10 Nationals or at Level 9 East/West, both teams will receive duplicate awards. However, for the purposes of presenting awards, use the above criteria. All gymnasts on the team receiving the lower place award will be sent a duplicate award.
   e. In case of a tie for last awarded place, both teams are to receive awards. Use the tie breaking procedures to determine which team receives the award that day and send a duplicate award to the members of the other team.
In the case of a tie for the overall Regional Team Champion award, both regions will be announced as co-champions.

Chapter 10 - Elite Program

The Elite Program is designed to provide competitive experiences for athletes aspiring to the National Team. The National Teams (Senior and Junior) are selected from the P&G Gymnastics Championships each year. Additional athletes will be added from the training camps as needed to represent the USA. These athletes represent the United States in international competitions.

The Talent Opportunity Program (TOPs) is under the direction of the International Elite Committee. This program provides early screening and identification of talented athletes. The TOPs program offers State and National testing along with camp opportunities and educational materials for its participants.

HOPES and TOPs program athletes are NOT classified as “Elite” athletes.

Coaches’ Representatives to the International Elite Committee (IEC) are elected by their peers following the National Championships. National Team activities and developing a strong training program for the aspiring athletes and coaches is the main responsibility of the committee.

The Elite Program is administered through the national office. The USA Gymnastics Women’s Managing Director of Athlete and Coaching Programs appoints a TOPs State Manager(s) for the development and growth of the Talent Opportunity Program within each state. Each state’s TOPs Manager(s) should work closely with the State Administrative Committee Chairman and State Administrative Committee to promote the program.

For those clubs entering the Elite/HOPES Program for the first time, it is advised that they visit the website for the most current and accurate information: [http://www.usagym.org/pages/women/pages/index.html](http://www.usagym.org/pages/women/pages/index.html)

Elite Athlete Participation – Domestic Qualifying Events

Only athletes eligible to represent the United States in World Championships and the Olympic Games are permitted to compete in Qualifying or Selection events for the World Champion or U.S. Olympic Team. d) The event does not serve as a ranking/re-ranking event for the national team, and is not a selection event for international assignments.

e) Participation is approved in writing by the appropriate Program Vice President/Director prior to the close of the meet’s entry deadline.

f) If granted, the participating athlete is not eligible to qualify to the next level of Qualification/Selection event pursuant to ‘b-d’ above.

Elite Age Determination, Mobility, And Petitions

I. Elite Age Determination
   A. The age of an Elite or HOPES/TOPs athlete is determined as of December 31, in the year of the culminating meet for her level.
      • Age requirements for the divisions are determined each year by the respective Committees and will be published in the Elite Qualification Chart.
   B. A gymnast must provide her date of birth on the Entry Form.
   C. A HOPES level gymnast is required to designate her level when entering a National Qualifier to be allowed to use the HOPES rules.
      • Exception: Due to modifications to the FIG requirements for the HOPES division, a HOPES age athlete trying to qualify for the International division may use an International FIG Optional score to qualify to the HOPES Classic in her appropriate age division.

II. Level Mobility
   A. For the purpose of qualification, the Elite competitive year begins with the conclusion of the P&G Gymnastics Championships and ends with the beginning of the P&G Gymnastics Championships the following year.
   B. Any international level gymnast who starts the first Optional event at a Classic competition is considered an Elite gymnast and may not drop back to the Junior Olympic Program in the same Elite competitive year.
   C. A gymnast who competes in the American Classic:
      1. Is considered an Elite athlete.
      2. May not drop back to the Junior Olympic program in the same Elite competitive year.
      3. Must achieve the Classic qualifying score at the American Classic in order to directly qualify to the U.S. Classic.
         • If the Classic qualifying score is not achieved, the gymnast must re-enter the qualifying process for that year, as set forth by the International Elite Committee, in order to attain the qualifying score for the U.S. Classic.
   D. Gymnasts may attempt to qualify in any level within the Elite Program throughout the Elite competitive year.
   E. If a HOPES level gymnast qualifies to the HOPES Classic competition and then, within the same season, qualifies to the Junior International level for a Classic competition, she may enter either the HOPES Classic or the Junior International Classic level, but not both.
   F. A gymnast attempting to qualify for the Junior International division may use an FIG Optional competition score from a National Qualifier to qualify to the HOPES Classic meet in the appropriate age division.
   G. Athletes competing at the Junior International level in the national qualifiers may drop back to the HOPES level that corresponds to their age if they have not competed at the international level at a classic meet.
   H. Compulsory qualifying scores may be obtained at compulsory meets and National Qualifying meets. Optional qualifying scores may be obtained at the National Qualifiers without jeopardizing a gymnast’s Junior Olympic competitive status. Once a gymnast obtains a qualifying score, it remains valid for the entire Elite/HOPES competitive year.
   I. An Elite gymnast may choose to return to the Junior Olympic Program (Level 10) the following competitive year by sending a "reason for change" letter FROM HER COACH to the National Junior Olympic Committee Chairman.
      1. All petitions must be received at least two weeks prior to the Level 10 State Meet.

   2. Replacements may be made up until 24 hours prior to the start of competition.

IV. Procedures for Petitioning

Petitioning procedures are used when the athlete is unable to compete due to illness, injury or extenuating circumstances; they are not intended to replace the qualification system. If a petition is denied, the athlete is ineligible to submit another petition for a higher-level meet.

A. P&G Gymnastics Championships
   1. No petitions will be considered for athletes obtaining an all-around score at a Classic competition.
   2. Any athlete who has attended one or more Open, Developmental, or National Team training camps in the current year is eligible to submit a petition for consideration.
   3. All athletes who are not able to compete in the All-Around at a Classic meet due to a previous injury but are planning to petition to Championships will be required to attend the U.S. Classic and perform on a minimum of one event, unless the athlete has competed in a USA Gymnastics international competition during the current competitive year or verified at a National Team training camp within the month prior to the U.S. Classic Meet.
   4. The petition must be sent to the Senior Vice President of Women’s Program prior to the Classic competition, unless the athlete is injured during the Classic competition. The petition must include:

      a. Decisions will be evaluated on an individual basis and made in the best interest of the USA National Team.
      b. The submission of a petition is not a guarantee of acceptance.
      c. The committee will consider the following areas when evaluating the petition:
         1) Results from recent international and national championships.
         2) D [Difficulty] and E [Execution] Scores in comparison to the current Elite qualification chart. Note that, per event, the three event score is higher than a four-event score.
         3) World Class presentation.
         4) Readiness to compete.
         5) Physical capability to fulfill training plan as listed in the Women’s Responsibility Manual.
   7. The National Office, as instructed by the Athlete Selection Committee, will notify the gymnast and her coach of the approval or denial of the petition.
   8. There will be no other avenue for admittance to Championships outside of these petitioning procedures (i.e., video or pre-meet verification).

B. Classics Petitions:
   1. All current or former Elite athletes are eligible to submit a petition to a Classic Meet.
   2. All athletes who attended a training camp or have competed in a National Qualifying competition are eligible to petition.

If the mount and dismount are in the same location, the board MUST be placed on the 10 cm supplemental dismount landing mat. No matting may be moved after the routine begins.
      a. For international athletes Beam and Bars will use only one board (soft).
      b. For HOPES athletes Beam and Bars boards you may remove springs to adjust to the Hopes athlete. You must return the spring as soon as your athlete is finished on that event.

D. Vaulting:
   1. For the International Level athletes there will be two springboard configurations. AAI boards are soft 6 springs [3-1-2] and hard 8 springs [3-3-2]. Springs may not be moved or replaced.

   4. Procedures for the removal of blood and disinfection of the apparatus: A solution of 1 part bleach and 10 parts water (or an Anti-viral spray disinfectant) should be available for the removal/disinfection of blood from the apparatus or matting.

F. Conversion for inches to centimeters:
   Approx. ¾ inch = 2 cm
   4 inches = 10 cm
   8 inches = 20 cm
